Conley Murray()

I grew up in hills of Kentucky.

I have a severe hearing problem, and have a cochlear implant in each ear.

With my severe hearing loss it is too stressful for me to go out in person to spread God's word, God knows all about my hearing loss, I am so thankful God provided me a way to spread His word, and that is through the poems I write.

I AM SO THANKFUL FOR THE WAY GOD HAS BLESSED MY LIFE.

A Friend's Birthday

You are a nice guy friendly and kind,
you're the best friend a person could find.

You read your bible everyday, and go to church too,
and that is exactly what you should do.

Well its your birthday,
and I want say 'HAPPY BIRTHDAY'.

MAY GOD BLESS YOU IN A SPECIAL WAY.

Conley Murray

A Lie Is A Lie

Whether a lie is big and fat or a little small,
all lies says it all.

There is no such thing as lies being a little white or big and black,
when a person tells a lie, they can never take it back.

When a person tells a lie and they don't feel the guilt way deep in,
then the old devil is certainly getting his win.

When a truly born again Christian tells a lie they feel the guilt way deep in,
and they never rest until they repent of that sin.

SINNERS PLEASE REPENT OF YOUR SINS,
AND DON'T LET THE OLD DEVIL GET HIS WIN.

Conley Murray

A Smokers Lies

I smoked for more than fifty six years, and I must say,
I told lies about my smoking just about everyday.

You ask a smoker how many cigarettes they smoke per day,
one and a half packs most of them will say.

Regardless of what they say,
the real truth is they most likely smoke two or three packs everyday.

Back before they had all the chemical sprays,
smoking was not too much of a health risk in the old days.

Now with all the tobacco chemical sprays,
lung cancer is a major risk today.

Most smokers will say they smoke so they won't get bored,
but they don't realize smoking is a greater health risk,
than ever before.

It takes a lot of will power to stop smoking today,
but if they would ask God to help them, He would take all that
cigarette craving away.

Conley Murray

America

As bad as it may sound.

America was one of the greatest nations in the land
because on God's great principles it was found.

It was well respected through out all the land.

Now it is so plain to see,
that it is not the great nation it use to be.

Our lawmakers have passed so many laws,
that are so full of flaws.

In the nations capitol, and court houses in all the states
they have removed everything pertaining to God off the walls,
and that is not even near all.

They use to have a day when our leaders in the capitol
would pray,
now that has all been done away.

In our schools the students were allowed to pray everyday,
now that also has been done away.

IF OUR LEADERS WOULD GO BACK TO THE OLD DAYS,
THEN GOD WOULD BE WITH THIS GREAT NATION AGAIN IN A MIGHTY WAY.

Conley Murray

America Was Blessed

America is a nation that was great in every way,
they had prayers in our schools everyday,
and God blessed America in a very great way.

Now they have taken the prayers in our schools away,
our kids are not allowed to mention our Lord Jesus in any way,
they say it is too offensive in our day.

Our schools are not safe today,
because our kids are being taught all the wrong way,
and many have gone astray.

The police patrol our schools everyday,
yet many of the kids that went astray,
find a way to harm innocent lives in a very cruel way.

Crime is at an all time high in our great nation today,
because they have taken the prayers away.

If people would humbly get down on their knees and pray everyday,
then God would bless America again in a very mighty way.

Conley Murray

An Atheist Guilty Plea

Atheist do not believe anything the Bible has to say,
and that is just what the old devil wants, so he can keep them
going his evil way.

They all say there is no such place as a painful firing hell,
but the Bible does say there is such a place, and its clear as a bell.

Just what will it take,
to make them repent of their sin before its too late?

How sad its going to be for them on that final judgment day.

Oh how they will beg and plea.

What are they going to say,
when God tells them they are going to that painful lake of fire
for all eternity to stay?

IF THEY HAD REPENTED OF THEIR SIN,
THAT LAKE OF FIRE THEY WOULD NEVER BE IN.

Conley Murray

Because Of God's Great Love

Because of God's great love,
He sent His son Jesus to earth from above.

The old devil tempted Jesus to follow him in his evil way,
but Jesus refused, no matter what the devil would say.

Jesus taught us in His word.
That if we would study our bible and pray,
then the old devil can not lead us astray.

At Calvary Jesus made the ultimate sacrifice.

He loved us so much He gave His life on the tree,
so that all mankind could be free.

ASK GOD TO FORGIVE YOU OF EVERY SIN,
THEN HE WILL NOT ALLOW THE OLD DEVIL TO ENTER IN.

Conley Murray

Being A Born Again Christian

Being A born again Christian does not mean you will go through this life without some sorrow and pain'
but you can tell God and He will give you the strength to restrain.

It does not mean that things can happen that you will not fear,
but you know God is always near.

It does not mean that in this life you never have any worries from time to time, but if you ask God to take those worries away when you pray,
He will take those worries away.

It does not mean you will never sin again,
but when you knowingly commit a sin, ask God to forgive you of that sin,
and He will not allow the devil to enter in.

PRAISE GOD I HAVE BEEN BORN AGAIN.

Conley Murray

Born Again

Being born again means
you have been forgiven of all your sins,
and Christ lives deep within.
OH HOW SWEET IT IS TO BE BORN AGAIN.

Being born again
does not mean you will never sin again,
but since Christ lives deep within
the old devil can not enter in.
OH HOW NICE IT IS TO BE BORN AGAIN.

When you are born again,
you will know deep within.
OH HOW PRECIOUS IT IS TO BE BORN AGAIN.

When you are born again
and in death this life comes to a end,
a happy everlasting life with Christ begins.
OH PRAISE GOD, I HAVE BEEN BORN AGAIN.

Conley Murray

Bro. Jimmie Jones

This poem was written for a lady in North Carolina whose husband had died.

He was always friendly and kind,
and always had a good frame of mind.

He was a husband and he loved his wife so dear,
he was always there to dry every tear.

