A Girl So Beautiful

a girl so beautiful and kind ended her life
in just one swip
no one new her pain inside
so thay thought she was fine how can a girl so beautiful
and kind just decide to end her life in such a short time

Black Bird

as i dream on the wings of a black bird
my soul turns to coal my mind turns to dust my hart freezez and drops
from the sky like a frozen dead bird in the winter
as i dream the black bird sqwachs and i fall down down down

danyelle tedrow

Crazy People

they say im bi polar
they say im nutts
they say im crazy
but i just dont give a fu*k
what the hell they say

danyelle tedrow

Dear Sweet Whisky Bottle

dear sweet whisky bottle drowned my thoughts
make me feel numb
make me forget all the horrible things i've done
just take me away my dear sweet whisky bottle

Hello Dolly

hello, dolly
why you crying
please don, t shed a tear
my beautiful sweet girl
hello, dolly
you know that i love you
come on baby i wanna see you smile
hello, dolly
do you love me please say you do
baby please say you love me
hello, dolly
lets get going lets just leave
your past behind lets just leave it and go bye bye
hello dolly
hello hello
hello my beautiful dolly

Hush Little Baby

hush little baby don, t shed a tear
your way to weak to even care
hush little baby i love you dear
why must you cry a river of tears
hush little baby your fading to fast
why must you go just stay with me
hush little baby you don, t have to cry
just hold my hand and dream of sun shine
hush little baby you no longer have to fear
your with the angels so please don, t shed a tear

I Fell Her Pain

i fell her pain a hundred miles away
i hear here cry all in vain
i see her cut, s so she try, s to cover them up
i see her lay in a puddle of blood with a
smile of freedom on her face

danyelle tedrow

I Try To Live

i try to live with my unhappy hart
but its just herating to much
i try to live with my scars
but there screaming help me
i try to live with a fake smile
but its starting to show
i try being happy but its not worken
i try to tell you my secret
but im affraid you will hate me
i try to live
but its geting hard
i try to say good bye
but your just to busy for me

Life

life can be blue and happy

OR IT CAN BE BLACK AND DARK

life can be filled of butter flies and water falles

OR IT CAN BE FILLED FULL OF DEATH AND RIVERS OF BLOOD

life can be filled with giggles and smiles

OR IT CAN BE FILLED OF CRYING AND SARROW

LIFE life LIFE

Lost And For Gotten

broken and shaterd among the lost and for gotten souls seeking light twisting
and turning from the darkness to night broken souls and shaterd harts take your
revenge on the good will souls to night broken and shaterd thay will soon
become the lost and for gotten souls that we once where

My Bride

im not realy sure how im not sure why my beautiful bride could commit that
horrible suicide

danyelle tedrow

My Broken Wings

my wings where broken thay where turning
in to dust
then you came and lefted them up
i cry and cry
then you came and wiped away my tears
i bleed and bleed
and you came and bandage me up
i thought and thought
of commiting suicide
and then you came and scared the thought away
i sleep, t and sleep, t
and never wanted to wake up
and then you came in to my life and made me
rise like sun shine
thank you thank you
my very best friend i felt empty
but now i fill whole

this poem is for a friend who is given up and i don, t want her to and i hope see
reads this she means the world to me love ya girl

danyelle tedrow

My Happy Ness

my life was sad and alone till the day i meet you my soul was lost but you found it and you picked up the mess of my life and glued it back to gether you are the sun to my shine the beat to my heart your the one who made me smile and laugh you made me not so dark ene more

danyelle tedrow

My Hart Is Happy

the felling i get wene i see your face
oh the joy it brings me
oh how i long for you how long iv waited in the dark hopen one day
a love would left me up and make me whole thank you my darling i will
all ways be great full you came in my life

danyelle tedrow

My Hate

my head is full of hate and my heart is full of ice and my soul is nothen but dust
my life less eyes are like staring at the dead trees in the winter i cover my arms
and legs 2 hide what my life less soul has cause me to do my love my hate my
suffering

danyelle tedrow

See Me Cry

How can you stand there and watch me cry and say you care wene you are the one that made me cry how can you say you im beautiful wene you gave me these scares how can you call your self a man wene you beat on a women how can you live with your self and the thing I ask my self every day is how can I still live with you

danyelle tedrow

She Needs You

you see the way she walks
you see the way she talks
you see the way she smiles
but you dont see the way she hides all her cuts
and you dont see she needs your help

danyelle tedrow

The Apple

the apple sits there with out a care no thought no felling just sits ther looken so
sweet so juicy so red the sweet smell entice you to take a bit but do you dare
take a bit of a for forbindden frut

danyelle tedrow

The Place

im in a place
where no bodys wants to be
im in a place where every body screams
im in a place
where thay dope you up
im in a place
where you hang your head in shame
im in a place
where there is no sunshine and hope
im in a place
where thay say your nuts
im in a place
where i just dont wanna be
im in a place
where i shouldent be

danyelle tedrow

The Rainy Day

the sky is dark and deam the sweet smell of wet grass lengers around the smell reminds me of you the dark deam sky reminds me of you siting in the wet grass with out a care reminds me of you walken throw the rain reminds me of you siting on the porch drinken ice tea reminds me of you lisen to the rain reminds me of you every thing i do reminds me of you i remeber that dark and rainy night you called me and side its time im sorry and i love you i no what was going on by the time i got to your house it was to late i cant belive you did that the rain the dark deam shy maks me sad all the time but one thing i will all way remember that rainy night

danyelle tedrow

The Sad Friend

i have this friend that sees me for me and doesn't judge me for saying stupid things when i go to look my friend in the face to say hello i realize it's me looking in the mirror my one and only best friend is me

danyelle tedrow

The Shell

i have thise shell that whont go away its so pain full the memerois i have makes me so sad and you think its funny to see me in pain as icry you smile as i weep you you smile you made me do the un thinkable thing you made me die in side the cuts on my arm remind me to never trust agen my shell of pain and suffering

danyelle tedrow

The Wrong Suicide

suicide suicide are you here for me to night
suicide suicide take me away in that sweet sweet pain
suicide suicide the way out of my pain
suicide suicide where is my lil razor blade
suicide suicide why must you make me cry
suicide suicide why must you be on my mind
suicide suicide make me bleed havelly to night
suicide suicide i bid you good bye

danyelle tedrow

Things I Love

the cool brezze of the wind

the ice cold tea in my hand

the beautiful sun set glowing in the distance

the squeck of the rocken chair

the sound of singing birds fill the air this are some of the simpelst things i love

danyelle tedrow

What Went Wrong

years may fly bye
tears will dry
hart ach will heal
friend ships will die
souls will be torn
life, s will be taken
cutting all along your arm, s
with out even thinken
the years may fly bye
but my tears will never dry
my hart ach will never heal
and my friend ships are lost and gone
my soul is rip to shreads
im a bout to take my life
so here i am cutting to fill alive

danyelle tedrow

Would You Still

would you still love me if you seen the horrible things iv done
would you hold my hands if you seen my blood soaked rags or would you run
scared or would you call me a moron and a cowerd
would you stand bye me and help me love agen or would you shun me and never
speck to me agen
would you hold me in your arms and tell me that you love me or would push me
down and for get we ever meet or
would you kiss me on the lips and and tell me your gonna stay for ever but thats
only in a prefect world that i would find some one who would expect me and my
scars
