# Beauty

Your Beauty is like a piece of gold.  
Your Beauty speaks for a friend.  
Your Beauty is a powerful weapon.  
Your Beauty is out of this world  
Your Beauty is friendly.  
Your Beauty is a book.  
Your Beauty is more beautiful than a rose.  
Your Beauty is 100% proof  
Your Beauty is untouchable  
Your Beauty is Undefined.  
Your Beauty is Pure as much as god.  
Your Beauty is limitless  
so this beauty is by a god.

But I think more than you.  
So happy birthday to you.
