10 People

If 10 people care 4 u,
one of them is me,
if 1 person cares 4 u that would be me again,
3 words made my heart beat faster,
3 words made my legs shake
3 words made my head spin,
3 words: I love you!
if no 1 cares 4 u that means i m not in this world.

25 Minutes To Late

After some time I've finally made up my mind
she is the girl and I really want to make her mine
I'm searching everywhere to find her again
to tell her I love her

and I'm sorry 'bout the things I've done
I find her standing in front of the church
the only place in town where I didn't search
She looks so happy in her weddingdress
but she's crying while she's saying this

Chorus:

Boy I've missed your kisses all the time but this is
twentyfive minutes too late
Though you travelled so far boy I'm sorry your are
twentyfive minutes too late
Against the wind I'm going home again
wishing me back to the time when we were more than friends
But still I see her in front of the church
the only place in town where I didn't search
She looked so happy in her weddingdress
but she cried while she was saying this

Chorus:

Boy I've missed your kisses all the time but this is
twentyfive minutes too late
Though you travelled so far boy I'm sorry your are
twentyfive minutes too late
Out in the streets
places where hungry hearts have nothing to eat
inside my head
still I can hear the words she said

Chorus:

Boy I've missed your kisses all the time but this is
twentyfive minutes too late
Though you travelled so far boy I'm sorry your are
twentyfive minutes too late
I can still hear her say.....

Above All Power

Above all power
above all kings
above all nation and all created thing
above all wisdom and all the ways of man
you were here before the world began
above all kingdom
above all thrones
above all wonders the world has known
above all wealth and the treasure of the earth
this is no way measures what you are
oh crucified, laid behind the stone
he lived to die, rejected and alone
like a role, trampled on ground
you look the fault, and thought me

All Round Us

All around us there are changes but here with me,
one thing remains constant;
d feelings of love that I hav 4 u
The best and most beautiful things
in the world cannot be seen
or even touched - they must be felt with the heart.
I could say that you complete
me but that would be a lie,
coz every morning when I awake,
I long for u more than the day before.
Missing you is my hobby,
caring for you is my job,
making you happy is my duty,
and loving you is my life.
I couldn't tell you how much I love you,
not even if the sky were my paper and the ocean my ink.
My thoughts are free to go anywhere,
but it's surprising how often they head in your direction.
People wonder why I am always smiling,
it's because I am thinking of YOU!
I could not define love with sincerity
or feeling until you came along.
Just thinking of you and dropping a line....
To hope you are well and that everything's fine!

ahmed kakembo

All The Time

my love let me kiss you
my love let me live with you
my love let me dance with you
my love let me move with you
let us cry together for our love

An Extrapment

My love, I have tried with all my being
to grasp a form comparable to thine own,
but nothing seems worthy;

I know now why Shakespeare could not
compare his love to a summer's day.
It would be a crime to denounce the beauty
of such a creature as thee,
to simply cast away the precision
God had placed in forging you.

Each facet of your being
whether it physical or spiritual
is an ensnarement
from which there is no release.
But I do not wish release.
I wish to stay entrapped forever.
With you for all eternity.
Our hearts, always as one.

Angle Of My Dream

you are angle of my dream
you sent from heaven for me
you are the most above the angle
GOD knew that you could be my angle
you are the angle that i dreamed all my life
can you make me angle for your guide
let paradise be our lovely place for all
let the field of red flower be our bed
my angle forever in my life

Appearance Doesn'T Matter

appearance doesn't matter
don't look down on me
b'se of my colour
b'se the sun has tanned me

and made me to work in sunshine
i had no time to care about my self

Bitterness Of Aids

no one knows where aids came from
it attributed to the most liked thing
it moving here and there in the whole world
it has no cure so far, made our fruit unenjoyable
it's the most waled thing on this earth
every one fear it, but not consider it
it has consumed every one including young one
people parents have disappeared b'se of it
world have occupied tomb than people
it has made our body it's resting house
we don't have peace at whole
father guide us from above
if we sinned to you to restore our life

