## Alia Ford(AUGUST 2,1991)

I HAD A ROUGH CHILDHOOD ALTHOUGH NOT TO ROUGH. I DONT WANT TO GET TO PERSONAL BUT I WAS IN FOSTER CARE OF SINCE THE AGE OF 6 GOT ADOPTED AT 14. I AM 17 AND A SENIOR IN HIGH SCHOOL PROBABLY THE FIRST TO GRADUATE OUT OF ALL OF MY SIBLINGS THE ONLY WAY I KNOW HOW TO RELEASE MY PAIN IS THROUGH THE WORKS OF MY PEN! !!!!!!!!!!!!!!!!!!!!! :)

# Bigbigalone Iibigbig

i'm still alone  
In the strangest home  
Still lost and cold  
Since you've been gone

Tell me how should i feel  
This can't be real  
I can feel my tears  
Where do i go from here

So what's the next step  
Save me from myself  
I'm my own enemy  
Someone rescue me

How do i go on  
You have to here my tone  
I'm tired of being alone

What am i to do  
Take a walk in my shoes  
And tell me that it's easy  
Sometimes it's hard to be me

And though i'm still alone  
In a house thats not a home  
I can make it on my own

# Bigbigalonebigbig

you left without a word  
this house is so cold  
i feel so alone  
theres no one else to hold  
i gave my heart to you  
i thought you loved me too  
but oh how i was wrong  
i feel so alone

what do i do now  
silence seems so loud  
can you hear the angry crowd  
screaming in an empty town  
i can hear every sound  
of my wimpered heart pound

i'm in a shallow room  
i'm lost without you  
tell me what should i do  
i'm so twisted and confused

my house is not a home  
you left me all alone  
can't you hear my tone  
what did i do wrong  
i feel so alone

# Bigbigan Example Of Lovebigbig

it seems like just yesterday  
when i first saw your face  
you boldly asked my name  
then you said to me  
you want to be apart of me  
just want to make me happy  
so i agreed to  
spend some time with you  
our love is simply deep  
no one can compete  
we're an example of  
what you call true love  
and every part of me  
has every part of you  
we have a lot of fun  
there's not an end for us  
we are so deep in love  
no one can break us up  
we have a love so strong  
so just keep holding on  
and never let me go  
and watch us grow  
our love is simply deep  
no one can compete  
we're an example of  
what you call true love  
and every part of you  
has every part of me

# Bigbigbelievebigbig

all my life  
i've waited for this moment to arrive  
and not only did i not believe  
i let go of all my memories cause i never thought  
this would come to reality  
i knew of this only as a dream  
it only existed in my fantasies  
but now i truely see  
and yes i do believe  
...in you and me  
and the light i couldn't find  
is now to it's fullest shine  
because the God above  
made you mine

Alia Ford

# Bigbigcan Anybody See Mebigbig

can anybody see me  
can you feel my heart crying  
i'm tired, your always lying  
yet still i put my trust in you  
and when i turn around  
what do you do  
you do the very thing  
you know that hurts me  
can you hear my body aching  
can you taste my heart braking  
can anybody see me  
can you feel the sun beaming  
can you imagine what i'm feeling  
someone tell me that i'm dreaming  
reasure me this isn't happening  
can you understand, my hearts talking  
can you experience the tears falling  
can you touch my level of mourning  
can anybody relieve me  
someone has to see me

Alia Ford

# Bigbigdefinition Of Lovebigbig

can anyone define love  
when it's said  
what do you think of  
does love have a texture  
does love have a smell  
can you see love  
can you feel it in the air  
can you describe it in a book  
and follow the pages it reads  
or jump on a train and follow it  
where it leads  
can love be created  
by chemicals, science, and stuff  
does any one have an answer  
or is my question a little rough  
i looked up on it  
i think i found the answer  
love lives inside of us

Alia Ford

# Bigbigeternal Heartachebigbig

When the tear drops from my eyes  
no one can hear my cry  
i'm in a secluded room  
lost and cold  
what should i do  
your the source of my pain  
a never ending heartache

although i try to move on  
my past decides to hold on  
and because of your mistakes  
is what made me this way  
your the source of my pain  
a never ending headache

i feel alone in this world  
i gotta make it on my own  
your the source of my pain  
an eternal heartache

