These Are My Goodbyes To You

I miss you so much
I don't know why
I think it's because
You are stuck inside

I try say my goodbyes
But i guess I was to late
Now I can not
Concentrate

You stuck in my mind
Every sing day
And every day
I pray

I remember the fist I met you
You became my best friens
And I know you will
Be there till very end

I'm sad that you left
And you will not be there at all
Now i know you will not catch me
Even when i fall

I keep my head up like you said
Nothing is putting me down even when I'm dead

These are my good byes to you my friend
Now ill see you at the very end
