If you only knew how much I care for you if you only knew how strong my love is for you if you only knew in my eyes your the one i want to spend my life with if you only knew how much you drive me crazy if you only knew what life has is store for us if you only knew there is not a day that goes by that i dont think of you if you only knew how good of a girl i would be to you if you only knew what the future would hold if you only knew that my heart is set on you if you only knew cause you never wanted to give me a chance if you only knew what i would do for you if you only knew i would give you the world if you only knew i would treat you like a king if you only knew all i ask is try me and you will see if you only knew.

Playin With Love

when someone says the word you think there being true but most of the time is them playin with your love do you believe it or just go with flow you never know they could be players they could be real you let them in your heart and then they just start playin with your love even more what do you do stay with them even if you love them even if you know they are just playin with your love you do whatever for them but they still play with your love how can you change the way they are you cant cause all they do is play with your love.
