((Favorite quotes :))

By the time you swear you're his...shivering and sighing...and he vows his passion is...infinite undying...lady make a note of this...one of you is lying

A diamond is just a piece of coal that handled stress really well

we loved with a love that was more than love

dont let yesterday take up too much of today

831 means i love u...8 letters...3 words...1 meaning

In true love there can be no happy end to it

love is like balloons...when u let go it flies away

when darkness falls upon me in the silence of my heart and the world turns to abandon i will not fall apart for i believe in something deeper than the physics that we share and i will strive with all my power to reach the 8th and final square

To be your friend was all I ever wanted; to be your lover was all I ever dreamed.

You are what I never knew I always wanted

Sometimes I wish I were a little kid again, skinned knees are easier to fix than broken hearts

a broken heart is like a broken mirror...its better left broken than to hurt yourself trying to put it back together

Don't say you love me unless you really mean it, because I might do something crazy like believe it.

If I had a single flower for every time I think about you, I could walk forever in my garden.

Love is when you let your true self shine  
&&hes right there by your side to watch you sparkle.

Girl: Do you like me?

Boy: No

Girl: Do you want me?

Boy: No

Girl: Would you cry if I left?

Boy: No

Girl: Would you live for me?

Boy: No

Girl: Would you do anything for me?

Boy: No

Girl: Choose-me or your life

Boy: My life

The girl runs away in shock and pain and the boy runs after her and says...

The reason you never cross my mind is because you're always on my mind.

The reason why I don't like you is because I love you.

The reason I don't want you is because I need you.

The reason I wouldn't cry if you left is because I would die if you left.

The reason I wouldn't live for you is because I would die for you.

The reason why I'm not willing to do you anything for you is because I would do everything for you.

The reason I chose my life is because you ARE my life.

DONT BE AFRAID TO LOVE CUZ NOT EVERY ONE WILL HURT YOU..

Love is an irresistible desire to be irresistibly desired.

Love me now, or love me never, but if u love me, love me forever

Never frown, cuz u never know who is falling in love with your smile

Behind every girls smile...there is a boy who put it there

you dont know it, but you could have me in a heartbeat if you wanted to

i dont care how many fish there are in the sea, i dont want a fish, i want you

love is the most cruelest form of affection and the sweetest form of torture

meeting you was fate, becoming your friend was choice, but falling in love with you was beyond my control

its a confusing world out there, but it all makes sense when im in your arms

tell me you want me to stay forever, cuz heaven can wait

every story has an end, but in life every end is just a new beginning

# 5 W's Poems For Poetry Project(Written On May 4th,2009)

Larry  
is strange  
all the time

Each day that passes by  
she sits there all by herself  
Because she never expected him to break her heart

My best friend  
is the kindest person i know  
Shes always there for me  
Everywhere we go  
cuz shes awesome

Max

When he wants to be  
At my house  
Because he's dumb

# All I Asked Was Why(Written On July 17,2008)

You slapped me  
You called me names  
Im sick and tired  
Of your silly games

You yelled at me  
And screamed in my face  
Now all my bad memories  
Cannot be erased

You made me hate myself  
Filled my heart with so much pain  
And i know if i go back to you  
Youll just do it again

You left me for her  
Now im cold and broken inside  
The funny thing is  
All i asked was why

# Allenah(Written On March 25,2009)

You are my angel  
My favorite little girl  
You mean so much to me  
To me you are the world

I will always be there for you  
So believe me when I say  
I will love you forever  
Though you're so far away

With your bright blue eyes  
And your heartwarming smile  
Just to see you again  
I would walk for miles

You're my very best friend  
And you're only six years old  
You're my little sister  
And I need you to hold

# Behind Every Smile(Written On May 5th 2010)

Behind every smile  
There are tears left unshed  
And after we've parted  
There's still words left unsaid

Deep down in our hearts  
There are secrets that we hide  
Another day passes  
And were closer to goodbye

All the feelings we have  
That we still havent shared  
All the times that we've been lonely  
Even with eachother there

## Broken Memories(Written On: June 22,2008)

Ive memorized the way he walks  
And the way he talks to me  
Everything about him  
And the way he used to be

