# Blessed

i don't know why skies  
are blue  
and how dreams  
come true  
but i do know that im blessed  
to know  
someone like you

# Mirror Mirror

Mirror Mirror on the Wall  
Tell me why, out of all  
whose the boss of this world  
is it the queen  
or is it just my dreams  
i can not tell  
but only you can.

# Soulmate

A Life without a Soul is nothing but Bones  
A Life without a Goal is nothing but a Heartless Soul  
And so they say, ...  
A soul mate is someone that is always by you  
But your soul remains yours  
A soul mate is someone you might be imagining about  
But your soul remains yours  
A soul mate is someone who is forever by you  
But your soul remains yours  
A soul mate can be male or female  
But your soul remains yours  
Your gender, your dignity, your loved ones  
Will always remain yours  
As long as you hold onto it  
And never let it go  
Because sometimes, ...  
A soul mate may be pure evil and can take it all away from you  
Without you noticing a single whisper, ...  
A single sound will never come through you  
Unless you stay alerted  
And never let those dear to you go, ...
