# I Wish I Could Delete My Feelings For You

Lord, only you can give me a cross path in this,  
Awe, i know i am ur slave but why do you let her to captivate me! ?  
Why did you give me a heart to break? Just let me make it a hard stone to not  
bear anymore  
And you see my heart is shattered now in to a thousand cuts  
Oh lord, i know now what was that to me as a love, but just a bling to her  
All i am praying to you is to give me the strength and how i wish, i could, i could  
delete all my feelings for you