Breaking

n the street you are listening to every beat of your heart
Want to know if it's working and you're still alive
On your feet you are walking around with your clothes torn apart
In a nightmare where the question is how to survive
In this dangerous land
I'm trying the best that I can
to be a respectable man
So won't you listen won't you listen to me

Chorus:

I'm breaking the law if you don't give me more than public attention
I'm breaking the rules gonna act like a fool
On the street you are looking so hard for a place for the night
All you want is understanding of your basic rights
In this dangerous land
I'm trying the best that I can
to be a respectable man
So won't you listen won't you listen to me

Chorus:

I'm breaking the law if you don't give me more than public attention
I'm breaking the rules gonna act like a fool
I'm crossing the line if you don't give me time on your television
I've got something to say don't push me away

Broken Heart

Broken hearts are never healed.

They haunt us for a lifetime even if we find someone else.

Our past teaches us lessons that make us more aware and more human.

Why then do we feel so hurt knowing it can only get better?

Breaking up with someone you care about

is one of the toughest decisions any of us

will ever have to go through.

Dealing with the pain and heart break is never easy.

We just have to live the days as they are set out and not live in the past.

Christmas

I would mind having you as a christmas gift,
youre stacked to the hilt,
with long black hair like a quilt ass cheeks
so fine sipin on youre cum juice is like wine,
breast so plump and tight laying on them would be a heavenly night.
yeah i'd love to hold you in my arms alright
and screw thru christmas and on to new yeas night.

Creation

i wake up in the morning
seating in the compound
to test the worm of sunshine
look up to birds in the sky
wind blowing from side to side
looking on the ground insect
hearing the sound from above
looking up to the mountain & valley
and i reconganise the creation of earth
seem to be god above the heaven
and i look how people behave
looking up sex in both human & animals
there is no difference at all
it seem to someone special above
let us praise the one above for the creation

ahmed kakembo

Do You Feel How I Feel

Evil Dowers Of The World

the world we is full dowers
rape is the order of the day
corruption is increasing like production
rich don't help the poor, burden them with heavy works

children are living on roads like animal in field
people are being sacrificed like animal
oh father in heaven help us
we don't know were are we ending
abortion is the order of the day
oh why the world is moving like this
people play sex like eating apple
war in world has left people homeless
love is declined from the world

Follow Your Dream

follow your dream
trouble arrive in measures
we stuck up a real high
until we convinced
we have no reason to try
if we feel defeated
you're absolutely wrong
for if you follow your dream
you could never lose for so long
ignore the minor set backs
that pile up and trouble you
you will build a mountain
out of the stone hurled you
the future holds the great promise
your destiny unknown
but GOD always helping
and you never be a lone
soar bravely toward your goal
let nothing darken the way
you can change your tomorrow
if you seek your dream today

For Millions Of Years

For millions of years
mankind lived just like
the animals
Then something happened
which unleashed the power
of our imagination
We learned to talk

There's a silence surrounding me
I can't seem to think straight
I'll sit in the corner
No one can bother me
I think I should speak now
I can't seem to speak now
My words won't come out right
I feel like I'm drowning
I'm feeling weak now
But I can't show my weakness

ahmed kakembo

For Once In My Life

For once in my life,
I don't have to work at being happy,
It just happens because of you
I asked for light, God gave me the sun,
I asked for water,
God gave me rain,
I asked for happiness,
God gave me you
Eternity is forever,
forever with you would be a dream come true.
Love means making the other happy,
even from a distance.

Friend Ship Love Forever

Friendship is not a game to play,
It is not a word to say,
It doesn't start on March and ends on May,
It is tomorrow, yesterday, today and everyday.
Moon said to me,
if ur friend is not messaging u
why dont you leave ur friend.
I looked at moon and said does ur sky
ever leave u when u dont shine.
Age appears to be best in some things.
Old wood best to burn. Old books best to read.
Old rice best to eat and old friends best to keep
God picked up a flower
and dipped it in a DEW,
lovingly touched it which turned in to u,
and the he gifted to me and said,
this for friends only

From Kisses

What is Kiss?

