Heart Crack

</>I have had heart cracks
Wouldn't call them heart breaks
Coz I still hear my heart singing sweetly
In my chest.

But I fear for my heart
Coz some day,
When it can't take any more cracks
It will break

And after so many cracks
who knows if it will let me mend it
what then becomes of my life without a heart

How Can I

How can I continue to walk□
When my heart is dead
How can i continue to talk,
When my soul is so cold
Love killed me
Yet I still walk and talk
But I know not
Whether I'm dead or alive

This Smile

This smile
Sometimes it's sweet
Sometimes it's sad
Sometimes it's bright
And sometimes it doesn't show up.
Just like a smile, life is ever changing
But always beautiful