He was a great dad,
and the kids could come to him when they were sad.

He was a great friend yes indeed,
one you could count on when you were in need.

He loved to deer hunt I've heard him say,
and he rarely let one get away.

He loved the Lord and I've heard him say,
he was going to heaven some happy day.

Then in the casket where he lay people would come by and say,
he was a great guy in every way.

Conley Murray

Churches

There are so many churches in the world today,
that are not preaching God's word the God fearsome way.

They are preaching to the congregation to please,
because they want the people to feel at ease.

They know if they preached the gospel God's holy way,
a lot of people would not stay.

They are adding so many activities for the kids to play,
because they know with all the activities the more likely
the parents will stay.

In many churches today,
the traditional church music is being replaced with (the so called)
gospel rock,
they say that is the church music in our day.

THE OLD DEVIL IS CERTAINLY GETTING HIS WAY,
IN SO MANY CHURCHES TODAY.

Conley Murray

Do Preachers Really Preach?

In most churches today,
the preachers don't preach God's word the God Holy way.

They don't preach what lost sinners need to hear,
instead they preach to people with an itching ear.(2 Timothy 4: 3)

They preach to the congregation to please,
because they want the people to feel at ease.

The old devil knows he is winning everyday,
because most preachers aren't preaching the gospel
the God fearing way.

IF PREACHERS WOULD START PREACHING THE GOSPEL THE GOD FEARING WAY,
A LOT OF LOST SOULS WOULD BE SAVED EVERYDAY.

Conley Murray

Down And Out

At times when you feel down and out,
and you don't know just what its all about.

Try to do someone a good deed,
and often times you will find that's just what you need.

When you set and think about all the things that are bad,
it makes things seem even more sad.

So try to think about things that please,
and it will help put your mind at ease.

Conley Murray

Drugs

Getting high on drugs some may say,
is the way of life in our day.

Despite all the conflicts and pain,
many people inject the deadly drugs in their veins.

Tho many will survive,
but for some they will not remain alive.

Using drugs is a very dangerous game,
it can only lead to sorrow and shame.

Drugs is a false security in disguise,
so please do not use drugs or otherwise.....

Conley Murray

Easter

Tho He never told a lie,
they said this man Jesus He must die.

For many Oh how they must have cried,
when they heard that our Lord Jesus was to be crucified.

The soldiers how they must have scorned,
when they put on Jesus head a crown of thorns.

It must have been a terrible site to see,
when they nailed our Lord Jesus to the tree.

The soldiers must have had a cruelly grin,
when they pierced our Lord Jesus sides way deep in.

Oh what pain, and Oh what a shame,
yet not one did He blame.

Jesus said this was to be,
so he could save both you and me.

In the bible as it is read,
in three days He was raised from the dead.

Conley Murray

Eternity

You may live to be old in age when you die.

People will come by the casket where you lie,
and talk about what a good person you were, when you were alive.

But if you did not repent of your sin,
in that awful place the bible calls hell,
is where your new life will begin.

A place where you will forever be in sorrow and shame,
and you will be the only one you can blame.

God has provided a way,
so you won't go to that awful place on judgment day.

If you repent of your sin,
you will go to that great land that is free of sin.

You will be able to walk streets of pure gold,
and you will NEVER EVER grow old.

OH HOW PRECIOUS THAT WILL BE WHEN JESUS FACE WE WILL SEE.

Conley Murray

Everybody Need Something

Everybody need something.

It may be shelter where they can get out of the hot summer heat,
or it may be a place where they can get something to eat.

It may be a place that is warm and neat,
where they can stay until the cold winter storm retreat.

It may be a place to get out of the rain,
or it may be an aspirin to relieve arthritis pain.

But the most important thing everybody need is Jesus Christ
in their lives, (and that is so easy to achieve) ,
all that is needed is deep down in their heart believe.

Get down on their knees and repent of their sin,
then the old devil can not enter in.

PRAISE GOD HE HAS PROVIDED ME WITH ALL I NEED.

Conley Murray

Fishermen

For most men fishing is a favorite sport,
they talk about fish of every sort.

They talk about their fishing day,
and about the big ones that got away.

They talk about where to fish in the best lake,
and about the best bait the fish will take.

They talk about where they cast their reel,
and they know when they have the fish by the feel.

WHEN THEY WANT TO GO FISHING ON A CERTIAN DAY,
THEY FIND AN EXCUSE TO GET AWAY.

Conley Murray

Fox Hunting

In hills of Kentucky in the old days,
fox hunting and fox races were men's favorite sport.

When it got dark at night,
men with their kerosene lanterns to give them light.

They would go to top of a high hill with their hunting dogs.

When they got to the top of the hill.
They would build a fire.

They would let their dogs loose and listen to them run,
it was a lot of fun.

They would set back and talk about the way,
they spent their day.

When the fox and dogs came close enough for them to hear,
they listen to their dogs, it was great music to their ears.

They could tell by voice of the dogs and the pace,
which dog was leading the race.

They would stay on the hill until late in the night.

When the race was over.

With their fox horns they called their dogs, so they would not roam.
Then they went back home.

When they got home and got some sleep.

They would get up and plan the way,
they would spend their day.

Those days have all gone away.

Now they use computers to plan the way,
they will spend their day.

Conley Murray

God Did Not Promise

The preacher ' OH HOW HE DID PREACH '
there were some lost souls he was trying to reach.

He said ' THE BIBLE IS CLEAR AS A BELL '
there is such a place as everlasting hell.

HE said ' CHRIST BY HIS LOVING GRACE '
provided a way for you to escape that awful place.

He said repent of your sins and don't delay,
GOD DID NOT PROMISE YOU ANOTHER DAY.

Conley Murray

God Is Love

God is love,
and He walks and talks with me from heaven above.

Because God loves me,
He forgave me of all my sins,
now the old devil cannot enter in.

God loves me so much He provided me a way,
so that I will not have to face that fearful judgment day.