Kiss is an upper preparation for lower invasion,
that will lead to further penetration,
in fast acceleration that will build the next generation.

a peach is a peach.

a plum is a plum.

a kiss is not a kiss unless its with tongues.

so open ur mouth &

close ur eyes &

give ur tongue some exercis

Kissing you baby is my dream.

I am strawberry &

you are the cream.

Handle me gently keep me real keen

U & i together babes is passion so extreme!

Generation Love

generation come and generation goes
day today come yesterday become past
years go on passing up to the next year
a new born baby are born others dieing
ages are waning up to every body
moon comes at night and sun goes
tree shade their flowers off and come old
but all in world there something different
in all above that is love, kisses, sex
even though all thing end but those
don't end at all they varries from generation
to generation and year to year
keep it in mind forever

How Many Hours

Mothers giving birth to a little son
crying in the rain of falling bombs
Father he is young but deep and wise
You see the fighter inside his eyes
Hold me cover my sight
This is no paradise
Don't show me
the evil sides of the world

Chorus:

How many hours and how many days
love is just slipping away
How many seasons and how many years
in tears
How many centuries and how many lives
in fear

People selling flowers like nothing's going on
turning their backs on a world gone wrong
Children play around I guess they found some wheels
You see them running down the naked fields
Hold me cover my sight
This is no paradise
Don't show me
the evil sides of the world

Chorus:

How many hours and how many days
love is just slipping away
How many seasons and how many years
in tears
How many centuries and how many lives
in fear

I Can'T Imagine

I cant imagine,
that there could ever be
anyone on this earth,
more perfect 4 me than you
To love a person,
is to learn the song that is in their heart,
And to sing it to them when they have forgotten.
I cant imagine that there could exist,
a smile from any other that gives me reason to live than yours
You move me in a million ways
you are my everything
If you're shopping for a happy ending and you couldn't find one,
buy a new beginning instead. Love you
It's funny how day by day nothing changes,
but when you look back, everything is different.
A man never stands as tall as when he kneels to help a child!
Death can't kill what is not measured by time.
I will love you forever,
and when I die, whatever part of me is left,
will love you, far beyond eternity.
If I have to count reasons why
I love you and why I'm so in love with you,
I would have to count forever.
Even if a day should go by when I don't say
'I love you',
may there never be a moment
that goes by without you knowing that I do.

ahmed kakembo

I Could Fil

I could fill a 1000 pages telling U how I feel,
and still U would not understand..
So now I leave w/o a sound,
except my heart shattering as it hits the ground.
It hurts to love someone and not be loved in return,
but what hurts more is to love someone,
and never find the courage to let them know how you feel.
Love is to think about someone else
more times in a day than you think about yourself..
The value of life does not depend on the length of time
on this Earth but rather on the amount of love
given and shared to the people we care about.
Trying to forget someone you loved is like
trying to remember someone you never knew.
Love is like a cloud...
love is like a dream...
love is 1 word and everything in between...
love is a fairytale come true...
Coz I found love when I found U..
Of all the babes Ur my selection,
please don't give me a rejection,
my teeth are clean for ur inspection,
so give my mouth a tongue injection!
A memory lasts forever,
and never does it die.
True friends stay together and never say good bye.

ahmed kakembo

i could nurse love well
i wish i was a soldier

i wish i was journalist

ahmed kakembo

If

if 10 people care 4 u,
one of them is me,
if 1 person cares 4 u that would be me again,
if no 1 cares 4 u that means i m not in this world.
1st time i saw u i was scared 2 touch u.
1st time i touched u i was scared 2 kiss u.
1st time i kiss u i was scared to luv u.
but now dat i luv u im scared 2 lose u!
If i were a tear in ur eye i wood roll down onto ur lips.
But if u were a tear in my eye i wood
never cry as i wood be afraid 2 lose u!
I love all the stars in the sky,
but they are nothing compared to the ones in your eyes!
I am in hospital now. After 5 minutes,
I will be transferred to a surgery room.
The doctor told me, I will die if I stop RECEIVING YOUR SMS.
If you fall in river there is a boat..
if you fall in well there is rope..
but if you fall in love there is no hope
If you love someone,
put their name in a circle,
instead of a heart,
because hearts can break,
but circles go on forever
What I feel for you, is really true.
You got to know, I need you so.
When you are gone, I can't go on.
Can't you see, that you are the only one for me?
There are times when I fall in love with someone new,
but I always seem to find myself back in love with you.
You asked me who I liked and I said no one...
but what I really meant was no one but you.

