Doran Ellis(March 22,1979)

Emerging during the latter half of the 80's, the enormously prolific Modern Poet/Ennoble was one of the leaders of the conscious/Romantic ng lead Poetry back to the mystical and spiritual influence of conscious/Romantic poems, Yet overall, his poems was generally positive, advocating faith and compassion for poor black youth, and respect for women. He remained something of an enigma to the public at large, rarely granting interviews and keeping his appearances to a minimum. Nonetheless, he still ranked as arguably the most popular conscious/Romantic poet, thanks to a normally high standard of quality control. A versatile poet,

Ennoble/Modern Poet was born Doran Ellis on March 22,1979 and was raised in the Harbour View area of Kingston.

Death

By: Mr. Ennoble/Modern Poet
Poems

Death

This thing is necessary, of which we all have to face,
Even if we do not want to,
Different persons have differing views on this subject than others,
Some feel that when one dies,
Their souls roam the earth,
While others feel that once you are dead, you no longer existed whether
physically or spiritually,
Some religious people feel that you die and go to a place called heaven if you
were good and hell if you were bad,
But death to some extent can or maybe beautiful,
However, we should live has how god would like to see us live,
Life is beautiful and seems short,
We all should live like brothers and sisters and put away the crime and bloody
killing.

Eres Hermosa

Eres hermosa

Sus dedos son tan hermosos como los dedos de los pies,

Tus uñas son tan hermosas como tu uña del pie,

Tus oídos son tan hermosos como tu cabello,

Tus ojos son tan hermosos como tu nariz,

Tus labios son tan hermosos como tu pecho,

Su pecho es tan hermoso como su estómago,

Tu estómago es tan hermoso como tus muslos,

Tus muslos son tan hermosos como tu físico,

Su fondo tan hermoso como su gato del gatito,

Friends

Friends

There are good friends,
There are bad friends,
Friends that are only there for you to give them something,
Friends that does the weirdest thing and expect you to still be their friends,
Friends that are bastards,
Friends that are at times a bitch,
Friends that after sometime make you want to kill them,
Friends that are like your brother,
Friends that are like a sister,
Friends that are like your grandparents,
Friends that are like a mother,
Friends that are like a father,
Best Friends that you have feelings for,
Best friends that become your sweetheart,
Best friends that you end up getting married to,
Friends that defend you,
Friends you get to hate,
Friends you have sex with,
Friends that will always be there for you,
Friends that stays true.

Girls

By: Mr. Ennoble/Modern poet

Poems

Girls

They are all nice, loving, caring and unique,
Girls bring us (men) Joy,
Girls can be dangerous,
In that girls cause's Joe grind to get hurt,
Different and apart from that girls,
Can become your one and only woman for a lifetime,
Girls to give you encourage men in times when it is needed,
Girls will look after you,
Most Indian girls need no make up to look fine,
In addition, black girls are a gem,
Girls to be or who is heaven sent,
Girls that need men to feel fine,
Girls that love to have babies,
Girls that is our hearts desire

I Am Missing You

Poem B/7/06

I am missing you

i am missing your touch,
i miss seeing your beauty,
i miss the fact that i am not near you,
i would miss your tender loving care if we had met before,
i miss your kiss i never felt before,
i miss have you in my arms of which you never knew,
i miss not being able have you in my arms,
i miss the fact that i am needing you,
i miss not really knowing you,
i miss and wish i was your lover,
i miss the fact that you would never have known any of this,
i miss you even though i dont really know,
i miss not being able to caress your beautiful body,
i miss you what can you tell me.

I See A World Corrected

Poems By: Modern poet/Doran Ellis

Title: I see

I see a world in struggle,
I see a world in trouble,
I see a world in worry,
I see a world in destruction,
I see a world of violence,
I see a world of abuse,
I see a world of hate,
I see a world of racism all round,
I see a world lacking peace,
I see a world of corrupted leaders,
I see a world lacking promise,
Which can still change?
I see a world of great poverty to some and great wealth to others,
I see a world of fake religion,
I see a world of false prophet's,
I see a world neglecting true religious ways,
I see a world of homosexuals being in high places,
Corrupting the minds and the world
I see a world that needs major changes,
I know I see a world of promise, changes and correct levity,