PRAISE GOD FOR HIS GREAT LOVE

AMEN

Conley Murray

God Is The One

God is with me,
where ever I may be.

He is the one on whom I can depend,
He will be with me until the end.

He is the one I can believe,
I know He will never leave.

When I need some one to talk to me,
He's the one where ever I may be.

He is the best friend I could ever find,
He is always there to keep me in a good frame of mind.

GOD IS ALL THE ABOVE,
HE HAS SHOWN ME ALL HIS GREAT LOVE.

Conley Murray

God Will Bless

When you get up in the mornings study your Bible and pray,
ask God to guide you all during the day.

If you study your Bible and pray everyday,
God will bless you in a very special way.

Please try not to let anything get in your way,
that would stop you from reading your Bible and praying everyday.

STUDYING YOUR BIBLE AND PRAYING EVERYDAY IS THE WAY,
GOD CAN BLESS YOU EVERYDAY.

Conley Murray

God's Great Beauty

When you look at the moon and stars above,
they are all a part God's great beautiful love.

When you see the birds singing in the trees,
they are so much of God's great beauty to see.

The weasel skunk as bad as it may stink,
it is more beautiful than some people want to think.

It is still part of God's great beauty.

Even the big whales of the sea,
they are part of God's great beauty to see.

No matter where you may be,
there is so much of God's great beauty to see.

I AM SO THANKFUL GOD IS ALWAYS WITH ME,
BECAUSE THERE IS SO MUCH OF GOD'S GREAT BEAUTY FOR ME TO SEE.

Conley Murray

God's Promise

God did not promise you a fancy home or a lot of wealth,
nor did He promise you would be in good health.

He did not promise you would live this life without some sorrow,
nor did He promise you would live until tomorrow.

He did promise indeed,
if you put your trust in thee He would supply you with all
you need.

Conley Murray

God's Simple Salvation Plan

For God so loved the world that He gave His only begotten son,
that so ever believeth in Him should not perish,
but have everlasting life.

John 3: 16.

God said unless you repent of all your sins,
and in death this life comes to a end,
in everlasting hell is where your new life will begin.

God never did intend,
for that awful place called hell to be your final end.

Christ shed His precious blood on the tree,
so that you and me may be set free.

God designed a very simple salvation plan,
that will save the very worst man.

God said if you repent of all your sins,
and ask Christ to come in,
then a happy new life will begin.

THEN WHEN IN DEATH THIS LIFE IS OVER,
THEN YOU WILL SO HAPPY WITH CHRIST FOREVER MORE.

Conley Murray

God's Warning

OH WHAT PAIN, AND OH WHAT GROANING,
THATS THE WAY IT WILL BE ON THAT FINAL JUDGMENT MORNING.

God said if only they would repent,
they would miss that final judgment event.

He said all this world would melt away,
yet many will continue to go astray.

Some have said they would repent at a later date,
but for many that will be too late.

SO WHY NOT LOOK AT WHAT IS IN THE WAY,
AND TURN IT OVER TO CHRIST, AND REPENT TODAY.

Conley Murray

Going Around Spiritually Blind

There are so many people when you try to talk to them about the bible and God's word, they will say if you like fairy tales, then in the bible that is what you will find.

What those people don't realize is they are talking to you spiritually blind.

Some people will say if you like reading the bible that is fine, but as for me the bible is not in my line.

If those people would study the bible in a good frame of mind, they would be amazed at all the truth they would find.

NOT STUDYING GOD'S WORD IN A GOOD FRAME OF MIND,
IS REALLY GOING AROUND SPIRITUALLY BLIND.

Conley Murray

Good Parents

Good parents watch over their kids day and night
to make sure they are alright.

They never want them to go astray,
so they try to teach them all the right way.

They teach them to read their bibles everyday,
and they teach them how they should pray.

They teach them to go to church
and listen to what the preacher has to say,
so they don't go the wrong way.

They teach them that if they comment a sin,
to repent so the old devil can't enter in.

BE GOOD PARENTS AND PRAY EVERYDAY,
AND GOD WILL BLESS YOU IN A GREAT WAY.

Conley Murray

Heaven

Heaven is home in the sky above,
that is full of God's great love.

A place where there will be no day or night,
because God will be the light.

A place where there will be no pain or sorrow,
and there will never be no such thing as tomorrow.

A place where we will never be bore,
because there will be peace and joy for evermore.

A land where we can walk streets of pure gold,
and we will NEVER EVER grow old.

A place where we will be with Christ for evermore,
on that great beautiful shore.

Conley Murray

Honeybees

The honeybees are insects that are so unique,
they make honey that is so healthy to eat.

There is no other food like the honeybees make,
they NEVER EVER MAKE A MISTAKE.

There are so many diseases the honey can cure,
because it is so unique and pure.

The honeycomb the bees make is so neat,
and the honey is so good to eat.

At times when you need some energy to come your way,
try eating some honey, it can help give you the energy
to enjoy your day.

Conley Murray

How Painful Hell Must Be

The bible has a lot to say about hell
and for so many how painful it is going to be.

There are so many people that say it is against their belief,
God would not send people to a place where there is so much pain
and no relief.

In the book of revelation the bible tells us about the old devil
and the bottomless pit.

And on that final judgment day,
who is going to be in it to stay.

The story in Luke chapter sixteen is symbolic as you can see,
but the story tells us for so many how painful hell is going to be.

God never did intend,
for hell to be mankind's final end.

He provided a simple way,
for mankind to escape that painful place on judgment day.

He said if we repent of all our sins,
a new life would begin.

THEN WHEN THIS LIFE IS NO MORE,
WE WILL BE WITH CHRIST FOR EVERMORE.

Conley Murray

How Precious Heaven Must Be

Heaven is a home in the skies,
where the soul of man never die.

Where the streets are pure gold,
and the soul of man never grow old,

There will never be any cold winter rain,
and there will never be any sickness or pain.

