## Α

Trip via satellite free space stolen and iron walls and space restrictions and dam iPods jamming and did not survive, but the air help

## Alaa

Why maintain no trail and no boss and no useful not only in peace and not in anguish to God you do you have the Lord

#### Alaa Hussain

Unredeemed a day in words and I stayed and much Oh how many are few and and how lazy I will not lie to you, my friend met and laziness in quarterly and remorse never know the way to the lachrymal poem sometimes like purgatory Dettol shampoo and shampoo Wall flowers

Oblivion mercy sometimes relieve
human pain and I told you, my friend
always be written without a memory
on the heels of cigarette smoke and
apsent scape complexity and the large
number of words and sophistry, terrorism and tyranny and mob
corruption and fabricating plots,
prisons, and imaginary stories and
empty words and the idea of ??human
rights police logo finest logo police in
the service of people, tyrants and agree more with laws sponsored by
the police and the survivors of
righteousness

# **Dufoss Saad**

People are free in what they believe

religion is the religion of God

and? ?account Day of Judgement

will not? ?hold the sins of some

of what we did not bad

and religion strut

—

mind does not work with 'Be be

sitting and beside a bomb did not know at any time explode

and with this you do not only mind for adoption of new Bord rose jory and flower Jasmine

# **Good Morning**

Remove the memory is the first work done in the morning tip brothers begin thanks God pray become smile of love initiate any useful work you resolved pond sky look at the sky and you'll see meteors damn down elsewhere compassion criminals and sad to the roses and flowers

#### How

If goods went bads driven
hear your words impressed to see
your actions I feel I am not butcher
know I bad or river died with
cowards exiles Army Forever O Mother
of tales comes to crow's nest birds stupid stupidity and fear are two kinds
inseparable in herit each other to be life misery permanently and in
every morning delete a note book full
and on the last page, and margins end
studied just words remaining on
the heels of cigarettes and smoke
stubbornness sedition all not to religion and Testament secretary
terrorism and play ground share
bread with poor and slowly into the
sky fly bread and terrorism and poor

#### J

Called the West gave him days wire poison hears shitt and thanked not arrive voice plam took them received from the grove to prepare a bounced bought a calculator road triggered by Juha asleep sighed conformity to the barn my hedek sheep in large told me poison over now we're dressing and think gauze where emport India or Brazil

## Man

Wish on the part of the human rights organization to establish a program in the computer under the title 'human rights police' around the world where every person has the right to suffer a problem to submit a request and granted in return for consideration of his case and informed answer to the procedures that will be

# Mf

Boring writing about politics and human rights just yields if many thorns taking place \_ does not deter sheep to become among young people in the history lesson with a reference

#### Mm

Melody tunnel boy did not set his feet on the ground to print our steps to open our mouths in gardin to fly nose from the bottom of the toilet and disease to guide us to the hypocrisy from the bottom to repair the imposition

\_

Be Patience who wronged circles spin and if you can draw a smile not late one just and mix them with reason and sadness and they call right winne and publish it to those who do not love you should not weak feelings I have for you is less than love

# **Nice**

How do you want me shining and charming picture fills the space and time happiness and joy, joy and words honye melt in the heart of beauty

#### Off

Candles hope in life and light bulbs are to every thing else

joy

oppressed illuminate the path and stubbornness unjust anger of the Lord

# Pg

(Maria phrofet)

This mary oh that this is the most beautiful in the cores and the surface on this earth and buried transcend the person short in and raise significant of which came out of love in air dreams her happeniss only meteors sought to altitude can not star this level the most expensive of the soul, and all of this hungry, her Lord Protector of solid good fever in her heart loops honey bee the saw in the sky stand and focused her tent under sunrise mary

#### Ss

Lawmakers that they were not the first to violate the laws staff in the spring of security police take the West and the authorities and some political movement herself and went to the oriented secterian. in the temple of civilization was before his bread and gain potato in Excellencies are in dialogue swimming rian here and here and people sleep in funy stubbornness not love increased and not hating decreased

# Tt

Flowers smiling when the rain come down Oh God, make it good and love to your satisfaction, O God love flowers most beautiful when perfum the, soft gain and papers all in one message of love and her scarf to the enchanting beauty and glamorous does not need to be repaired

#### What

Profession Pen responsibility and are? ?not making reckless and feeling

my? ?sweetness river and rubish words

maid for God overcome its verses

what is the age of dialogue in fragments hibernate

close window and my son wall O nation perseverance over selves

from the dawn of emotions what changed every thing and love did not life features

So long as you know how to smile wandering in the fact that migrations

there are fun and exquisite grove breezes

or say everything once and never am rainy perfum skin deep

#### Wm

When we meet in the beautiful cafes prevail among us sometimes moments of stillness wiping the long bar and feelings were in yesterday and a few days and Hamsa for tomorrow

\_

Dear sister Do you still eat oysters and
Spending air small to get out free and
reader cup on the last day, says poetry
beautiful lens small, I'm still keeping
with the smoking breaks and Uday in
mornning Despite the short distance from night to morning tell me that a lie I
think for a long patience if you want
honesty Nothing I write for myself
what the interest me own returned in
the sky tell where thirst and longing O
heart and tears Smileys
