Christmas Time

The answer lies true in my heart
So if I tell you, will you tear it apart
Or will you keep it a secret so only you know
Will you cover it up so it won't show
Will you tell me what I know is true
t eat it...
They are watching...
They will call me a pig...
They will call me fat...
I refuse to eat...
At least here...
To many people...
Watching...
Staring...
I need to be alone...
Alone at last...
I feast...
Chips,
Candy,
Ice cream,
and pop...

Sunshine

The sun is shining
The day is beautiful
Is summer ending?
Oh, another season.

The fall is coming.
Soon the chill will be here.
Leaves turning brown.
Time spent on the deck.

Oh, beautiful summer,
I will miss you so.
But, this is the way
Of the world. Seasons pass.