There will be no crime or burdens there,
and there will be unspeakable joy there to share.

On that bright and beautiful shore,
we will praise God for evermore.

OH HOW PRECIOUS THAT WILL BE,
WHEN JESUS FACE WE WILL SEE.

Conley Murray

How The Old Devil Works

In our homes the devil will use our computers
and televisions in a very shy way,
to make many people go astray.

The devil makes many people believe that using drugs is the way,
to enjoy life in our day.

In our schools the devil has caused prayers to be taken away,
and many of our kids have gone astray.

In many churches the devil has crept in, in a very shy way,
and used music and new bibles to lead many people astray.

If people would read their bibles and humbly pray everyday,
then there would be no way the old devil could lead them astray.

Conley Murray

How To Know If You Have Been Born Again

You know you have been born again,
when you have repented of all your sins,
and you feel Christ presence well within.

When you read your bible everyday,
and you always find time to pray.

When you never let the old devil lead you astray,
and you try to live God's Holy way.

When you do commit a sin,
and you feel the guilt from the outside in,
then you must repent of that sin.

If you say you have been born again,
and you continue to live a life that is full of sin,

Then you could not have been born again,
and that painful lake of fire with the old devil
will be your final end.

Conley Murray

Human Life

A person is no more than a seed.
A woman's womb that the seed is planted in,
is where a person's life will begin.

The moment a woman is conceived,
a soul and spirit a person has received.

The Bible tells us that someday this earthly body will die,
but the soul and spirit for all eternity will remain alive.

When a person's earthly life comes to an end,
where that person's soul and spirit for all eternity will spend,
will all depend.

When a person's earthly life comes to an end, and that person has
not repented of (his or her) sin,
then in that painful lake of fire for all eternity with the old devil is where their
new life will begin.

When person's earthly life comes to an end, and that person has repented of (his
or her) sin,
Then in heaven with a joyful life with Christ for all eternity is
where their new life will begin.

Conley Murray

Hummingbirds

The hummingbirds as small as they may be,
they are such beautiful birds to see.

When they chase each other through the trees,
it is such a pretty site to see.

They fly around in a very great speed,
then they go to the flowers and get the nectar to give
them the energy they need.

They will stop in mid-air and stare you in the face,
it is almost as if they are asking if you want to race.

As small as they may be,
they are such pretty birds to see.

Conley Murray

I Am So Thankful

I am so thankful for all the things God has done in my life.

I pray every day,
and I know He hears everything I say.

I have a sever hearing problem, and it is too stressful
for me to go out in person to spread God's word.

God knows all about my hearing problem, so He provided me a way,
to spread His word everyday.

He gave me poems to write,
that can convict loss sinners to make their lives right.

I AM SO THANKFUL FOR WHAT GOD HAS DONE IN MY LIFE.

Conley Murray

I Love The Lord Jesus

I love the Lord Jesus with all my heart,
and I know from me He will never depart.

In me He lives deep within,
and He will never allow the old devil to enter in.

To thank Him enough for all He has done for me, I could never begin,
on the cross He paid it all, when He died for all my sin.

I LOVE YOU LORD JESUS WITH ALL MY HEART,
AND I AM SO THANKFUL TO HAVE YOU FOR MY TRUE FRIEND.

PRAISE THE LORD

Conley Murray

I Remember

I remember as a lad,
being raised on a farm without a dad.

I remember my mother getting welfare
so we could eat,
and I remember the hot summer heat.

I remember the winters snow and rain,
and I remember my feet getting so cold
I would cry in pain.

I remember the house with no electric and no heat,
and I remember the winter winds being hard to defeat.

Now I am getting old, and I don't feel bad,
because I know my mother did her best with what she had.

Conley Murray

If People Knew

If people knew when their earthly life would be no more,
most people would make changes in their lives like never before.

Even the atheist who never believed before,
most would make changes in their lives like never before.

When this earthly life is no more,
the soul and spirit will be somewhere for evermore.

If a person has not repented of (his or her sin) when their
earthly life is no more,
that painful lake of fire with the old devil is where they will
be for evermore.

The saved person when their earthly life is no more,
they know they are going to heaven to be with Christ for evermore.

FOR THE SAVED PERSON HOW PRECIOUS THAT IS GOING TO BE.

Conley Murray

If You Don't Know Christ

You may be rich, and have a great name,
but if you don't know Christ when you die,
you will go to a place of everlasting shame.

You may be a good law abiding citizen,
and read your bible a lot,
but if you know Christ when you die,
you will go to a place where the worm dieth not.

You may be a brilliant young person,
and think clear as a bell,
but if you don't know Christ when you die,
you will go to a place the bible calls hell.

If you don't know Christ,
please repent of your sins,
and ask Christ to come in.
He will forgive you of every sin.
Then when you die, a happy new life will begin.

Conley Murray

In My Growing Up Days

When I was growing up, we did not have the high tech stuff we have today,
we did everything the good old fashion way.

In our schools we had prayer every morning to start our study day,
and that helped us to learn about God's Holy Way.

In doing arithmetic we did not have calculators to click,
but a pencil and paper did the trick.

When the school day was over, we went home and did our home work
for the next day,
then we had our night time prayer before we hit the hay.

Our parents watched over us all during the night,
to make sure we were alright.

During the summer we used mules to plow the fields and mow the hay,
when the day was over we had our meal time prayer, and thanked God for
the food we had that day.

On Sunday we went to church,
and listen to what the preacher had to say,
that helped us to keep the old devil from leading us his evil way.

IF PEOPLE WOULD GET BACK TO MOST OF THE OLD FASHION WAYS,
AND HAVE A TIME OF PRAYER EVERYDAY.
GOD WOULD BLESS THEM IN VERY MIGHTY WAY.

Conley Murray

In The Days We Live

We are living in a time,
that the world is full of hate and crime.

For human life there is little respect,
and no one knows what to expect.

Our law enforcement are on high alert,
because another tragedy they want to avert.