ahmed kakembo

If Friends Were Flowers

If friends were flowers
I would not pick you!
I'll let you grow in the garden
cultivate you with love and care so
I can keep you as a friend 4ever! !
A true friend is someone who reaches
for your hand and touches your heart.
FRIENDSHIP isn't how U forGet but how U forGive
Not how U liSten but how U UnderStand,
Not what U see but how U feel,
and not how U Let Go but how U hold oN! ! !
True friends are like mornings,
u cant have them the whole day,
but u can be sure,
they will be there when u wakeup tomorrow,
next year and forever.

If The People We Love Are Stolen Away

If the people we love are stolen away
If the people we love are stolen away from us
The only way to have them live on is to never stop lovin'them.
Buildings burn, people die, but real love is forever...
You are the only one for me?
What I feel for you, is really true.
You got to know, I need you so.
When you are gone,
I can't go on. Can't you see,
You are the only one for me?

ahmed kakembo

If U Delet This Message

If U delet this message
Thats bcoz u love me.
If u save it
Thats bcoz u desire me
If u ignore it
Thats bcoz u miss me
So what u gonna do with It?
You are like the sunshine so warm
You are like sugar
So sweet... you are like you
That's the reason why I love you!

Joy Of My Desire

joy of my desire
all consuming fire
lord of gory, rose of sharon
rare and sweat
you are now my peace
comforter and friend
wonderful, so beautiful
you are to me

ahmed kakembo

Last Night

Last night,
thinking of u,
one tear rolled out
i asked why r u out?
Tear said there is someone so beautiful in ur eyes
now there is no place for me.
I love two things,
a rose and you.
A rose for a short while,
but you, the rest of my life
If I would get a rose for every time
I think of you,
I would spend every day in a rose garden, ... thinking of you

ahmed kakembo

Lies

Nothing can stop emotions
that run down the sides of your face
Wish i could change this moment to
another time and place

Nothing you say can move me
I've chosen the road that I'm on
I have to join the fight for freedom
until the war is won

Chorus:

We will keep the faith between us
if we only try
We will keep the truth inside us
love will never lie
Someone will always hear you
Care about you when you cry
But no one can hear my heart is breaking
as I say goodbye

Chorus:

We will keep the faith between us
if we only try
We will keep the truth inside us
love will never lie

ahmed kakembo

Love Always Like Adream

love always like a dream
once your in love it had release
love is inner feelings, neither seen with our eyes
it's deep feelings toward lovers
love is complicated thing
love is the confusing spirit in living
start in simple way and end up into deep feelings
if you love some one make it forever
and don't take it for grated
once you will wake up lost it
like a dream as you wake

ahmed kakembo

Love Dream

While i slept
My heart was wake
I dreamt my love
Knocked at the door
My love put her hand on the door
I was thrilled that she was near
I was already to let her come in
My hand was covered with myrrh
My finger was liquid myrrh
I grasped the handle of the door
I opened the door for my lover
But she had already gone
I wanted to hear her voice
I looked for her, i couldn't find her
I called her, but heard no answer

ahmed kakembo

Love Is

Love is the greatest feeling,
Love is like a play,
Love is what I feel for you,
Each and every day,
Love is like a smile,
Love is like a song,
Love is a great emotion,
That keeps us going strong,
I love you with my heart,
My body and my soul,
I love the way I keep loving,
Like a love I can't control,
So remember when your eyes meet mine,
I love you with all my heart,
And I have poured my entire soul into you,
Right from the very start.

