## **\*\*le Petit Prince \*\***

un petit prince s'est tombe du ciel dans un hiver  
pas d'eau, , rien du tout, , pas un champ vert  
et un pilote son avion est en panne  
et beaucoup de problemes se sont elances vers lui comme un coup de canon  
mais, tout simplement, un petit prince lui demande de lui dessiner un mouton  
seulement pour sauver son asteroide des baobabes où il y en a tant  
vraiment une grande responsabilite  
et tous ce qu'il veux, , est seulement de vivre en paix  
mais il est venu pour une autre petite message  
' ne soyez pas comme les grandes personnes qui ont toujours des travaux à  
faire  
qui n'ont jamias eu le temps pour respirer une fleure  
qui ont bien su comment dêtre malin  
et quand on leur parlera, , , leur vie est toujours plein de chagrin

maintenant...il est parti  
et voilà.. c'est finie  
ce pilote a compris la leçon  
et il l'a vraiment manqué tant

je regarde les etoiles en souriant  
et les gens me pensent fou  
mais, , là, , je peux voire mon petit prince qui rit et joue  
il me regarde en souriant lui aussi  
' n'aie pas peur...ton place dans mon coeur ne peux pas se varie '

(Antoine de saint - exupéry  
le petit prince)

# talents

talent is one of the great things that anyone can own  
but please don't let the talent make your heart like the stone  
you have to know that this is from god  
and anyway in the end we are going to be just a bone! ! !

\*\*\*\*\*

whenever what's ur talent is  
you have to work to make it better and don't cease  
but don't forget to use it in the right way  
and say thank's to god and for him always pray

# A Fight With Life

[this is a duet from merna ibrahim and angelica ayman]

maybe life will not give you everything  
i know it's a perfidious and sometimes gives you stings  
you can't get something with an ease  
you have to work hard and don't cease

you have to toil from light to dark  
so you can hit your mark  
by the will & determination you can fulfill your aim  
and you have to know that working and trying is not a shame

## A Part Of Me\*\*\*

here.....i can watch my life as a movie  
i saw every moment passed, , and every moment is coming  
i didn't realise why i had to feel too much!  
but then i knew.....

that here's home, , here's family  
here's a year passed and a year is coming  
here's friends  
in every place something happend  
even i can see! ! !  
and be sure that wherever i went, , it will stay a part of me

even if we appart  
it's still something inside your heart  
here's hapiness, here's tears  
here passed about ten or fifteen years  
but the question is how can you still remember?  
but simply can't you see? ?  
    it is a part of me!

(really i was writing that poem in the darkness, , but because i'm writing from  
my heart not my mind, there were always a light made me see it by a diffrent  
way)

thank's for reading! !

## Before Saying Goodbye..

Always the eyes are talking....mouth is speechless

But i didnt have the time to look at you again

are you thinking about me the much i am?

if you are not.....so its a waste of time to blame

But life decided that we have to be miles away

and i'm just leaving today

here's another blue sky is turning to grey

will you give up or share with me the way?

Oh sorry, i just realized that we are not even talking

and it's silly saying its about being shy

but just read above.....

Thats my message before saying 'Goodbye '.....

# Chaperon Rouge

il etait une fois  
une belle fille comme toi  
sa mere lui a raconte beaucoup de legendes  
mais elle ne les a jamais crois

elle nous a toujours dit  
si tu veux quelque chose ne la laisse pas jusq'elle sois pris  
il faut toujours que tu reve de tes voeux  
mais a quoi pense tu avec ce cerveaux? ?

tu sais chaperon rouge?  
quand elle a decide qu'elle bouge  
elle a ete devore par ce loup  
mais finalement elle s'est en allee  
et rien dans sa vie a ete change

ne t'en fais pas  
de la premiere pas  
il faut que tu sois courageux  
et comme je t'ai dit, ,  
il faut toujours que tu reve de tes voeux

[ j'ai decide d'ecrire ce poem ci pour vous expliquer d'une maniere simple qu'il  
faut toujours que tu reve et ne peur pas si quelque chose male s'est passe mais  
il faut que tu continue et que tu sois courageux [BON CHANCE POUR TOUS LE  
MONDE! ! ! ]

## Chere Amie, , , , ,

je veux que tu sais  
que ni'mporte qui c'est passe  
tu es une amie qui ne serra jamais oublie  
et si je te perdre ce n'est pas suffi de seulement pleure

mais meme si j'ai eu tant de chagrin  
je ne vais pas senti que c'est la fin  
car tu es toujours avec moi  
et toujours dans mon coeurs tu vas restera

## Come Closer 3

Come closer and let ur hands touch mine  
Come closer and lets forget the time  
Come closer and be near of my heart  
Today nothing will make us appart..