The kids are kept in disarray,
because their parents have gone astray.

The days disciplining our kids are almost gone,
they are hardly taught to know right from wrong.

We need to get back to the old fashion way.
Families need to find some time each day,
to get down on their knees pray.

Conley Murray

Its A Shame

Its a shame:

When America was the most respected nation in the land,
is now the least respected by crooked politicians hands.

When loving parents were allowed to discipline their kids
in a good godly way,
now politicians say that is too cruel today.

When so many parents are on illegal drugs today,
and their kids are in disarray.

When the police have to patrol our schools everyday,
because so many people commit so much crime in every kind of way.

When pregnant women are allowed to get an abortion today.
THAT IS MURDER IN A VERY CRUEL WAY.

THERE IS COMING A TIME WHEN GOD WILL PUT ALL THIS CRIME AWAY.

ON THAT FEARFUL FINAL JUDGMENT DAY,
GOD WILL CAST SO MANY PEOPLE WITH THE OLD DEVIL INTO
THAT AWFUL PAINFUL BOTTOMLESS PIT TO STAY.

Conley Murray

Its Amazing

With the high technology we have today,
its amazing how far mankind has come.

We have computers that control just about everything we do.

We are able to send space shuttles to planets in far outer space,
and high technology is changing at a very fast pace.

But what is even more amazing is how God made the universe.

If man could travel at the speed of light,
the end of the universe would never come in sight.

IT IS REALLY AMAZING WHAT GOD CAN DO.

Conley Murray

I've Got A True Friend

I've got a true friend,
and His name is our Lord Jesus, on whom I can depend.

Inside of me He lives deep within,
and He is always with me through both thick and thin.

He forgave me of my sin,
and He will never allow the old devil to enter in.

I LOVE MY TRUE FRIEND LORD JESUS WITH ALL MY HEART,
AND I KNOW FROM ME HE WILL NEVER DEPART.

PRAISE GOT FOR YOUR SON LORD JESUS.

Conley Murray

Jesus Is A True Friend

Jesus is a true friend yes indeed,
He is always there when I am in need.

I can talk to Him everyday,
and He will never turn me away.

He loves me in a very special way,
and He will never let me go astray.

When I kneel and pray,
I know He hears all my prayers.

He is a true friend yes indeed.

He loves me so much
that He gave His life on the cross at Calvary,
So I can forever be free.

I AM SO THANKFUL TO HAVE JESUS FOR MY TRUE FRIEND YES INDEED.

Conley Murray

Jesus Is Coming Again

When Jesus was lifted up to heaven He did say,
He is coming again someday.

When Jesus is coming no one can say,
but He did say He is coming again someday.

Jesus said to watch and pray,
because He is coming again someday.

It may be morning, night, or mid-day,
but Jesus said He is coming again someday.

Please Don't hesitate,
repent of your sins before its too late,
so you can be with Jesus when He comes again someday.

Conley Murray

Just One Drink

Before you drive and drink,
please take some time to think.

You could cause your family a lot of grief and shame,
and you would be the only one to blame.

You could cause a vehicle to over turn,
and everyone inside to burn.

You could go to prison for a very long time,
because you committed a horrible crime.

So before you drive and drink,
take some time to think.
Is it worth just one drink?

Conley Murray

Life Is Short

Regardless of what some people may try to say,
our life on this earth is getting shorter every second of the day.

You may live to be old in age,
but you most likely could write it all on less than one page.

The old devil don't want you to think that the end of your life
is drawing near,
so he can tempt you to go his evil way all during the year.

If you have repented of your sin,
then the old devil can not enter in.

If you have repented of your sin,
and your life on earth comes to an end, you have nothing to fear,
YOU WILL BE WITH CHRIST WHO LOVES YOU SO DEAR.

Conley Murray

Loving Parents

Loving parents teach their children to know right from wrong,
and they often sing them a good gospel song.

They read their bibles everyday,
and they teach their children how to pray.

They will go through snow or rain,
just to be with their children when they are in pain.

Then when the children are grown and on their own,
they will say they are the best parents this world has ever known.

Conley Murray

Loving Wife

She cooks good meals three times a day,
and she never fails to kneel and pray.

When you go to work she takes time to say,
I hope you have a real nice day.

She washes clothes and dries them too,
because she feels that is what a good wife should do.

She takes her time and dresses in pride,
so you will want to be right by her side.

She is always loving and kind,
even when she thinks you are paying her no mind.

A WOMAN SO WELL DEFINED,
I THINK GOD SHE IS MINE.

Conley Murray

Mom Taught Me

Mom you taught me as a lad,
to always be kind, and never talk bad.

You taught me to always stay away,
from those that would lead me astray.

You taught me to never tell a lie,
because someday I was going to die.

You taught me to know right from wrong,
and you often sing to me a good gospel song.

You taught me to read my bible everyday,
and you taught me how to pray.

You taught me to always walk the straight and narrow way,
because someday I was going to face judgment day.

Mom I know you are in heaven today,
because you taught me all the right way.

Conley Murray

Mother's Day

Mom you taught me how to tease and curl,
and you taught me how to be a real nice girl.

You taught me how to sew and cook,
and you taught me how I should look.

You taught me to always be nice and kind,
and you taught me how to keep a good frame of mind.

You taught me to read my bible everyday,
and you taught me how I should pray.

You taught me in a very special way,
to never let anyone lead me astray.

Well mom it is Mother's day,
and I just want to thank you for teaching me all the right way.

HAPPY MOTHER'S DAY
GOD BLESS YOU ON THIS SPECIAL DAY

Conley Murray

Peoples Attitude

There are people that have an attitude that is so sweet and kind,
and they seem to always be in a good frame of mind.

Those are people that will listen to everything you have to say,
and you enjoy being with them all during the day.

Then there are people that have an attitude that is so rude.

Those are people that are so arrogant in everything they do or say
and you don't want to be around them very long any day.

