Azure Dee Brewer(10-08-1975)

my poems are called power of words because they came from a story of some one i met or something i experienced in my life time i hope that you enjoy them and pass them on to any one going through what i went through

A Child's Pain

I look into your eye's they tell no lies
You look so distraut who would of thought
You faught and faught for me to listen
Day by Day you hold this pain inside
Why didn't I pay attention
My Mother the love of my life
She taught me to raise my kids right
I'm sorry for what you seen I just hope you beleive in me
'A Child's Pain' who could beleive you were so angry with me
I need to step up to the plate so I don't teach you to hate
I know I made promises to you that never went through
'Damm' my Dad did that too now I no the pain inside you eyes
Because they tell no lies 'I cry, I cry' please don't be confused
'I Do Love You'
'A Child's Pain' who could beleive
Trust in 'God' and you will acheive
Take from my 'struggle' how hard it was to be a Mother
Acheive, Acheive 'Trust and Beleive'

A Voice To Be Heard

Your eyes so red holding back the pain

Did anyone ever stop to say how you doing today

'16' already living a life of a grown MAN that wasn't your plan

Keep STRONG don't do no wrong say a PRAYER or two and GOD

will look out for you

Football Dream you will achieve as long as you stay AWAY from the STREETZ

trust and beleive and keep the faith that GOD will make

everthing OK.

My Past And The Secrets Inside Me

Still I Rise that's what I tell myself

You ask me about my past do you think she knew a Child she gave birth to he molested me 'why didn't you save me'

I tell you no lies I'll never remember that part of my life be STRONG

what the hell went wrong you'll never no what I went through

BE SAFE! Don't talk to strangers! I was already in danger.

How do you hold this secret so tight

You no you were wrong, right!

MY PAST WHAT DID IT HOLD FOR ME

How to be STRONG and to appreciate ME

STILL I RISE

I have so much to say time won't last you took my CHILDHOOD AWAY

now how about that PAST.

Never Look Back

Stay ahead never look behind. EMBRACE what is yet to ILY is the best thing to have when sharing SUCCESS! Hold on to MEMORIES that make you laugh every time you tell the STORY! APPRECIATE life for GOD has given you another day to make CHANGES! Treat people how you want to be treated. Use WORDS To STRENGTHEN SOMEONE'S FUTURE!