Ive memorized the way he laughs  
The dimples on his chin  
Ive memorized his eyes  
And the way he used to grin

Ive memorized his favorite color  
And his sense of style  
Ive memorized the way he says my name  
And his crooked little smile

Ive memorized the last thing he said  
The words he spoke with little care  
I memorized the day he left  
All the emotion that is no longer there

# Couplets For My Poetry Project

Me and my friend Raven  
Are always misbehavin'

I love my mom  
She is the bomb

I love walking in the rain  
It helps me forget my emotional pain

My brothers name is Lance  
He really likes to dance

I love to smile when things go wrong  
Only cuz I've found someone to blame it on

Elizabeth Burnworth

## Dear Justin(Written On February5,2009)

Im bleeding on the inside  
My heart is torn in two  
Trying too hide the damage  
That was inflicted before i met you

And as i pick up the peices  
Of my heart lying there on the floor  
I wonder if our love will last  
And grow into something more

You gave me what i needed most  
The love i never knew  
And now its impossible to see  
Me living my life without you

For all that you've done, I must thank you  
But i dont know where to start  
If i could give you anything in return  
It would have to be my heart

Elizabeth Burnworth

## Dear Mom #3(Written On March 5th 2009)

I won't let you hurt me anymore  
It's time to move on  
I'm done with your lies  
So forget it...I'm gone

I'm shutting you out of my life  
Forgetting that you were ever there  
I know you never loved me  
But I refuse to care

As soon as you walked out that door  
You lost my respect  
I know that's hard to understand  
But what did you expect

So I'm warning you now  
You better stay away from me  
Or I will cause you so much pain  
I hope that's clear for you to see

Elizabeth Burnworth

## Dear Mom(Written On February 5,2009)

Here i stand before you  
Trying to make you see  
Though i cannot make you love me  
In my heart youll always be

Im sorry i wasnt good enough  
For you to want to stay  
That is why you left me  
On that heartbreaking day

The pain youve caused me  
Is much to great  
You showed me no emotion  
And for that ive learned to hate

So why is it, my love for you  
Is unlike any other  
And though youve caused me so much grief  
Youll always be my mother

Elizabeth Burnworth

## Did You Forget(Written On September 8,2008)

Did you forget I have feelings  
Did you forget that I care  
Did you forget tht you hurt me  
It just doesnt seem fair

Did you forget that i loved you  
Did you forget that you lied  
Did you forget when you left me  
I sat down and cried

Did you forget that i trusted you  
Did you forget that I dont  
Trust you anymore  
i cant and I wont

Did you forget that you called me  
And begged me to take you back  
But i turned you down  
Thers just some things you lack

## Dont Come Crying To Me(Written On: July 3,2008)

Dont come crying to me  
When she cheats on you  
Dont tell me that you want me back  
Thats something i wont do

Dont come crying to me  
When she tells you a lie  
dont beg me for forgiveness  
I wont give you another try

Dont come crying to me  
When you can no longer take it  
Dont tell me that you love me  
I know you'll take my heart and break it

Dont come crying to me  
When she dont love you anymore  
Dont tell me that youll change  
Ive heard these lies before

Elizabeth Burnworth

## Dont Judge Me(Written On 2/11/10)

i feel guilt  
and i feel pain  
i might love me  
but im not vain  
im just your average teenage girl  
i feel happy  
i feel sad  
i get silly  
i get mad  
im just another person in this world  
I feel love and i feel hate  
i believe in destiny  
and fate  
im just like evrybody all around me  
i try my best not to blend in  
but its the same  
in the end  
im just like you  
dont judge me

Elizabeth Burnworth

# Don'T Tell Me That You Love Me(Song Version)

Don't tell me that you love me  
Don't even try to lie  
Cuz everytime you hurt me  
I break down and cry

Chorus 1:

You can go now  
Cuz I don't really care  
I'll be happy  
When you're no longer there  
So go away  
I don't need you anymore

I know that you don't love me  
And I know that you don't care  
All the pain you put me through  
Is too much for me to bare  
Don't tell me that you love me  
Don't tell me that you've changed  
Cuz deep down in my heart  
I know you'll always be the same