Alia Ford

# Bigbighe Isbigbig

he's the reason i breath  
he's the love for me  
he's my happy ending  
the love in my dreams  
he's my fairy tale  
a love that will never fail  
he's my sunny day  
in the midst of rain  
he's my shine of light  
when nothing seems right  
he's sense of warmth  
when i feel cold  
his love enlightens my soul  
he's my hero  
at the end of the day  
he's the one who wipes my tears away  
he's my first thought  
when i open my eyes  
his love for me can never be sized  
he's my brighter day  
he's my love and pain  
he's my joy, my cry  
he's the reason i try  
his love means more that life  
he's my reason why  
he's my loss of time  
but most of all  
he's mine <3

# Bigbighow Much I Love Youbigbig

right now i feel beneath the dirt  
nothing can describe the way i hurt  
why can't i do what i'm supposed to do  
i know i have a lot to lose  
what will i be in life  
who can i lean on  
and when can i stand on my own  
why do i always come up short  
why can't i stay ahead of the court  
why do i do the things i do  
i know what there gonna come to  
not even i know how much i love you  
but i know it's a lot  
it 's more than i can describe to you  
but i guess i'll take a shot  
i love you enough to make a change  
believe me i've come a long way

Alia Ford

# Bigbiginvisiblebigbig

sometimes i feel invisible  
like i'm beneath the world  
like i mean as much as nothing  
but this world is lost without me

sometimes i feel invisible  
like it doesn't matter how i feel  
like i'm alone in here  
only i can see my tears

sometimes i feel invisible  
like sand and i equal in worth  
like i was gone before my birth  
not one attempts to search  
i'm alone, gone, and hurt

sometimes i feel invisible  
like i was nothing more than a mistake  
an accidental headache

sometimes i feel invisible  
and how can i be seen  
in a world that looks beyond me

Alia Ford

# Bigbigjust Finebigbig

WHY ARE GUYS SO CRUEL  
THEY DONT CARE WHAT THEY DO  
THEY TREAT YOU LIKE DIRT  
AND NOT EXPECT IT TO HURT  
IT SCARES AND BECOMES A GUARD  
FOR THE NEXT GUY THAT COMES ALONG  
SO HE LOVES YOU  
BUT CANT GET THROUGH  
YOUR TO AFRAID HE'LL HURT YOU  
SO YOU PUSH HIM AWAY  
YET HE STAYS  
YOU THINK WHAT DO I DO  
TO GET AWAY FROM YOU  
HE PUSHES CLOSER  
GIVING YOU LOVE AND COMFORT  
TO A SOFT AND TENDER HEART  
THAT MANY HAVE TORN APART  
YOU MAKE EXCUSES ALL THE TIME  
FOR THE REASONS WHY  
YOU DONT LET HIM INSIDE  
CAUSE YOUR AFRAID TO FLY  
YOU KNOW HE'S YOUR WINGS  
& EVERYTHING THAT YOU NEED  
SO YOU DECIDE TO GIVE HIM A TRY  
HMMMM..... & EVERYTHINGS JUST FINE

Alia Ford

# Bigbiglove As A Lessonbigbig

life is a form of school  
so be prepared to learn  
and love is the best teacher  
just wait you turn  
love will call on you  
when it's your time  
you can't buy love  
it doesn't cost a dime  
he who is deeply loved  
fills truely rich inside  
everyone around him wonders why he smiles  
he smiles because he's hapy  
he smiles because he's loved  
and every night he goes to sleep he thanks the one above  
and to add to this lesson  
never forget your blessing  
and if you behave you might get a second helping  
so sit back and wait your turn  
and enjoy your chance to learn

Alia Ford

# Bigbiglove From Just One g

how can you fall in love from just one touch  
from the one you love so much  
and when you fell in love it's just to late cause your so caught up  
and the more you hide how you feel inside it makes you want to cry  
and it came so soon you were so confused it was such a big suprise  
and the tears you cry cause you can't tell why you love to see him smile  
and it's such a joy you love him so  
more than he will ever know  
and the time you spend forever with him you love to see him soar and it just to  
soon when its over you always ask for more and the life you live is just to give to  
give it all to him