ahmed kakembo

Love Is Great

Love Is Like A Cloud

Trying to forget someone you loved
is like trying to remember someone you never knew.
Love is like a cloud...
love is like a dream...
love is 1 word and everything in between...
love is a fairytale come true...
Coz I found love when I found U..
Of all the babes Ur my selection,
please don't give me a rejection,
my teeth are clean for ur inspection,
so give my mouth a tongue injection!
A memory lasts forever,
and never does it die.
True friends stay together
and never say good bye.

were i found a beautiful girl, juicy, honey
she the most beautiful to that planet so far
she took all my mind, and all my thinking
she had a lovely kissing lips with honey on it
the way she was moving, as if she was an angle
her eyes was like sunrise that gives light
her body when they pour water to her
you can drink it, using your tougher
her hair was like cotton wool, white like snow
i was part way from her, until came closer to her
i fall in love with her, until came to release
that it was dream of reality

Love Poem

love is wonderful,
no one knows what love is,
love is like an egg
if you handle it with no care
you may find lost it,
love is like apple
once you test it
you don't what to give up,
love heats,
pain, each and sweet.
every day people fall in love
but they never realise what love is! ,
ho love love love
we don't know where we are ending with you.
you have fixed both the young the elder
but every person respect you,
you are wonderful and strong

Meeting You Was Fate

Meeting you was fate,
becoming your friend was choice,
but falling in love with you was completely out of my control.
God created men first,
coz you always make
a rough draft before a masterpiece.
You are the light in a dark room
and I am the moth who can't resist it.
Explaining how much I love you
is like explaining how water tastes.
I don't want to be your whole world....
just your favorite part!
Love me today because tomorrow may be too late.
Meeting you has been delightfully refreshing!
I thought of something wonderful today.... You!

Necessity Is The Matter Of Invention

down at the very bottom
of the pitcher there was a little
water the thirsty crow tried every
way to reach it with her beak
but the pitcher was much too tall
the crow got thirstier at last she thought
of a clever plan one by one she dropped
pebbles into the pitcher every pebble
made the water rise a little higher
when the water reached the brim
the thirsty crow was able to drink
with ease

Out Of The Blue

was almost about to lose my faith
Was still dreaming but feared it was too late
But then you came along to my surprise
and stole my heart before my very eyes

Chorus:

You took me right out of the blue
simply by showing that you love me too
only by giving me your everything
with a love so true you took me out of the blue
I was wondering what love was all about
I was trying but couldn't work it out
But then you came along to my surprise
and made my frozen mind come alive

Chorus:

You took me right out of the blue
simply by showing that you love me too...
You let me out of the darkness
you brought me out in the sun
I think you must be the only one for me
'cos you took me

Chorus:

Right out of the blue
simply by showing that you love me too
only by giving me your everything
breathing air below my wings
You took me right out of the night
simply by filling my heart with light
only by giving me your energy
with a love so true you took me out of the blu

Paint My Love

From my youngest years
till this moment here
I've never seen
such a lovely queen
From the skies above
to the deepest love
I've never felt
crazy like this before

Chorus:

Paint my love
you should paint my love
it's the picture of a thousand sunsets
it's the freedom of a thousand doves
Baby you should paint my love
Been around the world
then I met you girl
It's like coming home
to a place I've known

Chorus:

Paint my love
you should paint my love
it's the picture of a thousand sunsets
it's the freedom of a thousand doves
Baby you should paint my love
Since you came into my life
the days before all fade to black and white
Since you came into my life
Everything has changed

when you were born,
but it wasn't really rain,

because it lost his most beautiful angel...!

and you would ask me how much I love you,
i bet you that it would rain all day!