Ivan

Ivan

Dem think yu soft and think yu never serious,
When yu say a Jamaica and then Cayman yu was heading,
Dem think yu would a die down and dead or cut to a level 2/3 hurricane,
Ivan yu showed them who is boss,
Dem call yu ivan but maybe yu think dem rude for Mas Ivan is what yu want dem call,
Jamaica is a blessed country, which prayed to god to make yu Mas Ivan, take a detour,
But Ivan although yu did not hit us flush,
Mas Ivan boy yu bad nu grapefruit when yu half way through Jamaica yu already kill 11 persons,
Mas Ivan yu leave us with out water and light but I do not know for how long,
The way yu bad yu make the PM call for a period of emergency,
Dem cannot say yu soft for yu beat Gilbert by far and not even at full strength of which yu hit us,
Mas Ivan is yu name not just dry Ivan for yu Dangerous if true,
Dem looter is brave or insane to have being out there with yu,
Dem lucky yu never hit us good for then they would all be dead,
Mas Ivan rule over the rest for yu almost took us to the depths,
However, in god we trust so you run out of luck.

Je Vois Un Monde Corrigé

Poèmes Par: Modern poet / Doran Ellis

Titre: I see

Je vois un monde en lutte,
Je vois un monde en difficulté,
Je vois un monde dans l'inquiétude,
Je vois un monde dans la destruction,
Je vois un monde de violence,
Je vois un monde d'abus,
Je vois un monde de haine,
Je vois un monde de racisme tout autour,
Je vois un monde sans paix,
Je vois un monde de dirigeants corrompus,
Je vois un monde sans promesse,
Qui peut encore changer?
Je vois un monde de grande pauvreté pour certains et de grande richesse pour
les autres,
Je vois un monde de religion fausse,
Je vois un monde de faux prophètes,
Je vois un monde négliger les vraies voies religieuses,
Je vois un monde d'homosexuels étant en haut lieu,
Corrompre les esprits et le monde
Je vois un monde qui a besoin de changements majeurs,
Je sais que je vois un monde de promesses, de changements et de légèreté,

Love

Love

What is this thing called love,
I would really like to know about it,
For I have lost it along time ago,
I though I fell in love once,
With a fine chick (girl, Woman) ,
However, maybe I was wrong,
For I felt no butter flies in the belly,
I did not lose my appetite,
I could sleep when I needed to,
I was not weak in the knee,
So what is this thing called love,
I would love for some fine lady,
To tell me about love and try to make me feel it,
I have never being hurt by love,
Love is distant to me,
Love feel to me to be a fairytale,
Love for me is hopeless,
I met an earth angel,
I think this thing is love,
The real deal,
I hope it is too

Pass Me By:

Passing me by with those sparkling eyes,
Lips of cherry inviting my lips to take a kiss,
Passing me by with those voluptuous thighs,
Encouraging me to walk next to you,
Passing me by my intentions is to speak my mind,
Passing me by I am overwhelmed with joy,
Could it be those divine pair of breasts which caught my eyes?
Passing me by now my wife and life forever more,
Got children to bring the cheers for,
Quite a delight.

Où Est-Ce Que Je Me Tiens

Par: Mr. Ennoble

Poèmes

Où est-ce que je me tiens
Où est-ce que je me tiens?
Est-ce que je suis quelqu'un que vous connaissez,
Où est-ce que je me tiens vraiment est il a un ami,
Où est-ce que je me tiens je me tiens a un frère à toi,
Où dois-je tenir est il a votre compagnon,
Où est-ce que je me tiens est il a un étranger éloigné,
Où est-ce que je me tiens est il a une âme sœur,
Où est-ce que je me tiens?
Oh où, oh où est-ce que je me tiens?
S'il vous plaît arrêtez ma blessure et laissez-moi savoir avec certitude où dois-je
tenir,
Où est-ce que je défends, j'aimerais vraiment savoir?
Je souffre car j'ai besoin de réconfort, de soins et d'amour,
Alors, où est-ce que je suis est ce que je demande vraiment ok belle.

You

You

You make mi happy,

When you are around, I am never sad,

You humbled mi,

You gave mi a sight I never had before,

You make mi hear things I normally ignored,

You make mi wonder if I am in a dream with you and paradise,

I think you are adorable and I will always have a picture of you in mi mind,

You gave mi inspiration,

I think we were meant for each other.

You're Beauty

Poems 11/07

You're Beauty

Your beauty got me feeling speechless,
Your beauty got my head feeling like a merry-go round, when will we be together
arms in arms,
Your beauty got me visioning us hitting the sheets.
You're beauty inspires me,
Your beauty elevate me,
You're beauty lifts my mood,
Your beauty brings chills all over my body,
You're beauty turns me on,
You're beauty gets me randy, you're beauty draws me closer to you,
You're beauty relieves my sorrows,
You're beauty breaks down my defenses,