Alia Ford

# Bigbiglove Is To Blamebigbig

LOVE IS TO BLAME  
FOR THOSE TEARS I CRIED

LOVE IS TO BLAME  
FOR HIM WANTING ME BACK

FOR I CAN NEVER GO BACK

# Bigbigmy Life Is Real Part Ibigbig

my life is real  
sometime to real for me to feel  
so don't even try to concieve  
my life's diary  
see when i look back  
on the hard life i lived  
i relive all the pain and tears  
i withstood year after year  
but when i look ahead  
i see  
the better life go is yet to give me  
he says be glad and rejoice in me  
through your time of suffering  
i never seemed to understand this  
because i looked at  
why is this happening now  
instead of  
this will make me stonger later  
so now i thank god now and forever  
as for me going back  
to my old life... never

# Bigbigreplay Over Lifebigbig

replaying over my life  
oh how many times i've cried  
but now it's time to move on  
i can't replay this hurtful song  
i gotta let go  
time to live in reality  
time to completly be me  
time to show how i realy feel  
no more hiding and  
no more crying  
i gotta completly be real  
time to start a new life  
i gotta leave the past behind  
i gotta sit back and  
watch the future unwind  
i gotta brake the chain  
someones gotta stop the rain  
if not me than who will it be  
i'm tired of drowning in misery  
it's time ofr a change  
today is the day i push play

# Bigbigsecret Bottlebigbig

my lovelives in a secret bottle  
to afraid to let you know  
i do reveal in secret codes  
but it won't be long 'till you'll catch on  
but it's okay causeyou need to know  
so unscrew the cap and  
unscrew it slow  
tip it over and watchit flow  
can you fill my love pouring into your heart  
you'll never be thirsty i'll give you all i've got  
so open your heart and when you need some more  
call my name and here i come  
you've never had love like this before  
thirsting for more this i'm sure  
refreshments open any time  
don't go to far  
and take it slow  
i've never knocked on a door like this before  
cause when i turn the knob and step inside  
i can't go back cause i've opened my eyes  
so unscrew the cap and  
unscrew it slow  
tip it over and watchit flow  
can you fill my love pouring into your heart  
you'll never be thirsty i'll give you all i've got  
so open your heart and when you need some more  
call my name and here i come

# Bigbigsince I Was A Little Girlbigbig

since i was a little girl  
this has been my dream  
since i was a little girl  
i've always loved to sing  
since i was a little girl  
i wanted to be a star  
since i was a little girl  
i would love to go that far

use a brush as a microphone  
in my mama's heels  
i would sing to the radio  
looking in the mirror  
i felt so beautiful  
no one could bring me down  
what a precious moment  
when i look at it now

was watching a video  
on the tv screen  
watched the celebrities  
soar while they sing  
remember telling myself  
one day that would be me  
and from that day on  
that became my dream

Alia Ford

# Bigbigslight Deceptionbigbig

Alone in a room  
Secluded  
Lost  
What should i do  
My heart is empty  
A shallow echo  
Frozen tears  
I feel so cold  
I feel not what i appear  
Your eyes have been decieved  
You've seen not the real me  
A slight deception  
Its hard to let go  
Of all the pain  
Am i insane  
I appologize for all i've done  
a slight deception

Alia Ford

# Bigbigsmilebigbig

it can bring a smile on your face  
or clouds around your day  
so be thankful for the rain because the sun will shine again  
and if the sun shined all day then  
there will be no rain  
so it's okay to cry and it will be all right  
and it's cleansing to your soul  
even better than most  
medicines you'll find so that's exactly why love can make you happy  
love can make you cry we never know just why  
it's a journey to find  
it will be okay and love will find your way so smile it's your birthday

Alia Ford

# Bigbigsomeone To Lovebigbig

eyes full of tears  
heart longing for love  
just looking for someone  
full of friendly hugs  
someone to love  
someone who cares  
someone no matter what  
who will always be there  
someone to call my own  
through the stormy nights  
someone to let me know  
everything will be alright  
someone to look in the eyes  
and know that i'm loved  
someone who'll stick around  
when the road gets rough  
then when i turned around  
something that i realized  
the someone i'm longing for  
is right before my eyes