I'v been waiting here for too long  
But finally we knew where we belong  
And that scar you left before  
While seeing you it can simply be ignored

I really miss our days together..  
And those memories will be always here & Forever  
And when I look in your eyes...  
I can see me flying in the highest skies

Your touch can take my breath away  
I find these feelings so naturally ...

And now ...

Just come closer and let your hands Touch mine  
Come closer and lets forget the time ...

sometimes you come in there with me  
sometimes even when you'r here, , i don't feel  
that you can see what i see

# La Priere

dieu, , gardez nous de toutes maladies...

dieu, , protegez nous de toutes les ennuis...

dieu, , gardez nos enfants, gardez leur innocence!

dieu, , mettez nous sur la bonne voix avant que les catastrophes commencent!

dieu, entendez vous les enfants crier! ?

dieu, protegez nous, protegez les!

dieu, aidez les gens pauvres, je vous supplie de les guider!

dieu, guidez nous, protegez nous, dois-je vraiment vous supplier?

dieu, vous etes tellement gentil, avec tellement de bonte!

dieu, arretez les gens de se bagarrer!

dieu, meme si nous ne vous voyons pas, vous nous voyez, c'est sur!

dieu, rendez la vie plus facile, ne la rendez pas plus dur!

dieu, je ne sais pas plus quoi dire!

dieu, sauvez le gens, ne les laissez pas souffrir!

dieu, rendez nous la joie sur terre!

dieu, je vous supplie d'entendre cette priere! !

# Let's Be Clear! ! ! ! ! ! ! ! !

i know where i am  
i know what i should do  
i will never think to say that i need you

one day you will call me "mam"  
one day you are going to be one of my crew  
one day i can through  
the world....

you learned me how to be cruel  
and one day i was sure  
what you learnd me is going to be back to you  
and if it was not i will do...

you make me hate the world  
"piece" you make me hate that word  
you turned my life into hell  
you also make me kill  
all the beautiful moments in my life

i cry..  
i die..  
i hope if i had wings, ,  
so i run out of that place and fly  
like birds in the sky....

## Life Stories Have No Rhyme \*\*\*\*

it was the first day that i open my eyes, , ,  
i saw everything is confusing  
nothing was clear  
i heard just some words that have no meaning for me  
but everything typed in my memory  
that i can use it after this  
now it's just time to take, ,  
not to give  
but days passed, , and everything changed  
i got friends, , fall in love  
live a normal life! !  
living to learn, , have a family  
be a mother and then a grandmother  
watching my little kids playing around me  
get into the bed, , , , put my cover on me, ,  
and die quietly  
and this is the life, , who has no rhyme  
LIKE MY POEM! ! !

# Living In Two Lives! ! ! ! [hannah Or Miley ]

my friend is living in two lives  
the first life she is a singer, the second she is a normal child  
she wants to take a decision, but she doesn't know which side! ! ! !

the singer is hannah, the girl is miley

# Love

love is a gift from god  
u can't say i can love or i can not  
if u look carrefuly u will find it in the front

love is the most important thing in all the whole world  
when u found it u feel that ur flying like the bird  
love has many meanings, but in all the ways.....it's a very beautiful word

angelica ayman

## Love Is Blind...

if i love you  
i can put my life in danger, ,  
if that is going to save you  
yes, i will do  
it's better for me to die....  
than i see that you'r going to cry  
i swear it's true

my heart can only love one time and not five  
so if i lose you, there will be no scence to my life

that's you who will show me the way  
you'r better than any music i play  
i always ask god to bless you, , ,  
and for this i always pray

take me with you in your paradise  
this place is going to have the highest price.... [dedicated to my dear friend:  
nourhane mokhtar ]

## Step By Step.....

give me your hand, ,  
together we'r going to stand  
in a sunny day or in the rain  
we will be together in hapinesse and pain

and step by step  
everything is going to change  
were'r going to range to many problems  
but we will find a great result and this is not strange

and in the last it's going to be the end  
and even in this time were'r going to be together, , , , ,  
hand by hand, , , ,

# The Best Pain Ever

for being selfish  
make you always see things confused  
it can makes you always unfair  
and your feelings like if they have been used

but when you wake up from that nightmare  
and the carten get up so u see the truth and you begin to stare  
now you begin to be fair  
but sometimes there's somethings can't be share

i think for losing your life is going to be the highest price  
but now you know the truth so there's no choice  
but beleive me it's better than any paradise

[if your not here but you did something for not being forgotten is better than  
your here but you only live for yourself, , and for losing your life for someone  
special like your parents is going to hurt but it's going to be THE BEST PAIN  
EVER]

this poem is dedicated to the best actor ahmed helmy for his new film  
thank's for reading

