Life Is Unfair

Life is unfair
When i'm at home i'm always happy;
but when i get to school
everything changes within seconds

No one wants to be friend
No one wants to talk to me
no one wants to sit with me in class
No one wants to laugh with me

Sometimes i go somewhere
where no one can find me
and cry
but i wonder i have not done
anything to anyone
why is it everyone hates me

Life is always unfair
You can't live in a world
where everything is fair

Life is unfair

My Mother

I love my mother,
she is the one who bears the sweetest name
and she is always loving and caring
long life for her, for there is no one
to take place of my dear mother
i love you mum
