## DRASHI SHAH(31/05/1994)

i love writing very much..... i don't know from when onward i made poetry my field of interest, but since I'm indulged in it.. I'm in love with nature and according to me all this credit goes to my love who had encouraged me a lot to keep on writing.. First i use to write only for him, still it is the same I'm writing on him only but publishing it everywhere: D... thank you very much my love... I love you.

### 3 Words...

So many things to  
Say you,  
So many talks to  
Share with you,  
So many days to  
Spend with you,  
So many words to  
Describe you,  
So many things to  
Give you,  
So many surprises  
Waiting for you,  
So many photos to  
Click with you,  
But at present I  
Have only  
Three words to  
Describe you,  
To elaborate you,  
Express love to you,  
& to have you, that;  
'MY BEST CHOICE'  
'YOU ARE 'SHRUSTI''  
'YOU UNDERSTAND ME'  
'TOUCHED MY HEART'  
'ARM IS PILLOW'  
'CLAIMED BEST LIFE-PARTNER'  
'NEVER LEFT ALONE'  
'MY LUCKY CHARM'  
'MY ENTIRE DESTINY'  
'MY FINAL DESTINATION'  
'WE ARE SOULMATE'  
'MADE FOR EACHOTHER'  
'EACHOTHER'S HEART BEAT'  
'LIFE IS YOU'  
'LOVE IS YOU'  
'REASON OF SURVIVAL'  
And  
'I LOVE YOU'...

- My love I'm really very much thankful to god to have such a angelic person in my life.. Love you for the reason you are...

DRASHI SHAH

**4th April,2016**

You keep starring me,  
I'll do the same.

You keep understanding me,  
I'll do the same.

You keep trust on me,  
I promise I'll never break.

You keep suprising me,  
I'll make out the same.

You keep Smile on my face,  
I'll do the same.

You keep holding my hand,  
I promise I'll never leave it.

You keep loving me,  
Sorry;  
This I'll do more than you  
And more than my life.

# Dear Dad

You are not a Actor,  
nor a film-maker still,  
you are marvelous factor,  
and a great director...

You are not a Tree  
that gives us shelter but  
you are that warm shade  
under which I grew up...

You are not a stunt-man  
that would peel-off bad men;  
still you are a great man  
who saved me always from worst men...

You are not any lotion  
that would heal my skin  
still you are the healer of  
my sadness, wound ness and broken heart....

You are not a big hero,  
that is found in many eyes  
but you are that superhero  
found only in you daughter's eyes..

You are not a coal,  
that would catch fire rapidly  
still you will caught red, if  
one will put me in danger bed...

You are not a wonderful place  
where one and all like to come  
but my 'Dear Dad' to sleep  
in your lap is that place  
where I feel SHRUSTI under my feet.....

-LOVE YOU DADDY

# Dream Boy

My eyes, looks at him continuously.  
My mind, thinks about him undoubtedly.  
My lips, forms to speak his name.  
My smile, The reason is he...  
His hair, I like to play with it  
His hug, best remedy to be stress free.  
His kisses, fire on a cold winter's day.  
His touch, makes me shy with smile of love...  
His eyes, favorite place to get lost inside.  
His hands, holds me tight in his 'shrusti'.  
His personality, fits mine perfectly  
His name, my Dream boy..  
My only wish,  
To be his forever.  
My only desire,  
To achieve his last name...

## First Ride... (13/12/12)

A sudden meet at an antique place,  
Waiting eagerly to meet each;  
With heart full of anxiety & love enrich,  
To make this moment stay memorable;  
We had our &quot;first drive&quot;  
This made me feel like;  
&quot;Shrushti&quot; in my palm.....

# Holding Hands..

The path will lead me further  
was full of dark,  
Suddenly you arrived, hold my hand  
and lighten my path,  
Till late and even in dream  
one question strikes repeatedly;  
that who was the one to paint  
my life into gold..  
praying to god that just once, bring  
the person who hold my hand,  
After a long await, it was a day  
when your face revealed  
And to my great ever astonishment it was  
none other than you hibou,  
my eyes turned in small river  
by knowing you great towards me  
as I thought no one lives for me,  
while you was the one who was surviving  
only n only for me,  
Ohhh..! ! My love since that moment, I hold  
your hand and want to confess in front of 'shruti'; that:  
'Holding hand with 'YOU' is the best decision 'I' ever  
made.....'

- lost in you love you.....