Repeat Chorus 1

I'll never pretend to understand  
Won't even try to see  
The reasons why you hurt me  
Don't tell me that you love me

Repeat chorus1

It's been a while  
But now I finally see  
Youre still the one I want  
Please come back to me

Chorus2

Don't go  
Cuz I still care  
I'm not happy  
You're no longer there  
Please stay  
I still need you  
But you're not here...anymore

Elizabeth Burnworth

# Dont Tell Me That You Love Me(Written On July 2,2008)

Dont tell me that you love me  
Dont even try to lie  
Every time you hurt me  
I break down and cry

Dont tell me that you love me  
Dont tell me that you care  
all the pain you've put me through  
Is too much to have to bare

Dont tell me that you love me  
Dont tell me that you've changed  
Cuz deep down in my heart  
I know you'll always be the same

Ill never pretend to understand  
Wont even try to see  
The reasons why you hurt me, so...  
Dont tell me that you love me

# Elizabeth And Justin

8 long months  
that seemed to go by so fast  
Again I'm broken inside  
i knew this wouldnt last  
I still don't know  
what i did wrond  
the love that we had  
it felt so strong  
i knew that this would happen  
again my heart is busted  
and no longer will we be

# Everytime A Teardropp Falls(Written On February 13,2010)

every time a teardropp falls  
She adds another brick  
To the wall around her heart  
to block out the pain  
And to keep  
Her world from falling apart  
Shes waiting for the guy  
To come along and tear it down  
But until then  
she'll be silent  
Not making a sound  
But he better hurry  
Because that wall gets bigger  
Every time a teardropp falls

Elizabeth Burnworth

# Finally Its Over(Written On September 28,2008)

Finally its over  
He's out of my head  
I dont cry anymore  
I dont wish i were dead

Finally its over  
Now i can smile  
I healed from the pain  
Though it took me awhile

Finally its over  
I can laugh again  
im loving my life  
Because i got over him

Finally its over  
My life is worth while  
Now i can look back on my life  
and still smile

# Forever And For Always(Written On: March 26,2009)

Forever and for always  
He will have my heart  
So he'll never feel lonely  
When we are far apart

Forever and for always  
He'll be the one i care about  
The one that i will love the most  
And i will never walk out

Forever and for always  
He'll be on my mind  
Cuz the love i have for him  
Is the kind thats hard to find

While he loves me also  
I'll be here to stay  
Because i will need him  
Forever and for always

Elizabeth Burnworth

# Forever Isn'T As Long As It Used To Be(Written On July 4th,2009)

You said that for always  
You'd spend your life with me  
But I guess forever  
isn't as long as it used to be

I loved the time we spent together  
The memories we shared  
When you told me that you loved me  
When you told me that you cared

From being with you, I learned  
That I shouldn't believe what people say  
Too many have lied to me  
Too many have walked away

So I'll try harder next time  
But now I finally see  
Nothing lasts forever  
Cuz forever isn't as long as it used to be

Elizabeth Burnworth

# Forget Him(Written On July 13 2008)

Forget him  
her friends would sayforget him  
The pain will go away

But she couldnt forget t  
The love they once shared  
How happy they were  
Was beyond all compare

She wouldnt forgive him  
Because he hurt her so  
She wouldnt forget him  
She wouldnt let go

She coulndt forget him  
Couldnt end the pain  
So she ended her life  
The very next day

Elizabeth Burnworth

# French Love Letter

Tu me manquez

Je t'aime

Je vous souhaite de mines ont ete

mais je sais que vous ne voulez pas de moi

et je sais que vous n'avez pas besoin de moi

Suis-je destinée à être seule pour toujours

Peut-être

est-ce jamais très longtemps

mais ils passent plutôt seul si je ne peux pas avoir avec moi

Vous dites que vous m'aimez

Mais je ne crois que tu vas dire

Sinon, vous seriez ici

me tenant

Je t'aimerais toujours

## French Love Letter(English Version)

I miss you

I love you

I wish you were mine

But i know you do not want me

And i know you do not need me

Am i destined to be alone forever?

