Angelfire 226()

For A Moment In The Realm Of Time (Petrarchan Sonnet)

For just a moment in the realm of time,
Decided to consolidate my works.
I'm tired of earning nothing but just perks,
But I'll be back to taunt you with my rhyme.
I've found a place where I can earn a dime,
Where all the readers comment, not just lurk.
I feel as though a victim of this murk,
The isolation here, it's just a crime.

So if you'll please excuse me for a bit,
I think I'll take my leave and not leave chase.
But please do not be worried or alarmed.
A moment I cannot commit to waste.
For now I think I've found a better fit,
Where you can find me on .