IF YOU GET UP IN THE MORNINGS WITH A GOOD ATTITUDE.

STUDY YOUR BIBLE AND PRAY,
IT IS AMAZING HOW GOD WILL BLESS YOU EVERYDAY.

Conley Murray

Read Your Bible

Read your bible and you will learn,
all about God's creation, and how it came about.
You will also learn why there can be no doubt.

You will learn about Lucifer the devil,
and why he is so evil.

You will learn about sin,
and when it first began.

You will learn about Noah and the great flood,
and why on the cross Jesus shed His precious blood.

You will learn about God above,
and all about his great love.

REGARDLESS OF WHAT SOME MAY SAY,
READ YOUR BIBLE AND LEARN HOW YOU CAN BE SAVED TODAY.

Conley Murray

Sanctify Me

Now as I humbly get down on my knees and pray,
I ask you Lord to please sanctify me.

I know I am as lost as lost can be,
but I ask you Lord to please sanctify me.

I know I am a sinner, and have sinned against thee,
but I ask you Lord to please sanctify me.

I know I am not worthy of thee,
but I ask you Lord to please sanctify me.

I am weak, but thou art strong,
so I ask you Lord to please sanctify me.

I believe your word is true to be,
so when in death this life ceases from me.
I know dear Lord you will sanctify me.

AMEN

Conley Murray

Since Obama Took Office

Since Obama took office America has never been the same.

That's a shame,
and Obama is to blame.

He caused health care cost to sky rocket,
now all people have less money in their pocket.

That's a shame,
and Obama is to blame.

Small businesses had to let people go.

because high insurance premiums people could not afford,
and companies could not absorb.

That's a shame,
and Obama is to blame.

Because of his lies,
many veterans lost their lives.

That's a shame,
and Obama is to blame.

America was the greatest country in the land,
now it has lost all its credibility by Obama's hand.

Conley Murray

Six Days Of Creation

In the beginning God created the heavens and the earth.

The book of Genesis goes on to say,
He did this in just one day.

On day two
He made the firmament, which He called heaven.
All this is true,
it became a perfect shade of blue.

On day three
He brought the waters together, which He called the seas.
All this is true yes indeed.
He brought forth the dry land and the herb yielding seed.

On day four
He made two great lights,
one to rule the days, and one to rule the nights.

On day five
He made all things on dry land that creep,
He also made the mighty whales that swim the great deep.

On day six
He made man,
this was all part of His perfect plan.

WITH ALL THE BEAUTY BOTH DAY AND NIGHT,
WHO CAN SAY GOD IS NOT ALWAYS RIGHT?

Conley Murray

So Much To Be Thankful For

How thankful you should be.

When you look around,
there are so many blessings to be found.

When you are able to get up in the mornings to start your day.
Just think how many people that are so sick that in a hospital
bed they have to lay.

When you have a place in the cold winter that is warm and neat.
Just think how many homeless people in the streets that have no
shelter, and no heat.

When you have a place to shelter you from the hot summer heat.
Just think how many people around the world that don't have even
enough food to eat.

WHEN YOU LOOK AROUND THERE IS SO MUCH TO THANK GOD FOR.
I AM SO THANKFUL FOR WHAT GOD HAS DONE FOR ME.

.

Conley Murray

Somewhere The Soul And Spirit Will Spend

The last thing that is on most peoples mind is where their soul and spirit will spend, when their life on this earth comes to a end.

The Bible in God's word tells us that someday in a grave is where this earthly body will lie, but the soul and spirit will never die.

The Bible also tells us that there are only two places that for all eternity where the soul and spirit can spend.

Hell is an awful place.

Where so many souls with the old devil and his angels will spend,
where pain and suffering will never end.

God provided a way so people don't have to go to that awful place.

IF PEOPLE WITHIN THEIR HEART WOULD REPENT OF THEIR SIN.

THEN IN HEAVEN WITH CHRIST, WHERE PEACE AND JOY WILL NEVER END,
IS WHERE FOR ALL ETERNITY THEIR SOUL AND SPIRIT WILL SPEND.

Conley Murray

That Great City Above

That great city above,
is a city that is full of God's great love.

A city where you will be able to walk streets of pure gold,
and you will never ever grow old.

There will never be any sorrow or pain,
and there will never be any cold winter rain.

A city where there will be peace and joy forevermore,
on that great beautiful shore.

BECAUSE OF GOD'S GREAT LOVE,
HE CREATED FOR US THAT GREAT CITY ABOVE.

Conley Murray

The American Tragedy [09/11/01]

Perhaps America was well prepared for a rocket or missile attack,
but no one ever expected such a terrorist act,
that it put America flat on its back.

It was a terrible site to see that day,
and no one ever expected it to happen that way.

Oh what a tragedy, and Oh what a shame,
to see part of America go up in flame.

Tho there had been threats some did say,
but no one ever expected it to happen that day.

America is a nation that is strong and tall,
and they will find those that did it all.

America is a great nation we all can say,
and God has blessed it in a mighty way.

Conley Murray

The Anti-Christ

With this world so full of crime,
that man of sin could appear almost any time.

He will appear to be so loving and kind,
and he will take control of peoples mind.

He will perform miracles in the skies above,
and will claim to be the god of love.

With all the miracles and his lies people will believe,
and in their right hand or forehead his mark they will receive

Those that receive the mark it will be too late,
and in that lake of fire with the old devil will be their final
fate.

If you have not repented of your sins, repent before its too late,
don't let that lake of fire be your final fate.

Conley Murray

The Begining Of The End

With all the violence and crime,
could this be the beginning of the end of time?

The bible said that before the end would begin,
perilous times would set in.

It said there would be false prophets in many places,
deceiving many people of all races.

It said the anti-Christ would come into play,
causing many people to go his sinful way.

God said this would all come to past,
and judgment day would be the last.

Are you prepared today,
to miss that fearful judgment day?