Maybe

Forever is a really long time

But id rather spend it alone if i cant have you with me

You say you love me

But i dont think you mean it

Otherwise you'd be here...

Holding me

I'll love you forever

## Goodbye(Written On March 15 2010)

we are just friends  
you cant be the one  
our being together

Elizabeth Burnworth

## Have You Ever(Written On: July 3,2008)

Have you ever given someone your heart  
and they turn around and break it  
Have you ever loved someone  
So much, you cannot take it

Have you ever trusted someone  
Even when they lie  
Have you ever asked yourself  
Have you ever wondered why

Have you ever been lied to  
Have you ever been cheated  
Had someone hurt you way too much  
And now you feel mistreated

Have you ever loved someone  
And they dont feel the same  
Have you ever hurt that much  
Have you ever felt that pain

Elizabeth Burnworth

## He Left Her Alone(Written On: June 16,2008)

He left her alone  
He should've known the pain it would bring  
That was so long ago  
now she cant feel a thing

He played with her mind  
On purpose he tried  
She asked do you love me  
On purpose he lied

After he left her  
Her best friend was a knife  
A couple days later  
She took her own life

He couldnt believe it  
He never knew  
All this time that she loved him  
He loved her too

Elizabeth Burnworth

# He Told Her He Loved Her(Written On September 29,2008)

He told her he loved her  
And it was totally true  
He asked her to marry him  
But she didn't know what to do

She wanted to say yes  
But htought of saying no  
She couldn't make up her mind  
Didn't know which way to go

After a while  
He got tired of waiting  
He ended their love  
Simply by saying

I love you so much  
But you're wasting my time  
Why can't you decide  
If you want to be mine

Elizabeth Burnworth

# Here I Am In Darkness (Written On February 10th,2011)

here i am in darkness  
tired of living a lie  
sitting alone and broken  
wiping away the tears that i dont cry

here i am in darkness  
blood covering the ground  
razor blade in one hand  
and silence all around

here i am in darkness  
my limp body on the floor  
i look up and see a shadow  
that wasnt there before

here i am in darkness  
fighting to get free  
because i wouldnt stop for death  
he finally stopped for me

Elizabeth Burnworth

## He's Just A Guy(Written On: June 17,2008)

Hes just a guy  
Not that important  
hes just a guy  
Not really worth it

Its not your fault  
you're not to blame  
Hes just a guy  
They're all the same

They'll love you  
Then leave you  
They'll flirt  
And they'll tease you

One broken heart  
After another  
Hes just aguy  
Dont bother

Elizabeth Burnworth

## Him (Written On February 4,2009)

He means more to me  
than anything in the world  
He doesnt judge me  
And he has shown me more kindness  
Than anyone Ive ever known  
He treats me like a person  
Like im worth something  
Ive come to love everything about him  
And if he left me  
A part of me would die  
If the world was ending  
All id have to do is think about him  
And nothing else would matter  
I dont remember ever feeling this way  
I love you Justin Walker

## I Am From#2(Written On April 20,2009)

I am from coloring books  
From hairdye and gummy bears  
I am from the garden in front of my house  
Full of life and beauty  
I am from the red lace leaf  
The japanese maple in my front yard  
I am from the little man with the green beard  
From blue eyes and dark brown hair  
From Todd Loren and Sandy Sue  
And the Burnworth family tree  
I am from sleepin in on weekends  
And talking way too much  
From because i said so  
And youre worth more than u think  
I am from a christian family  
But rarely ever going to church  
I am from Lakewood Washington  
From butterscotch fudge and homemade brownies  
From the mother that refused to accept me  
And the stepmom that believed in me when I ceased to believe in myself  
I am from the scrapbooks  
Made by me and my friends  
Full of poetry and pictures  
And memories that we'll never forget

In this poem i mention the little man with the green beard...it is a family tradition that my stepmoms grandma started...on new years eve you put your shoes out by the door before you go to bed and the little man with the green beard puts stuff in your shoes...it really silly but who cares!

