# Cousin Bobbie

I lost you, I lost my cousin,  
On that gloomy Christmas day.  
The day was supposed to be full of happiness,  
but instead was full of dismay.

I was so happy when I ran down stairs that Christmas morn,  
And when my mother told me you had died it felt like someone  
jabbed me with a thorn.

I lost you, I lost my cousin  
On that Christmas day.  
So tell me cousin Bobbie why do I still feel so depressed,  
about your death.

# My Best Friend

My best friend is always honest she would never lie.  
She helps me with my problems,  
And when I'm sad she comforts me.  
Even when I'm mad at her she has always been so kind,  
And I know she has my back and I have hers for ever and all time.  
My best friend has always stuck up for me no matter where or when,  
Atop Mount Olympus,  
To the depths of an abyss,  
Even across the Neverland sky.  
She has been like a big sister to me and she will until the end.  
My best friend has a golden heart and this I will not lie,  
I would go to the ends of the earth to give back what she has done for me.

# My Family

My mom is a mama bear  
Will protect her young  
At any cost.

My aunt Cathy is a parrot  
Won't stop talking  
Even when someone says SHUT UP! ! !

My cousin Kaitlyn is a dolphin  
Always happy  
And excited to see everyone.

My friend/sister Ashley is a bumble bee  
Will ignore you for the most part  
But if you tick her off you will get stung.

My friend/sister Sam is a hyena  
Will not stop laughing  
No matter how much  
You try to get her to stop.

My best friend/sister Jen is a porcupine  
Small, shy, and frail  
But can defend her self when needed.

My brother Andrew is a crab  
If in a bad mood...  
You will get pinched.

My best guy friend/brother is a lion cub  
Ready to defend his siblings at any cost  
Even if that sibling is older.
