## Courtney Guillory(12/28/90)

I'M A NICE PERSON AND A EASY PERSON TO GET ALONG WITH. I LOVE MEETING NEW PEOPLE AND WRITING POEMS. YES ALL OF THE POEMS I WRITE DESCRIBE MY FEELING ABOUT HOW I USE TO FEEL ABOUT PEOPLE AND MAYBE ABOUT HOW I STILL FEEL.

# Confused

I'm so in love  
I don't know what to do  
I'm in love with somebody else  
I don't know if I can be with you

I love you so much  
I love him too  
You said you understood  
But I still don't know what to do

I'm trying to get over him  
Day by day  
But he always on my mind  
No matter what they say

I will always be with you  
And you know that's true  
But I will always love him  
And he will always love me too.

# Good Times

When we first met  
It was love at first sight  
We just knew that  
our relationship would be right

We use to talk on the phone  
Write eachother love letters  
Knowing that things  
Couldn't get even better

Now we don't do that  
I miss it so much  
I can't belive  
I also miss your touch

Since we are back together  
I will never let you go  
I also realized  
I don't need you no more.

# Haters

Every where I go  
They hate on me  
Don't get mad  
That your man like what he see

I can't help  
That I look like this  
Don't start hatin  
Cause he blew me a kiss

I don't care  
If you like me or not  
Why are you hatin  
Is it cause I'm hot?

So stop hatin  
Cause you not me  
If you want to start somethin  
you know where I be.

# Hoes

Hoes, hoes. hoes  
Their everywhere  
Everytime you look  
They always there

Hoes be at school  
They be on the streets  
They mess with everybody  
And they stay gettin beat

Hoes will be hoes  
They'll try to take your man  
They'll do anything to get him  
In the best way they can

If you have a man  
You better watch out  
A hoe will try to steal him  
And that's no doubt.

# I Know

I know you love me  
I know you care  
But you don't have to be  
So selfish and scared

I love you a lot  
With all my heart  
You are my boo  
Nothing can tear us apart

Your the only one I want  
In my life  
But I'm tired of fussing  
Everyday and night

So we should stop now  
And stay together  
Let us last  
Forever and ever.

Courtney Guillory

# I Love You

You're always on my mind  
When I try to go to sleep  
I can't stop thinking of you  
I'm in love too deep

You make me laugh  
You make me smile  
Even though you  
Call me a little child

You care about my feelings  
I care about yours too  
I'm glad you understand me  
That's why your my boo

That's why your my baby  
That's why your my boo  
That's why I'm so  
In love with you.

Courtney Guillory

# I Thought

I thought you loved me  
I thought you cared  
Everytime we was together  
You looked like you was scared

I thought you didn't have  
Nothing to hide  
I thought you would always  
Be by my side

I thought I would be happy  
When I was with you  
I thought I was your baby  
I thought I was your boo

I thought our love  
Would last forever  
I guess I thought wrong  
That's why we not together.

# I'M Sorry

I'm sorry if I hurt you  
I'm sorry that I lied  
I'm sorry for everything  
I'm sorry I made you cry

I'm sorry I can hardly see you  
I'm sorry I made you mad  
I'm sorry I fell in love with him  
I'm sorry it made you sad

I'm sorry for all the break ups  
I'm sorry for all the games  
I'm sorry for not being honest  
I'm sorry it's not the same

I'm sorry I was mean to you  
I'm sorry for breaking your heart  
I'm sorry for taking advantage of you  
I'm sorry for hurting you from the start.

# It's So Hard

Things are hard  
I'm fallin apart  
I really need help  
You broke my heart

I'm tired of this  
What should I do?  
I have a boyfriend  
But I still want to be with you

You didn't call in 3 months  
I don't know what to do  
I have a feeling you have a girlfriend  
But you still call me your boo

I can't get mad at you  
I don't know why  
I love you so much  
Unitl it makes me cry.

# It's Time

It's time to move on  
It's time to say goodbye  
I'm tired of all this stuff  
I'm tired of all these lies

It's time for me to go  
It's time to stop this mess  
It's time to stop crying  
It's time to stop this stress

It's time to stop arguing  
It's time to let it go  
It's time to stop hiding  
It's time to let it show

It's time to be happy  
It's time to stop being blamed  
It's time to grow up  
It's time to stop playing games.

# Love

Love is a feeling  
You have inside  
It's not something you fake  
It's not something you hide

Love can be good  
Love can be bad  
Sometimes it make you happy  
Sometimes it make you sad

You know he love you  
When he always there  
It also means  
That he really cares

You know you're in love  
When you have this funny feeling inside  
And you will always  
Be by his side.

Courtney Guillory

# Nothing Can Stop Us

I can never hate you  
You too sweet to me  
It was like you said  
I guess we are meant to be

I love you so much  
I will never let you go  
I care about you a lot  
Hopefully you already know

I will try not to let  
Nothing come between us  
Especially a fight or  
A simple little fuss

I want you to know  
That I'm glad we are together  
I will always be with you  
Forever and ever.

# Something About Him

I been in love  
So many times  
But it's something about him  
That just blew my mind

It wasn't love  
At first sight  
But I knew I should  
Hold on with all my might

I don't have to worry what he's doing  
Cause he is so good to me  
He is so kind and  
Faithful as can be

If you have a good man  
You better hold on tight  
Or otherwise  
You will have to put up a fight.

# Torn Between Two

The first one I knew  
For a very long time  
He is kind of cute  
Yes he is all mine

I was in love  
Until I was feeling alone  
That's when the other one  
Started calling my phone

Now the second one  
He is in love with me  
It feels just like  
We were meant to be

I'm stuck in the middle  
I don't know what to do  
Man I can't believe  
I'm torn between two.