# I Am From(Written On: February 6,2009)

I am from coloring books  
And playing in the dirt  
From catching frogs out by the lake  
And smiling when i got hurt

I am from hair dye  
And playing silly games  
Frome freeze tag, and hide and seek  
To calling people names

I am from hiding my feelings  
And pretending my life has gone well  
From making everybody laugh  
And getting back up when i fell

When im ready to live my life on my own  
With all the things yet to come  
Ill never forget my family and friends  
And ill remember where im from

Elizabeth Burnworth

# I Am Yours(Written On February15,2010)

I'll catch you when youre falling  
I'll hear you when youre calling  
I am yours

I'll lift you up when youre down  
I'll make you smile when you frown  
I am yours

I'll comfort you when you cry  
I'll be forever by your side  
I am yours

I'll do anything to prove I care  
I will always be there  
I am yours

I'll make your grey skies turn to blue  
I'll do anything for you  
I am yours

Hold me close to your heart  
Don't let them tear us apart  
I am yours

Elizabeth Burnworth

# I Am(Written On April 6,2009)

I am hiding from myself  
I wonder how long the pain will last  
I hear the voice that tells me i cant  
I see the world head to ruin  
I want to forget  
I am hiding from myself

I pretend that i am happy  
I feel lost and alone  
I touch the scars from my past  
I worry about tomorrow  
I cry when i am alone  
I am hiding from myself

I understand that nothing lasts forever  
I say that im alright when im not  
I dream of a day when i can laugh freely  
I try to move on, though the world has walked out  
I hope this feeling wont last  
I am hiding from myself

# I Believe(Written On May 12,2009)

i believe in love  
And i believe in laughter  
I believe in fairy tales  
And happily ever after

I believe in friendship  
I believe that its ok to cry  
I believe that life is worth living  
And i believe in doing whats right

I believe in having faith  
And standing up for what you believe  
I believe in moving on  
When someone you love leaves

I believe in loving with all that youve got  
I believe that family comes first  
But most of all, i believe in turning to God  
When life takes a turn for the worst

# I Can'T Believe You Left Me(Written On July 15,2008)

I cant believe you left me  
I cant believe you're gone  
Was it something that i said  
Did i do something wrong

I cant believe you left me  
I really thought you cared  
Did you forget that i have feelings too  
Did you forget the things we shared

I cant believe you left me  
Icant believe you lied  
I dont want to understand  
I wont even try

I cant believe you left me  
Ireally dont know why  
But everyday these questions run through my head  
Then i sit down and cry

# I Have But One Heart

I have but one heart  
It's been scarred and abused  
Broken and used  
And I am cold and alone  
I have but one heart  
And without your love i won't make it  
I have but one heart  
If you want it...  
Come take it

# I Love You(Written On: May 18,2009)

i have no clue what the future holds  
But with you is where i want to be  
And im hoping that tomorrow brings  
Another day with you and me  
You are my everything  
And I've fallen in love with you  
And I'm hoping that you feel  
The same way that i do

I love you

## I Love...(Written On: May 15,2009)

I love walking in the rain  
On a cold and stormy day  
I love the way it feels  
When it falls upon my face

i love talking with my friends  
When I'm having a bad day  
They make me smile again  
And remind me that everything is okay

I love to laugh at nothing  
Even though I am afraid  
Of making a fool of myself  
But laughing keeps the sad away

I love the rain and my friends  
I love laughter and my family too  
I love everything about my life  
But most of all...  
I love you

# I Never Thought I'D Say This(Written On: July 3,2008)

I never thought I'd say this  
But I'm still in love with you  
But I will not take you back  
Because of the pain you put me through

I never thought I'd say this  
But i still love the way you grin  
I will never take you back  
I cant let you break my heart again

I never thought I'd say this  
But i still smile everytime i hear your name  
I can not take you back  
Youll always be the same

I never thought i'd say this  
But i really miss you  
I can not, will not take you back  
Thats just something i cant do

Elizabeth Burnworth

# I Promise

I'll always be beside you  
Until the very end  
Wiping all your tears away  
Being your best friend  
I'll smile when you smile  
And feel all the pain you do  
And if you cry a single tear...  
I promise...  
I'll cry too