Alia Ford

# Bigbigstorm Around The Peaceful Seabigbig

how could you not see  
all of the pain inside of me  
how could you ignore  
the storm forming around the peaceful sea  
how could you ignore me  
how could you not see  
how the storms are forming all around me  
how could you leave  
how could you not see  
how dep i am in misery  
help me survive in my time of need

Alia Ford

# Bigbigsweet Lovebigbig

Sweet, sweet, oh sweet love  
your the only one i'm thinking of  
your the only one i see  
just you and me in my dreams  
your sweet and tender touch  
it's all just to much  
your soft and mellow voice  
makes my heart rejoice  
your glowing yet gentle face  
with one look  
makes my whole body shake  
that's why i say  
sweet, sweet, oh sweet love  
your the only one i'm thinking of

Alia Ford

# Bigbigsweet Revengebigbig

Why do you despise me  
you say things to hurt me  
you treat me unfairly  
and when i tell you how i feel  
you reject it  
you say it's not sincere  
this is so unreal  
but what would you do  
if i did that to you  
how would you feel  
if i took on revenge  
if i do all the things you did  
then tell you  
that's not what i really meant  
if i apologized  
eyes full of tears

what if i took on sweet revenge

Alia Ford

# Bigbigtell Him I Love Himbigbig

TELL HIM I LOVE HIM  
TELL HIM HOW MUCH I NEED  
HIM TELL HIM HOW MUCH I COULDNT SURVIVE  
WITH OUT HIS TOUCH  
HIS PRESENCE  
HIS LOVE  
TELL HIM HOW HE KEEPS ME GOING  
TELL HIM HOW HE MAKES MY HEART BEAT  
1000 TIMES FASTER  
TELL HIM HOW WITH EVERY SECOND,  
HE LEAVES ME WANTING THAT MUCH MORE  
HOW HIS KISSES FLOW THROUGH MY BODY  
HOW HIS VOICE STIMULATES MY MIND  
HOW HIS TOUCH KEEPS ME ON TRACK  
TELL HIM THAT WITH EVERY SECOND WERE APART  
I MISS HIM THAT MUCH MORE TELL HIM  
TO NEVER LEAVE ME  
TELL HIM HOW HIS LOVE FORFILLS MY LIFE  
TELL HIM HOW HE'S ALL I NEED  
TELL HIM HOW HE LIVES IN ME,  
MY HEAT  
AND SOUL  
SOMEONE PLEASE TELL HIM  
THAT I COULDNT SEE MY LIFE WITHOUT HIM  
AND HOW HE COMPLETES ME  
TELL HIM I LOVE HIM

Alia Ford

# Bigbigthe Darkest Hourbigbig

so far in disarray  
wondering if this is real  
not knowing what to feel  
so caught up in fantasies  
not knowing what is reality  
hoping this will soon end  
not knowing it has just begun  
i'm fading fast  
i don't think my strength is gonna last  
i'm drowning in the darkest hour  
in my time of shame  
while suffering in pain  
i'm fading fast  
and i don't think i'm gonna last  
someone please rescue me from my past

Alia Ford

# Bigbigthe Loss Of Lovebigbig

without your family life would be cold  
without your family the tears will flow  
the more you think the more you know  
how you need your family  
in order to grow

but what seems to me  
what seems to be  
my family is the cause of  
all my misery  
i take it all in  
but let none out  
the world is so cold so so cold  
yes i try i try so hard  
but the more i try the more i cry  
because i can never reach your  
level for me  
it's just to much to much to handle  
but without my family  
i would be cold  
so i have to deal  
with the one i own

Alia Ford

# Bigbigunforgettable Beautybigbig

How do you define unforgettable beauty  
How do you dissect its true meaning  
Is beauty more than just a face  
Can it be bought with money and fame  
Should beauty come from within  
Not the color of the skin  
But the unfading beauty of a gentle and quiet spirit  
Beauty is inspired by love  
pure unfailing love  
that of unforgettable beauty  
truly is what comes from within