Sleeping Child

The Milky Way upon the heavens
is twinkling just for you
and Mr. Moon he came by
to say goodnight to you
I'll sing for you I'll sing for mother
We're praying for the world
and for the people everywhere
gonna show them all we care

Chorus:

Oh my sleeping child the world's so wild
but you've build your own paradise
That's one reason why I'll cover you sleeping child
If all the people around the world
they had a mind like yours
we'd have no fighting and no wars
there would be lasting peace on Earth
If all the kings and all the leaders
could see you here this way
they would hold the Earth in their arms
they would learn to watch you play

Chorus:

Oh my sleeping child the world's so wild
but you've build your own paradise
That's one reason why I'll cover you sleeping child
I'm gonna cover my sleeping child
Keep you away from the world so wild

Sleepless Night

Sometimes at night I lay awake,
Just to watch you sleep, hear each breath you take.
When the morning lights your face,
I just wanna hold you, and forget the day.
I live and breathe your every touch
At first when you found me
It took me a while 'til I realized
Why I felt weak when you were around me
Why I couldn't speak when I looked in your eyes

Some Way

In my search for freedom
and peace of mind
I've left the memories behind
Wanna start a new life
but it seems to be rather absurd
when I know the truth
is that I always think of you

Chorus:

Someday someday
together we will be baby
I will take and you will take your time
We'll wait for our fate
cos' nobody owns us baby
We can shake we can shake the rock
Try to throw the picture out of my mind
try to leave the memories behind
Here by the ocean
wave's carry voices from you
Do you know the truth
I am thinking of you too

Chorus:

Someday someday
together we will be baby...
The love we had together
just fades away in time
And now you've got your own world
and I guess I've got mine
But the passion that you planted
in the middle of my heart
is a passion that will never stop

Special World

A special world for you and me
A special bond one cannot see
It wraps us up in its cocoon
And holds us fiercely in its womb.

Its fingers spread like fine spun gold
Gently nestling us to the fold
Like silken thread it holds us fast
Bonds like this are meant to last.

And though at times a thread may break
A new one forms in its wake
To bind us closer and keep us strong
In a special world, where we belong.

That Is About You My Friend

Friendship is a language spoken by heart...
not written on paper, not given by pledge...
it is a promise renewed every time we keep in touch
Take Care Friendship is a silent gift of nature..
More old.. more strong..
More deep.. more clear..
More close.. more warm
deep friend is like rainbow,
when the perfect amount of happiness
and tears r mixed,
the result is a colorful bridge between 2 hearts

The Fox And Grapes

high on the grapevine hung bunches
of fat, juicy grapes when saw
them, his mouth began to water
he jumped at the lowest bunch and as he
jumped he snapped his thirsty jaws
but the grapes hung out of reach again
and again he jumped, yet his snapping
jaws never closed on a single
at last, mr. fox with a swish of his tail
turned his back on the grapes and remarked
of course you understand, i never really wanted
them because i'm sure they 're sour

The Gentle World

A gentle word like a spark of light,
Illuminates my soul
And as each sound goes deeper,
It's YOU that makes me whole

There is no corner, no dark place,
YOUR LOVE cannot fill
And if the world starts causing waves,
It's your devotion that makes them still

And yes you always speak to me,
In sweet honesty and truth
Your caring heart keeps out the rain,
YOUR LOVE, the ultimate roof

So thank you my Love for being there,
For supporting me, my life
I'll do the same for you, you know,
My Beautiful, Darling Wife.

The Meaning Of Love

To love is to share life together
to build special plans just for two
to work side by side
and then smile with pride
as one by one, dreams all come true.

To love is to help and encourage
with smiles and sincere words of praise
to take time to share
to listen and care
in tender, affectionate ways.

To love is to have someone special
one who you can always depend
to be there through the years
sharing laughter and tears
as a partner, a lover, a friend.

To love is to make special memories
of moments you love to recall
of all the good things
that sharing life brings
love is the greatest of all.

I've learned the full meaning
of sharing and caring
and having my dreams all come true;
I've learned the full meaning
of being in love
by being and loving with you.

They Learned Me That One Hours

They learned me that one hours equals 60 minutes
That one minute equals 60 seconds,
They never told me that one second without you can last for ever!
Far away from here,
Totally inaccessible.
That is where you are
Here next to me, within reach.
That is where you are. Where ever you go or when
You will always be near me.