Conley Murray

The Bible People Contradict

There are so many books and they say the stories are true,
and people will read them all the way through.

Some people will say they only true,
part of the way through.

The King James sixteen eleven bible.

Many people try to say,
it is hard to understand,
so they keep it completely put away.

The sixteen eleven was written in such a way,
God wants people to study to find out what the bible has to say.

There are many revised bibles and they all say they are true,
but they are so full of mistakes all the way through.

Even tho The King James sixteen eleven bible is completely true,
so many people contradict it all the way through.

PEOPLE NEED TO PRAY EVERYDAY,
AND ASK GOD TO SHOW THEM WHAT THE BIBLE HAS TO SAY.

Conley Murray

The Bottomless Pit

OH WHAT SUFFERING, AND OH WHAT PAIN that bottomless pit is going to be,
and so many unbelievers with the old devil are going to find out how
how painful its going to be.

In the bottomless pit God did not intend for mankind for all eternity
to have to spend,
when this earthly life comes to an end.

God provided a simple way,
for mankind to avoid that awful bottomless pit on that final judgment
day.

If unbelievers would repent of their sins,
then in that bottomless pit they will never enter in.

THANK YOU LORD GOD FOR, FORGIVING ME OF MY SINS.

Conley Murray

The Columbia 7 Tragedy

The day was February 1st.2003.

The Columbia was on its sixteenth day flight,
and everything seemed to be going just right.

The shuttle was on its way home.

sixteen minutes before it was to arrive,
there was a terrible tragedy in the sky,
that no one on board could survive.

There must have been a horrible blast,
and it happened ' OH SO FAST'.

Many people had gathered
to welcome the astronauts home.

Many were perhaps singing a welcome home song,
unaware that things had gone so wrong.

The astronauts had been on an experimental mission trip,
to help mankind,
and were on their way home with a good peace of mind.

It was a day of unbelief,
it was a day that put the whole world in grief.

The whole world shares with the families,
their sorrow and pain,
but it is a comfort to know they did not die in vain.

Conley Murray

The Drunkard

One bright and sunny day,
a little boy went out to play.

A drunk in disarray,
came by and killed the little boy and sped away.

Dad and mom came running out in pain and fear,
(Cried Out) WHY DID THIS HAVE TO HAPPEN TO OUR LITTLE BOY
THAT WAS SO DEAR!

(OH DRUNKARD OH DRUNKARD) now what do you think?
Is this enough to stop you from taking another drink? !

Conley Murray

The Execution

He was calm his lawyers did say,
right up until that awful day.

While in the death chamber where he laid,
you wonder if he even thought to pray,
KNOWING that the death angel was well on its way.

They said he offered no remorse,
for that horrible, fearful course.

They said this was justice in a way,
for with his life he did pay.

Conley Murray

The Forgiven Drunk

I was a drunk, and I could not see,
that if I did not quit,
it would be the death of me.

I could not see all the grief and shame,
it was bringing to my family,
and I was to blame.

If I had died in such disarray,
the old devil would have had me right away.

Then one day God made me see,
all the things that was about to happen to me.

Then I humbly got down on my knees,
I said God (with a feeble plea) ,
I want to surrender my life to thee.

God had mercy upon me,
He forgave me of all my evil deeds,
now I have great peace inside of me.

Conley Murray

The Good Shepherd

The good shepherd looks over his flock during the night,
to see if they are alright.

He makes sure they have enough water to drink and enough feed to eat,
so they can withstand the hot summer heat.

In the winters cold winter breeze,
he provide shelter so they won't freeze.

I am so thankful God showed me the way,
to be a good shepherd everyday.

This poem is symbolic of being a good parent.

Conley Murray

The Hard Of Hearing

Losing your eye-sight is almost as bad as it can be.

But when you are hard of hearing its just as bad in a way,
because you can't always understand what people say.

Its a struggle everyday,
because you are always asking people to repeat what they say.

Some people laugh when you answer them the wrong way,
but you don't always understand what they have to say.

You try to make the best of everyday,
trying to hear what people have to say.

Conley Murray

The Holy Bible

In the bible you will find:
Where Adam committed a sin,
that allowed the old devil to come in.

A man possessed with devils, and not doing too fine,
Jesus cast Out the devils and made them go into the swine.

You will also find,
where Jesus healed the sick, and healed the blind.

A rich man who had the whole world to gain,
died and went to hell, and is now in everlasting pain.

You will also find where Jesus shed His precious blood on the tree,
so you and I may be set free.

If you repent of your sins,
and ask Christ to come in,
then when in death this life comes to a end,
a happy new life with Christ will begin.

I BELIEVE THE BIBLE IS TRUE TO BE,
THE WORD OF GOD TO SAVE BOTH YOU AND ME.

Conley Murray

The Jehovah's Witness

The Jehovah's Witness can't be true,
because the bible they use contradict God's word all the
way through.

Even when a life is at stake,
a blood transfusion they refuse to take.

If hell is the grave like they say,
then people in their sins would not be punished in any way.

In our military they refuse to serve.

So many of our great war veterans gave their lives to pay,
for our freedom [the Jehovah's Witness did not pay] we enjoy
today.

DEAR READER THIS I WANT TO SAY,
THE JEHOVAH'S WITNESS STAY AWAY,
DON'T LET THEM IN THEIR EVIL WAY LEAD YOU ASTRAY.

Conley Murray

The World Of Sin

When Adam and Eve were placed in the garden of Eden,
they were completely sin free.

God told them that they could eat the fruit of every tree,
but the one in the mist of the garden they were forbidden to eat.

God told them if they eat of that tree someday they would die.

The serpent that was in the garden told them God had told them a lie,
and told them to eat the fruit of the forbidden tree they would not
die.

They believed the serpent's lie.

They ate the fruit of the forbidden tree,
now someday all mankind will die.

That is when sin entered in,
and the world of sin began.

Conley Murray

True Friends

True friends are people on whom you can rely,
they will never knowingly tell you a lie.