Alia Ford

# Bigbigwhat Kind Of Worldbigbig

what kind of world am i living in  
looking at the color of my skin  
the features on my face  
the way my body is shaped  
and all the things i go through  
from day to day  
all the times i have cried  
the times i have smiled  
the times i moved on the times i didn't feel so strong  
some people don't understand this is my life song  
i can't wake up and it all be gone  
although that might be nice  
but what will that explain about my life  
nothing to be proud of  
i'm not proud of it now  
i can't give up  
i can't throw in the towel  
then the world will win  
they don't think i can make it any how  
they think that i am nothing  
but i'll show them something  
i know i can make it  
i'll show the world i'm living in

Alia Ford

# Bigbigwonders Of My Mind Bigbig

SOMETIMES I WONDER  
IF WE ARE MEANT TO BE  
LIKE WHAT THE DAYS AHEAD  
ARE GOING TO LEAD  
AS TIME PASSES BY  
I WONDER ABOUT THESE THINGS  
SO WHATS THE FUTURE OF YOU AND ME

WILL WE BE TOGETHER IN THE YEARS AHEAD  
OR WILL WE LET GO OF WHAT WE HAVE  
WILL WE LET OUR FUTURES PASS  
AND HAVE TO IMAGINE  
WHAT WE COULD HAVE HAD

SOMETIMES I WONDER IF YOU REALLY CARE  
THAT ONE DAY THE LOVE WE SHARE  
MAY NOT BE THERE  
IM GETTING TIRED OF WAITING HERE

BUT THE MORE I TRY TO GIVE UP  
THE MORE I CANT FORGET ABOUT US

MY MIND TELLS ME TO MOVE ON  
AND WHAT I FEEL ISNT REAL  
BUT NY HEART WANTS TO HOLD ON  
FOR OUR LOVE IS ALMOST HERE

SO SHOULD I JUST WAIT AND SEE  
OR SHOULD I MOVE ON AND  
WONDER ABOUT WHAT WE COULD BE

MY PATIENCE IS WEARING THIN  
BUT AS TIME PASSES THE MORE  
I WANT TO BE WITH HIM

SO IM TORN BETWEEN THE TWO  
NOT KNOWING WHAT TO DO

SO SHOULD I JUST ALLOW

LOVE TO TAKE ITS COURSE  
OR REDIRECT LOVE  
WITH MY OWN FORCE

THESE ARE THE WONDERS  
OF MY MIND  
BUT I'LL ONLY SEE WITH TIME

# More Than Anything! !

Boi i gace you everything  
everything i had in me  
but u obviously didnt see  
how great we could be  
i loved you more than anything

how could you lie to me  
from the first momoent it was me  
loving you  
holding you  
i was there for you  
i loved you more than anything

you were my release  
n now i just cant see  
why u would do this to me  
im soo confused  
i loved you more than anything

now were through  
and i cant find my way back to you  
what am i supposed to do  
u expect me to live in this world without you

im lost,  
confused,  
im bleeding,  
i loved you MORE THAN ANYTHING! ! !

Alia Ford

# Why Fall In Love? !

Why do we have the overwhelming urge 2 fall n love  
If u think about it  
Its pointless  
Its a never ending cycle  
1st, you grow to deeply care about some1.  
2nd, you begin to love them  
3rd, you fall n love wit them  
Bt how can u totally trust  
Tht the love u share will outlast the obstacles ahead  
If all else fails  
Wht u once called love b/w the 2 of you  
Is replaced with resentment  
Tht can also develop into a love tht U dnt wana show  
So u display it as hatred  
So this beautiful picture u once painted wit this person  
Is shatterd  
Nt only by  
False dreams n hopes  
Bt by not bein able 2 sit down n work through current problems. my conclusion,  
we all have the need 2 be needed  
So we take the risk of either getting hurt  
Or actually finding someone u care about  
If ur really lucky,  
U find someone that cares about you back.

# You Men

you men  
and your double standards  
men can do what they please  
and women cant  
you walk around with strong hands  
and broad shoulders  
like ths world was created  
only for you to stand  
you men  
with your deciet, lies, &disrespect  
everything is so physical  
you men  
with your arrogant attitudes  
and stretched egos  
you act as time is paced by your watch  
god formed women second  
but we were born to be first  
sorry to trouble your thoughts  
but this is really a womans world  
i see  
you men  
with your fake smiles  
and covered motives  
you men are not in control of me  
you men have to learn to respect all women  
or this world is in for a lot of trouble  
you men  
are nothing BUT men...