# I Just Want To.....

I just wanna go deep inside the ocean of love,  
n that ocean is you.....

I just wanna live a life like butterfly, n wanna suck the juice of sweetness,  
n that flower is you.....

I just wanna write my few special words on someone,  
n that someone is you.....

I just wanna take an restless sleep on shoulder of someone,  
n that someone is you.....

I just wanna summoned myself to someone,  
n that someone is you.....

I just wanna live for a reason,  
n that reason is you.....

I just wanna be a gorgeous bride of a dashing groom,  
n that groom is you.....

I just wanna lie on bed, n would see dream of someone,  
n that someone is you.....

I just wanna call my daughter first word 'dadda',  
n her dad would be only you.....

i just wanna be yours forever..... LOVE YOU.....

# Little Dream

Dream that I had  
of someone to be  
forever love of him  
And still that's an hope

An angelic person  
studded in black  
with real diamonds  
in his hand.

Was on the  
winged horse that too  
steed with beautiful  
silvery wings

Both moving swiftly  
on the hilly mountains,  
Eyes was gazed  
at him only.

Suddenly, what so  
happened! ! !  
snow white horse  
stood near me!

That angelic person  
bend down and  
asked me  
'Will you be mine'

Happily I opened  
my eyes to  
say 'YES' but  
all vanished

ohh..! ! My dream  
since ages we  
are playing  
hide&seek; only

My little dream  
how long will you  
make me wait  
please soon be REAL....

## Love From Bottom Of Heart...

Though very difficult,  
Though very hard,  
Not easy to achieve,  
Not easy to handle,  
Still you loved me from  
The bottom of your heart..

Upcoming disputes,  
Upcoming talks,  
Unnecessary walks,  
Late night talks,  
Sometime tear,  
Still love to hear,  
That you love me from  
The bottom of your heart..

Many fears,  
Then also near,  
A lot of miles between,  
Still we smile,  
Because we love each other  
And I promise further  
To love you  
From bottom of my heart...

Can use this line,  
From the bottom of heart,  
Just because,  
You allowed making  
Our heart as one...

-love you for the reason you are...

Juggling work, play and chores.

# Money..

Is this word  
everything?  
Is money  
more than a life?

I had heard  
many tales  
many desires  
in many diaries

It gives happiness,  
It gives anything,  
Is money,  
the ruler of us?

I saw happiness  
in eyes of person  
who wore torn clothes;  
but enjoying with family.

I saw grief  
in eyes of person  
who wore designer clothes;  
still sad without family.

God's will  
is also  
too great,  
cannot be judged.

I see everyday  
many families  
sitting together  
and begging money.

Along, I see  
many families  
living individual  
wasting money with craziness.

Seriously,  
There are many things  
better than money,  
but unfortunately  
we need money to buy them.

And, It's true,  
Person is dying  
to earn money;  
But, will it be  
useful after death too?

- If money is everything, can it buy love of families too?

# Never Let You Go...

Some have found their true love,  
some are searching their true love,  
some are ditching their true love,  
some are praying for their true love,  
but I'm lucky to  
not among these some;  
as I found you from  
this enormous 'Shrusti',  
I'm crazy for you,  
And that's the reason to  
'Never let you go..'

-Love you madly my kalakar...

# Only Yours....

You said me once,  
Twice, thrice, and  
Many more times,  
That I'm your  
Lucky charm  
But darling  
You are mistaken  
Though right,  
I'm your fate, because  
Just have a look  
In your heart,  
You will find  
A red room  
Full of love and  
There will be a girl  
On the door step  
To welcome you inside,  
And to walk  
And shower  
The happiness of  
Whole 'shruti' on you..  
And that girl would be,  
Your wife,  
Your life,  
Your rest,  
Your luck,  
Your friend,  
Your charm  
And  
Your everything...  
And  
That girl,  
That fate,  
That luck  
Would be only me,  
And I would be only yours  
Always...

-pleases accept me my love; promise I'll convert your life in happiness...

# Smiling Creature

Saw you Monday  
saw you Tuesday  
saw you everyday  
with a dazzling smile....

Like to talk  
even with you  
in the rush  
just for your smile.....

Makes me crazy  
Makes me wonder  
that how you  
smile till so longer...

Saw many difficulties  
all hugging you  
still there was  
inbuilt smile in you....

Ohh...! ! my friend  
still I'm curious  
for the hidden truth  
behind your marvellous smile...

Not your looks  
Not your style  
only your smile  
makes you special lots mile.....
