Mistry

I got a postcard in this who believes in me will live even though they die.
John 11: 25,

25 th death anniversary of our mom Elizabeth and 10 th anniversary of our dad J
R Snake man.

We are the children of Mr.J R Snake man invite you to participate in the
eucharistic celebration,

In remembrance of our beloved parents on Sunday at St. Michale cross, New
York.

I was shocked and greatly saddened by the news that Elizabeth had died.

I was shocked and greatly saddened by the news that Snake man had died.

Death is like a ghosts fooled me.

The Queen

Help me'
A soul full song reflected in my dreams,
Yes, there was a Queen inside the prison,
I went to the summer palace,
The king told to me,
"I am blind,
The fallen branch fell to the pain of separation,
Save the Queen";,
King ordered.
The war,
My eyes and heart felt same kind of darkness,
I can accept failure,
Everyone fails at something.

The Red House

Someone is going to come this way one day,

I know I expect a miracle today,

But, no one can come to me unless the street dogs,

No man comes to me except the rain,

I remember when I lost my loneliness rain,

I was an angel of dirty,

Everyone want's to be me or do me,

One rainy day I was tired of my naughty

He runs into someone who exactly like my daughter,

Beware! this market always on fire,

I lost my bleeding heart, so

Nobody comes to me

I like hugging in the rain,

Because no one knows I am crying,

I don't know what to do with my life,

I feel trapped.

They Kidnapped My Lover.

They kidnapped my lover.

I remember her Between the war and love,

It was my first love in the wilderness.

There is a hunger in this wilderness.

I need an answer to my question,

Why did they kidnap Elizabeth smart?

Why did they choose Elizabeth

Who are my enemies?

The enemy of my enemy is my The greatest enemy,

In the spring of 2017 I returned to New York.

The New York the city with everything,

I find him brutally stupid.

How at last I found my enemy?

I caught my girlfriend cheating on me,

All the world is a stage.

But you must not laugh at me darling.

Are you ready to celebrate the end of this ideology? .
