# Dying

Most ppl die 4rm AIDS/ HIV,  
but I'm dying 4rm emotional pain.  
Tha pain dat will cause ma heart ta 4eva b stained.  
Pain dat will neva go away,  
Dat causes ma heart to run away,  
4rm tha truth and lies ma heart turns away,  
b/c it doesn't trust wat yoooh do or say.  
Everytyme I loose, I think I gain,  
And living this way ma heart  
has an emotional strain.  
But lyke i sayd I'm dying 4rm emotional pain.

# Hate

Hate told meeh tha truth about yooh.  
Hate is as white as tha lies.  
Hate happened wen I saw yoohr tru colors.  
Hate sounds lyke meeh and ma mom in a catfight.  
Ma heart cried fa yooh all dat night.

Hate took ova ma emotions.  
Hate turned everything black, and made meeh blind.  
Hate happened wen I saw tha signs.  
Hate sounds like tha devil building bogus lies.  
Hate is the vicious lion dat tore out ma heart.  
Ma heart cried fa yooh all dat night,

Hate was so huge, I cudnt see yooh.  
Hate made everything red as fire.  
Hate happened wen yooh crushed ma heart lyke a flat tire.  
Hate sounds lyke ma feelings fa yooh.  
Ma heart cried fa yooh all dat night.

# Have Yooh Eva

Have yooh eva been in luv w/ someone who yooh have known for what seemed lyke 4eva. Did everythn to get them to see how yooh felt, but it seemed lyke yoohr hands had already been dealt, and thurs no way out. Everytyme yooh see this person yooh stop and think and pout b/c yooh cnt stop wonderin wat about all tha thngs dat wud fade away if yooh 2 were to go yoohr seperate ways. Cnt stop wonderin wat if, , , yooh two were to become a pair, but yooh cnt so lyfe seemes so freaking unfair. So yooh jus stop carin about everythin b/c yooh simply jus dnt care. He seems so happy, and yooh cnt stop & stare. Have yooh eva gave up love, dat so called wonderful feelin from up above jus b/c yooh cudnt have dat special sumone special yooh luvd, but yooh get all tha attention and hugs. Have yooh eva thought love stinks lyke bugs, i have b/c i'm tyred of tha attention and hugs, tyred of hem not knowing wat tha deal is. I wish he cud jus kno or at least show a sign. Have yooh eva held everything insyde b/c yoohr 4iendship yooh jus dnt wnt ta loose or leave behind.

Dedicated ta ma best 4iend D'angelo May

# I Need Yooh

Wat I need is da gentle touch of yoohr hand  
I dnt see y yooh jus dnt undastand  
I need ta feel da softness of yoohr lips  
as yoohr powerful hands grasp ma hips  
I need ta feel yoohr love  
as yoohr hand explore above the belt  
and under ma shirt  
I need this....

As we make luv I need yooh  
bc every thrust makes meeh feel tru  
Wen we thru Im ready fa round two  
I wana cry wen yooh go  
bc its then dat i kno  
how much I luv yooh and miss yooh so  
I cnt live w/o yooh  
I need yooh.

Every thng yooh say or do is jus worthless.

Wat about thngs yooh do r neva rite even when yooh give all yoohr might not to put up a fight.

Yooh always got an attitude or wat yooh say was oh so rude.

I'm tyred of livin dis stupid lyfe, every1 can take a hike.

I sit wit tears cloudn ma eyes as I start ta realize why.

Do I wnt da gun ta tha head, or pop these pills and die peacefully in ma bed?

# Unexpected

I layd up wit yooh and yooh came, now a thousand thoughts are running through ma brain. How could I be so stupid, and damn cant blame it on cupid. It's ma own fault. OMG I hope I don't get caught. If I do all Hell would break loose. I swear I don't know what to do. I understand it takes two, but I was so dumbfounded by yooh. I let yooh take control of ma body, now I'm on ma knees begging 'please help meeh somebody! ' I was so stupid, I was a fool. Should've just stayed in school. Kill it, keep it I don't know what to do. Now I'm at the clinic confused because I got pregnant by yooh.

I have to move on stop dwelling on the past. I have a responsibility because of ma stupidity. With yooh or not I'm gonna take care of it. I found out it was a baby grl, and she's gonna be the center of ma world. I'm gonna do ma best to past this oh so difficult test. Moody, morning sickness, and all the rest. I don't care I can do it and Ima do it to ma very best. I don't need yooh, or that other female too. Ma baby grl is gonna be the best, to the best of ma ability. Ima raise ha and dats a bet. I didn't need yooh to get pregnant, so I don't need yooh now because yoohr insignificant. Goodbye, farewell, i have a lyfe ta live. # Why

Why do I feel the way I do. The urge, the need to be with you. I need to know why, why is it you make me wanna go run and hide, from everyone else, so that there's no her, him, he or she. No one else but you and me?

Why do I wanna cry for the simple things, like looking in your light brown eyes. Could it be I'm in love, If not what is this wonderful feeling from up above? It can't be hate b/c I appreciate everything you do. Your eyes and your smile brighten up my day. I want to say alot just not today.

Why do I feel this way with you, idk maybe b/c of the things you do. I wish you knew the truth on how I felt, but it seems our hand has already been dealt. Your in love with her, but I'm in love with you. Seeing you with her just makes me blue. But being with her make you so true.

Why don't you know I exist, all this going on in my mind? Why do you just see me as a friend, b/c with all these feelings I'm willing to make ammends. Just leave everybody alone girls, boys, and men. I love you why don't you understand? You're real, tru my perfect man. Forget all the money, cars, and fame. I see outside all that call you by your name. No it's the same you see. But if I can't have you I would rather die lonely.