# The Darkness! ! ! !

if you are blind....  
and the darkness compose you'r mind  
you look in every side  
but there's just one thing you find  
DARKNESS.....

you can colour the waves of the darkness  
and dream by everything you want to be  
you can dream that you'r a king, a queen, or even a very famous poet  
nothing is impossible and you will see

the light is in you'r heart  
it doesn't matter if you and him has been appart! ! !  
you have to be face to face with you'r life  
or you live alone with tears...

best regards....

there's nothing more important than the life  
so nothing deserve that i cry  
but everyone live it by his way, , , , and that's what some people say:

'i don't think that i will die, , or  
i have been created to cry, , , or  
i don't talk to anyone and i'm always shy, , or  
i will go here and there, , i don't care"

many people and many ways  
but THIS IS THE LIFE!

## The Little Girl....

the little girl what do you see now  
is going to grow....  
she can do a lot  
and one day she will show....  
no one care about her now  
and she also know...  
and she already did lot of things  
but no one saw....

and latter she will say;  
"now who wants to see?  
the other side of me..  
i was just a little girl  
but now i'm the key'

best regards....

# Tommorow? ? A Day I Never Planed.....!

i've been waiting for a new day  
a day i never planed  
Let me go....give me a try... even if u know that i am wrong  
Let me listen to my heart....and know where i belong....

a day can makes me find my way  
If i through it right  
a day can change my life  
and give me the bless of sight

It's a chance, , it's one in a million  
To find that day  
That's why i always say  
Tommorow is a day i never planed.....

# Toujours Dans Mon Coeur\*\*\*\*\* .....

si un jour tu t'en vas  
et tu n'etait pas en cela  
ca ne signifie pas que tu n'es pas mon ami[e], ma reine et mon roi  
tu est toujours dans mon coeur

si tu est loin..... en nord ou en sud  
je vais etre dans un tres mal attitude  
avec toi je n'ai jamais eu peur  
mais je sais que je vais te voir bientot, tu es toujours exactement a l'heure  
et tu es toujours dans mon coeur

je veux te revoir bientot  
dans n'importe qu'elle place, meme ci dans un bateau  
la vie aura une differente couleur  
tu es toujours dans mon coeur

j'aimerais bien te voir en bon sante  
c'est bien assez pour moi de seulement te regarder  
la meilleur chose est de rester avec toi et parler  
j'aimerai bien q'on n'aurait dans notre amitie aucun erreur

TU EST TOUJOURS DANS MON COEUR.....

[cette poesie est dedie a mes amies; sarah, farah, aynour et rana, , et je  
souhaite qu'elles le lisent et vous aussi merci pour vous]

# X-Life! ! !

why my life is so sad?

why everything in my life is bad? ?

why i never feel glad? ? ?

why if i think that i can live always happy so i'm mad? ? ? ?

why everybody lie?

why if we lose we never think to try? ?

why we always cry? ? ?

why we don't have time to fly with our dreams in the sky? ? ? ?

why no one care about the other?

why in front of money we forget our father and our mother? ?

why we don't have time to share beautiful things with each other? ? ?

why there's no true friendship anymore?

why we live our life like a game, we just care to earn a big score? ?

why the life passed quickly like that we are walking in a hall? ? ?

why all our dreams fall? ? ? ?

many questions like these are always in my mind

i have tried to get an answer but i didn't find

it's very hard to find someone really kind

and i have to find an answer and try again even if i have tried.....

NO END! ! !

thank's for reading....hope you like it, , , ,

# You Don'T Deserve To Call You A Friend \*\*\*

why everything is confused?

i care about you dear friend and give you a hope

and she think that this is the end

life is never going to stop

u don't have to give up

even if u lose someone u love, , , , , , , , , , it's not a reason, , it's not enough!

i'm sure that you will never going to care

anyway there's no more things between us to share

everytime i beleive you i find that it's just a nightmare

anyway goodbye, , but you don't deserve that i cry

angelica ayman

# You Loved Him One Day \*\*\*

don't try to hide this feeling  
because i know and i think it's very clear  
share it with someone that you trust  
and she will be by your side and hide your fear..

don't be afraid to live ur life, , , , ,  
by the way that you want  
and don't give a space to someone, , , ,  
to show you that you can't

and if he don't love you  
someone will be with you, , and he loves you  
if he hurts you  
life will not stop  
you will love someone again

but you have to know, that he doesn't deserve you  
beleive me this is true

now you have to forget him  
live your life  
have someone to be by your side  
and find the way  
but don't forget, , , , , that you loved him one day.....