# I Seem To Be...But Really I Am(Written On April 9,2009)

I seem to be  
Full of laughter and smiles  
But really I am  
Hurting inside

I seem to be  
Fearless  
But really I am terrified  
Of everything

I seem to be outgoing  
But really I am a person that  
Doesn't care

I seem to be able to get along with everyone  
But really I am  
A person that would rather be alone

I seem to be a girly-girl  
But really I am someone  
Who would rather play football  
Than wear makeup and jewelry

# I Want To Know What Love Is(Written On May 4,2009)

Here i sit; daydreaming  
just thinking about life  
and then i start to wonder  
how does one know the true meaning of love  
Is it when you cant go a single day without thinking about the person that makes  
you smile  
Or when you know that they are worth your tears but they would never make  
you cry  
Or maybe its the person to whom you give the power to break your  
but you trust them not to  
What about every time you hug them  
and you still feel like youre not close enough  
Maybe the only time you really know when youre in love is when they leave you  
and you slowly start to die inside

Elizabeth Burnworth

# I Was Thinking About Your Smile(Written On July 13 2008)

I was thinking about your smile  
Just the other day  
Thinking about the way you left  
As the tears rolled down my face

I was thinking about your smile  
When i was by myself  
Just thinking about you  
And the day tha you left

I was thinking about your smile b  
Before i went to bed  
All my memories of you and i  
Were rushing through my head

Even when i grow older  
Which is gonna take awhile  
Ill remember how much i love you  
And ill be thinking about your smile

## If You'Re Asking(Written By Alexandra Jefferson)

If you're asking if I need you...

The answer is forever

If you're asking if I'll leave you...

The answer is never

If you're asking what I value...

The answer is you

If you're asking if i love you...

The answer is I do

# I'LI Love You Forever(Written On: March 26,2009)

You are my angel  
Sent to protect me from harm  
When I need to cry  
You hold me in your arms

You are my life  
I'll love you tilll the end  
And when I first met you  
My heart started to mend

For as long as I can  
Ill hold on to you  
Forever for always  
I'll love you too

It wasnt fate  
That bbrought us together  
Even if you leave me  
Ill love you forever

# Im Sick And Tired(Written On August 16,2008)

Im sick of pretending im happy  
Im tired of pretending i care  
all this pain ive been put through  
Is too much for me to bare

Im sick of pretending i love life  
im tired of living this lie  
fed up with trying to hide my hurt  
I just want to sit down and cry

Im sick of pretending i hate you  
Im tired of pretending to know  
The reasons why you left me  
Oh why did you have to go

Im sick of trying  
Im tired of crying  
Yeah im smiling  
But inside im dying

# I'M Sorry(Written Onmay 26,2009)

I know that lately  
I haven't told you that I loved you  
It's cuz I don't know how to say it  
But I swear that I do

I know that lately  
Lifes been getting in the way  
So I haven't had the time to talk  
But i think about you everyday

I know that lately  
I haven't heard your voice  
Bcuz I've been too busy  
And i haven't had a choice

And I know that lately  
I've been caught up in life and its quarries  
But I really miss you  
And I want you to know...  
That I'm sorry

## In The Silence Of My Heart(Written On 2/11/10)

in the silence of my heart  
is where my feelings lie in wait  
and everything i used to love  
has been ovverun by hate  
And as darkness smiles upon me  
and i feel it creeping in  
ill fight with everything i have  
i refuse to let it win  
so when you start to wonder  
if i can be torn apart  
remember  
that i keep all my secrets  
in the silence of my heart

Elizabeth Burnworth

## Is It Love? (Written On: November 24,2008)

when the sound of his voice  
Always makes you smile  
And your heart stops beating  
For a little while

When he tells you he loves you  
And you dont know what to say  
For fear of losing him  
And youre afraid hell go away

And everytime he cries  
You wish that you were there  
To make him laugh again  
And show him that you care

And when he starts to matter most  
More than the stars above  
Oh pray tell what is this feeling  
Could it perhaps be love

Elizabeth Burnworth

# Is This Love(Song Version)

When the sound of your voice  
Can always make me smile  
And I can't breathe  
For a little while

Chorus:

Is this love  
Is this what I'm feeling  
Is it love  
When my heart stops beating  
Well if it is...  
Then I'm in love with you

