## (c) Vish.. Vishnu Gupta(1st June,1992)

Hi..This is Vish..! ! .

I would like to share that i use to love reading poems since childhood days, after a few years back i started to write lines & phrases and slowly use to convert into first i use to think that poem-writing is no use to me, but soon i realised that it's only poem who can change the thoughts of peoples. Despite of overload pressures of my office work, i spare my leisure hours in writing poems and i'm really grateful to all my friends and readers for sparing their valuable time in reading and commenting on my poems.

It's like I realized that way down inside, I've always been lonely for something. But I don't know what for. It's like everybody in the world want's something. Only they never really know exactly what it is - they just keep finding out what it's not.

## >-Loneliness-<

I'm not home,  
But sitting here in my room,  
Staring at the broken piece of door,  
Staring at the world, out the window,  
I can see the dark clouds,  
Thundering and hovering over me..! ! !

The room is damp, dark and cold,  
Feels like, i h've been burried very deep,  
It's making me insane.  
Feels like, got lost in barren land,  
Dying for tiny drops of water....! ! !

I wanna come out, live my life,  
Gotta see the beauty of the world,  
And, try to tell myself,  
But could never gather that strength..! ! !

It's just I, me & myself,  
Walking down an empty road,  
Stuck in a web of loneliness,  
Heading towards the cruel world,  
Putting up a fake smile,  
Coz, i know they would never understand,  
The heartaches, i have been witnessing..! ! ! .

# Head Faced - Lonliness

When i feel lonely,  
I feel thrown away,  
Locked in a cold dark closet,  
I see all grey,  
I can't get out,  
Coz i feel scared...

All i see is lost hope,  
A deep hole with red dirt,  
I need to get back,  
I think i am stuck,  
It'zzz such a lonely, lonely, lonely day...

Tunnel's gettin longer,  
I see no light,  
My head is spinning like a crazy top,  
Someone make it stop,

You shot me once agan.  
But this time,  
It's deep inside my chest...

# I Wanna A Girl..!

I wanna a girl,  
A girl with Brave Heart,  
A girl with an Winning Smile,  
A girl who will make me laugh,  
A girl who is beautiful,  
A girl who is Kind And Strong.

I wanna A girl, A good one,  
A girl who don't struts,  
A girl who don't fuss,  
A girl who's not a bling - bling,  
A girl who will stand with me  
A girl who will make my Heart Race

I wanna a girl,  
A girl who is something special,  
A girl who is loving,  
A girl with great patience,  
A girl I would be lucky to know,  
A girl you'd dream About.

I wanna a girl,  
A girl who will be my Kryptonite,  
I want a girl I'd fight for,  
A girl who makes me think,  
A girl who feeds me,  
A girl who will look After me,  
A girl I'd write poetry for.

# Lonely Day...

WHEN I FEEL LONELY,  
I FEEL THROWN AWAY,  
LOCKED IN A COLD DARK CLOSET,  
I SEE ALL GREY,  
I CAN'T GET OUT,  
COZ I FEEL SCARED (L'L) BIT...

ALL I SEE IS LOST HOPE,  
A DEEP HOLE WITH RED DIRT,  
I NEED TO GET BACK,  
I THINK I AM STUCK,  
IT'zzz SUCH A LONELY, LONELY, LONELY DAY...

TUNNEL'S GETTIN LONGER,  
I SEE NO LIGHT,  
MY HEAD IS SPINNING LIKE A CRAZY TOP,  
SOMEONE MAKE IT STOP,

YOU SHOT ME ONCE AGAN.  
BUT THIS TIME,  
IT'S DEEP INSIDE MY CHEST...

# Lookout Of My Life...

I can see the,  
Death of the dream,  
I can feel the,  
Burnt of the sun...! ! !

No..no..you didn't get mee...! !

The pressure is high,  
Demons on road,  
It'zz the funny-feeling,  
Or, that i'm affected with PSYCHOSIS..! ! !

YEAH..It'zz true,  
Hard to believe,  
I have been CURSED,  
Or, the PILLS affecting mee..! ! !

I BELIEVE...MY FATE IS A JERK,  
I BELIEVE...MYSELF ADDICTED TO THE PAIN,  
I CAN'T TAKE THIS FEELING ANYMORE,  
I REALIZE...  
IT'ZZ JUST THE BEND,  
NOT THE LIFE-END..! ! !

# 'Love Of My Life'...? ? ?

I just got off my bed  
Afraid, awake and amazed  
Coz it's just YOU over my mind  
It's only YOUUUUUU....! ! ! !

I could see those magical eyes,  
The beauty of your smile  
The sexy legs of yours  
The juicy lips of yours  
All I could say, THE GIRL of my dreams...

I just remember..  
The days we spent together  
The hours we smiled together  
The minutes we kissed together  
All those unforgettable moments, puts smile on my face..

Hey,  
All I want is &quot;YOU&quot;;  
All I want is &quot;HAPPINESS&quot;;  
All I want is &quot;LOVE OF MY LIFE&quot;;  
!!!

# Music.... My Llife

I hear the music  
The music is playing  
The music is soft  
The music is now fading  
The music is gone..! !

Which means so is my life  
No music means no life  
The music is gone  
So on and gone...! !

Come back to me  
My Music.....  
The beginning of life  
The pretty music  
The wonderful Music..! !

Oh no...  
What Do i see..  
The music is fading again  
I love the music  
The music is gone  
Good bye music

# Someone

I want someone to call me,  
Someone to light up my face,  
Someone to hear, when I speak,  
Someone to hold me.

Someone to wash my pains,  
Someone who understand me,  
Little help of that someone,  
Healing hands of that someone.

# Sometimes

Sometimes, i feel der's no reason,  
why was i brought up,  
i'm just here sitting in an empty room,  
trying to forget the past,  
All i want to do is to,  
trade this life wid new one...

Sometimes, i feel der's no reason,  
The world to see meee,  
Coz, they would never understand the pain,  
i have been witnessin....

Sometimes, i feel that,  
I'm gettin bettr...or.,  
jus gettin addicted to the pains..

i'm juss walkin down an empty street,  
listening to my own foot steps,  
juss wanderin, wether on this mighty earth.  
der'z any other person,  
who's as lonely as me...! ! !

## Spells Of Love..&Lt;3 &Lt;3 &Lt;3

Oh Love...

I' m your tricky wand  
You my beautiful magician  
Swing me with those beautiful spells...

Oh Love...

You are like the Golden Snitch  
I have been looking for all my life  
You are my endless strife...

Oh Love...

In Mirror of Erised  
I could see you  
I could see us...

Oh Love...

You are my lifeline  
Our love is entwined  
Without you, my life is like the Curse of Cruciatus...

Oh Love...

When you slip your fingers into mine  
The memory always lingers  
Spell of Obliviate won't erase these memories

Oh Love...

With no words spoken at all  
When I'm lost, staring at you  
When you are in my arms  
Spell of Expelliarmus won't disarm you

Oh Love...

On your sorrow days  
With the spell of Expecto Patronum  
I would protect you from all the dementors...

Oh Love...

The Elder Wand, the Resurrection Stone and the Cloak of Invisibility  
Together the Deathly hallows

But, my love for you is much more powerful...
