I love writing poems I could just write them all day!

Am I Good Enough For He To Love?

love like the sea
i wished thy heart
belonged to the,
wanting every
moment, every
second, every
breath to waste
on he. will he ever
see that im inlove?
or will he look past my
heart and say your not
good enuough?

Fly Away.

sometimes I wish I
could fly away to
somewhere where I
belong.

sometimes I wish
I could fly away to
a place where
theres no wrong.

sometimes I wish I
I could fly away in
the distance of the
nearest sea.

sometimes I wish you
were here,
for you are the only one that
understood me.

sometimes I wish I could
fly to you and say hello how are
you, but for now I half to wait,
live life, and then meet you at
God's golden gates.

Silent.....

So dark in it's soul so red in it's eyes,
helpless in it's heart, disoriented in it's mind,
panting over the life that once lived, worthless
now the poor worthless life, took it's last breath
in misery and pain the creature that killed that
take away, the one that has no shame for
his doing so, eating every bite, feeding thy
soul, tears come down pouring down
watching it being devour turning numb words
so had to speak, but won't listen can't hear I can
just feel it's heart weep, crying out for help, crying
out of pain so lonely inside it kills to gain.

You!

YOU! dont even notice me, who cares if your older than me.