Those Who Are Easily Flattered Areoften Fooled

A crow sat on the branch of tree
holding a large piece of cheese
in her beak a long come a fox who
at once wanted to get the cheese
he set his wits to work and soon
had an idea he stood under the tree
look up the crow and said what a
beautiful bird you are how graceful
your shape how rich the deep color
of your feathers! if only your voice
is as sweet as your looks are fair
you are surely the queen of the bird
the crow was so delighted to hear
all these fine thing about herself
that she wanted the to know that
she could sing she gave a loud
caw down came the cheese and
the fox snatched it up

We can never say
How far our friendship would go
How long we'll stay together.
All I know is that even if we'll be miles apart,
You'll forever remain in my heart
Time will always fly
But our love will never die.
Keep in touch
And remember me Never frown
Even when you are sad,
Because you never know
Who is falling in love with your smile.

What Going In The World

mother give birth to the little son
crying in the rain of full bombs
father is young but deep and wise
there's silent to his eye
hold me cover my sight

don't tell me the evil
that coming in the world
how many hours
and how many days
when love just springing away
how many centuries
and how many years in tears
people selling flowers
like nothing going on
children play a round of naked field
hold me cover my sight
there no paradise

with each passing day.

This treasure of love,
I cherish within my soul,
how much I love you...
you'll never really know.

You bring a joy to my heart,
I've never felt before,
with each touch of your hand,
I love you more and more.

Whenever we say goodbye,
whenever we part,
know I hold you dearly,
deep inside my heart.

So these seven words,
I pray you hold true,
'Forever And Always,
I Will Love You.'

All we need to do is make
sure we keep talking

You never talk to me
What are you thinking
What are you feeling
Why won't you talk to me
You never talk to me
What are you thinking

Word Leave Photos For Dead

Words leave photos for dead
when it comes to women's needs,
but sadly men just do not get it.
They go bananas over pics,
which is fine,
but men and women think in a diametrically opposed way.
Which doesn't mean to say
we like sex any less that they do
They just don't get it.
Qhat a waste of lovely words.
Which means in your case the site has to be run by men!

ahmed kakembo

Yeah We'Re Tight

Yeah we're tight,
and yeah we fight,
but through all of it,
there's one thing that will never change,
we'll be friends forever.
Don't walk behind me,
I may not lead. Don't walk in front of me,
I may not follow. Walk beside me and be my friend.
Never say you are happy when you are sad,
never say you are fine when you are not okay,
never say you feel good when you feel bad,
and never say you are alone when I'm still alive.
Life is not easy and it will never be,
but you've got friends and one of them is me.
A friend is never a coincidence in your life,
they are meant to enter your life to bring you joy and laughter. So,
I will treasure the friendship between us.
There is a gift that gold cannot buy,
a blessing that's rare and true,
that's the gift of a wonderful
friend like the friend that I have in you!
Believe not only in yourself,
but believe in your friends as well for it
is in the eyes of your friend that you discover yourself
If somebody leaves you with lots of tears..
then just save them safely,
later when a person who comes to you with happiness,
then just compare the saved tears to present happiness
If happiness overcomes your tears....
Then I am sure you have found your BEST FRIEND
Birds that live in a lake will fly away
when the lake dries up.
But the lotus in the same lake dies with the lake.
That's the commitment in a relationship..
Being visible isn't always a requirement for being close,
It just takes some thoughtful gesture & concern to capture the HEART of a friend
Great relationships are not necessarily
about finding similarities. It is more about...
Respecting differences.

Friends never make assumptions about you.
They never expect a reason to go out with you.
Infact friends only expect u to be you!
One should try to make new friends everyday,
without the company of riends life is barren and has no meaning.
One should learn that art of making friends,
Because at the end of the life we remember our friends.

Your Face

The time I saw your face
I thought the sun rose in your eyes.
And the moon and stars were the gifts you gave,
To the dark and the endless sky, my love.
And the first time ever I kissed your mouth,
I felt the earth move through my hands.
Like the trembling heart of a captive bird
That was there at my command.
And the first time ever I lay with you,
I felt your heart so close to mine.
And I know our joy would fill the earth,
And last till the end of time, my love.
The first time ever I saw your face.