They are people that will be with you through thick and thin,
and they will not knowingly let anyone do you in.

When you are down and you don't know what its all about,
they are people that will help you talk it all out.

When you are sick and in great need.
They are people whom you can depend
they will be with you until the end.

True friends are always friendly and kind,
and they will help you keep a good frame of mind.

YOUR TRUE FRIENDS LET THEM KNOW YOU ARE THANKFUL TO
HAVE THEM FOR YOUR FRIENDS.

Conley Murray

Trying To Pray

Have you ever tried to pray,
and words just wouldn't come your way?

Then you try to think, did I have a bad night or day?
Or was it the old devil trying to make me go his evil way?

Some times God wants you to pray in a very humbly and silent way,
so He can give you all the proper words to say.

So many people say they don't read their Bible or pray everyday,
because there are so many things getting in the way.

PEOPLE NEED TO FIND SOME TIME TO PRAY EVERYDAY,
SO THE OLD DEVIL CAN NOT PERSUADE THEM TO GO HIS EVIL WAY

Conley Murray

What Some People Do

There is not one person that don't have a fault.

There are some people that find your very worst fault,
and then go to other people and that's what they want to talk.

There are two-faced people that will eat you up to your face,
then go to other people and tell them some of the things you do
is a total disgrace.

There are some people that claim to be your best friend,
but when you need them that is when the friendship end.

There some people that are your true friends,
and they will be with you to the very end.

IF PEOPLE WOULD TAKE CARE OF THEIR OWN FAULTS,
THERE WOULD NO REASON TO GO TO OTHER PEOPLE AND TALK.

Conley Murray

What This World Is Coming To

If you have listened to the news, you have heard them say,
same sex marriage is legal today.

In Mark 10: 6-9. What the Bible has to say,
is marriage is between one man and one woman,
and that is God's only legal way.

Many churches have ordained homosexuals and lesbians
to preach God's word. They say that is legal today,
so they can bring more people their way.

In many businesses the employees are not allowed to pray,
before they start their work day.

Our streets are not safe today,
because of all the crime in every kind of way.

Never before has this world been in such disarray
and the old devil is certainly getting his way.

There is coming a fearful final judgment day,
when God will put all evil away.

PEOPLE [WITHOUT DELAY] SHOULD START PRAYING EVERYDAY,
SO THEY WON'T HAVE TO FACE THAT AWFUL FINAL JUDGMENT DAY.

Conley Murray

When We Were Kids

When we were kids,
the games we would play during the day.

Jump the rope,
until it broke.

Hide and seek,
and the one doing the seek was not allowed to peek.

Run a race.
We would run at a very fast pace,
and do our best to win the race.

Play cowboys of the wild west,
we always tried to be the best.

When the ball games begin,
we did our best to win.

They did not have computers in the schools in our day,
we did reading, writing, and arithmetic the old fashion way.

That's the way it was when we were kids in our day,
and God blessed us in a very mighty way.

Conley Murray

Where I Was Raised

I was raised in the hills of Kentucky.

The house most people lived in had no electric light,
and they used kerosene lamps for light at night.

The toilets were shacks way out back,
Sears-Roebuck catalogs were the favorite toilet paper on the rack.

An open fireplace was used for heat,
and at night the cold winter winds were hard to defeat.

Most men smoked a corn-cob pipe,
with tobacco that had been dried to a perfect ripe.

The schools were one room,
and they taught grades one through eight.

They used pot-belly stoves for heat,
and boiled potatoes with the skin on,
on the stoves to eat.

Those were the good old days,
and it is great to remember back where I was raised.

Conley Murray

With My Voice

With my voice I can't give God enough praise for the way,
He bestows His blessings upon me everyday.

WITH MY LOUD VOICE,
I PRAISE GOD AND REJOICE.

Conley Murray

You May Be Called A Fool

When you go out spreading God's Word, it is amazing what some people will say.

Some people will falsely agree with everything you have to say, so you will happily go on your way.

Some people will say they will repent at a later date, not realizing that may be too late.

Some people will say they are not ready to be saved today, because they have some friends on their way.

Then there are times you have to ask God to help you keep your cool, because some people actually called you a fool.

SO WHEN YOU GO OUT SPREADING GOD'S WORD PRAY,
AND ASK GOD TO HELP YOU IN WHAT TO SAY.

Conley Murray

You Will Know

You will know you will have a nice day.
When you are able to get up in the morning and pray,
and thank God for giving you another day.

When the coffee you made start perking,
and you go outside and hear the birds chirping.

When you look in the sky,
and there is not a cloud no where near by.

When there is a cold winter breeze,
and you have a place to go where you won't freeze.

When you know you have plenty of food to eat,
and a place to shelter you from the hot summer heat.

PEOPLE SHOULD READ THEIR BIBLE AND PRAY EVERYDAY,
AND THANK GOD FOR ALL THE BLESSING HE HAS GIVEN THEM EVERYDAY.

Conley Murray

You Will Never Be Wrong

You will never be wrong.

When you go for a walk, and ask Jesus to walk along.

When you walk, talk to Jesus along the way,
it will help you to enjoy your day.

When you are down and out.
Telling Jesus what it is all about.
He will help you talk it out.

When you get up in the mornings and pray,
ask Jesus to help you plan your day.

When you knowingly commit a sin,
ask Jesus to forgive you, so the old devil can not enter in.

Conley Murray

Your Wedding Day

Its your wedding day, and we just want to say,
CONGRATULATION on your special day.

When in God you both do trust,
then only in death will the marriage ever bust.

He's the one that will love you and treat you real kind,
He's only one in a million you will find.

Now on your special day its plain to see,
you both are all cheerful and full of glee.

Today is a day of joyful fear,
its the day you say I LOVE YOU DEAR.

WE love you both in a very special way,
GOD BLESS YOU BOTH ON YOUR WEDDING DAY.

Conley Murray
