Dog, Dog

Dog, Dog I love when you
wag your tail back and forth! ! !
I love when you lick me
with all your slimy tongue.

Dog, Dog I love when
sun is bright on your fur.
I love you black spots
and brown eyelashes and
your white fur.

Dog, Dog
I love your bark
arf, arf, arf, arf
I love when you sleep
with me with your warm fur.

I Feel

When there is
wind, I feel
free from everything

When it's raining
I remember the
bad stuff and
I go out
to take a chance
to cry, because
nobody will notice
I'm cry

And when it's
hot or warm day
I feel running
to a party
Have Fun and
forget about my
problems

I..Always..

When I'm asleep
or awake
I always think
about you
I like when Im
in your arms
and when you say
'Im happy and glad your in
my life'
When we let go I feel grabing
you, never let
yopu go
When I need somebody
you right there
trying to cheer me up
I feel secure
with you
But now you are
leaving me
I feel lonely
and that the world is
crashing
You always gonna be MY BEST GUY
FRIEND
even though you don't know
I had a crush on you
since long time
ago.

Life Is...

Life is full of
ENJOYING!
Life is also
LOVE and
HOPEFUL!

Life is
ENJOYING
when you are
with your FRIENDS
or FAMILY!

Life is LOVE
when you
spend time
with the
people you
LOVE!

Life is HOPEFUL
when you
think you can
make what you
WANT!

SO ENJOY
THE LIFE YOU
GET ! ! ! ! !

Love..Amor

Love is there is
that we dont see it!
Love is hurtful and
sometimes alot of jealousy.

Love is the person you
want to be with not with a person
you dont want to be with
Love makes you do crazy stuff
but it worth of it!

Love can be express
in many ways.
But the ways im showing
my love
Is because I love you its because I
want to be with you and LOVE YOU!

Love can be said different languages
But it doesn matter because i know how much I love YOU
Amor.

My Dear Bella,

My Dear Bella,
my beautiful bunny
with black spots and
your dark brown
eyes.

My Dear Bella,
I love when you
bit my shirts
and rip them.

My Dear Bella,
I love when
you eat like when
you eat a cabbage
and carrots.

My Dear Bella,
I love when you
hop fast and also love
when you give me
kisses!

Bella I will MISS YOU
AND I KNOW YOU
ARE WITH
GOD! ALSO I HOPE
THAT YOU LIKE
THAT WE BURIED YOU
AT THE GARDEN WHERE
YOU ATE!
REST IN PEACE MY DEAR
BELLA MY BUNNY! ! ! ! WE
ARE SAD THAT YOU
DIE IN YOUR 3
MONTHS! ! ! YOU ALWAYS BE
EVERYBODY'S MIND! ! WE REMEMBER
YOUR MEMORIES! ! ! ! ! ! !

My Other Half

My Other Half is lost
and I'm trying to find him.
Along the way I suffer
trying to find
'My Other Half'
But also along the way,
I experience things that
help me to find you!

What Do You Feel?

Do you hate me or what
do you feel about
me!
When you see me, you
look at me 4 long
time
Then I look at you
Then you turn
away and laugh
or just get mad 4 nothing
We never talk or even say a word
2 each other!
You never acted this
way with me until
you saw me hanging out
with one of my friendz
You are just judging
me like that..You dont
even know me
I dont judge you
cause you are a
PLAYER
What did I do to
You! ?
