Fear You Not Mate

There often comeS the sorrow
before you find the beauty of delight,
Often the roads through darkneSs
lead you to the ocean of light.

There often comeS the rage
before you find the joy of peace,
Often the season of Storms lays
the foundation for perpetual bliss.

So fear you not mate
while you face agony
as that's just the prelude
to the forthcoming symphony....

Live Hard

Don't fear those ruins
which construct your heart,
Don't fear that silence
which doesn't reap you apart,
Just let the emotions run in
your veins as if they breathe
a new lease of life in you,
If living is all about drinking poison
for you then live hard as if that is the
only thing you know how to do!

The Passenger In The Twilight

Deep darkish clouds have
covered the sky
To bid the sinking Sun
a fitting goodbye.

The last few beams
Of Sunray
are gradually making
night's way.

In this juncture of the day,
the passenger stands on the
ever flowing river with
great awe & delight,
looking forward to his
upcoming journey to the
unknown through this
soaring twilight!