When you tell me that you love me  
And I don't know what to say  
For the fear of lossing you  
And I'm afraid that you wont stay  
And evertime you cry  
I wish that i were there  
To make you laugh again  
And to show show you that I care

Repeat Chorus

And when you start to matter most  
More than the stars above  
Oh pray tell what is this feeling  
Could it perhaps be love

Repeat Chorus

I think...I'm in love with you

## It's Not Enough(Written On January 19th,2010)

its not enough to hear your voice  
on the phone once in a while  
i want to meet you face to face  
i need to see you smile

its not enough to see a photo of you  
or a picture on the computer screen  
i want you by my side  
i need you here with me

its not enough to see 'i love you'  
typed in an email or written down  
i want to look into your eyes  
i need you with me now

i want you  
i need your love  
but when youre so far away  
it just isnt enough

# Ive Learned To Love Again(Written On: January 11,2009)

I forgot how to love  
since he broke my heart  
I thought that it was foolish  
When he tore me apart

Then you came along  
And i fell for you  
Even though I warned myself  
that it was something i shouldnt do

At first i thought  
That i wasnt prepared  
That I couldnt handle it  
Because I was so scared

But ever so slowly  
I healed from the pain  
You make me feel important  
And ive learned to love again

## Looking Out My Window(Written On May 4,2009)

Sitting here alone  
Looking out my window  
I watch as the rain falls  
Slowly from the sky  
The sun hiding lazily  
Behind the dull grey clouds  
Waiting for the right moment to reveal itself  
I watch as the trees slowly dance in the wind  
I watch the rain  
Soak into the beautiful earth Slowly giving it life  
The i quietly drift off peacefully  
Into a deep sleep  
As i thank god for the rain

## Love Is...Love Is Not(Written On April 16,2009)

Love is like a rose in the springtime  
Love is not something you can take for granted  
Love is a promise  
Love is not a feeling you can set aside  
Love is friendship set on fire  
Love is not a fairy tale  
Love is not finding someone you can live with  
Love is finding someone you can't live without

Elizabeth Burnworth

# My Best Friend

A true friend is a person  
That is always there for you  
The who understand why youre sad  
And they know exactly what to do  
Theyre the ones who stand beside you  
even when youre feeling down  
Theyre the people who will make you smile  
Because they hate to see you frown  
and when your heart gets broken  
Theyll be there to help you through  
although it may take awhile  
But thats what best friends do

Thanks for being my friend Raven

# My Best Mistake(Written On July 2,2009)

Chorus

I loved you  
I gave you my heart  
And in the end  
You tore it apart  
And i know  
What we had wasn't fake  
And looking back i realize...  
you were my best mistake

Verse 1

I sit here  
Silently waiting  
To see if  
You'll change your mind  
But I know that forever youre gone  
And forever I'll be broken inside

Repeat Chorus

Verse 2

I know  
that realize  
that i am the one  
but know this  
ill no longer wait  
im closing my heart  
it will be too late

Repeat chorus

And looking back I realized  
You were just a mistake

# My Favorite Quotes About Love And Friendship

A diamond is just a piece of coal that handled stress really well

You know you really love someone when you dont hate them for breaking your heart

Love leads to trust

Trust leads to heartache

And heartache will lead to your untimely demise

Love will not grow where hatred and selfishness is planted...but it will take root when kindness is put forth

By the time you swear youre his...shivering and sighing...And he vows his passion is...infinite undying...lady make a note of this...one of you is lying

When two people love eachother there can be no happy end to it

I cant solve all of your problems but i can promise that you wont have to face them alone

If there was a word to describe how much i love you it would be overused

Im sorry...but i think you forgot to give me my heart back after you so kindly ripped it out

When i hate you it is because i love you to a point of passion that unhinges my soul

Ther is nothing more painful than the feeling that one is not liked

I dont care about the distance...i just care about you

I like walking walking in the rain...because nobody can see me crying

I never loved another person the way i loved myself

She was so afraid to close to anyone, ...because evryone she ever cared about ended up leaving her

Love is like balloons when you let go it flies away

Love is a sickness and in the end a part of you will die

In the world you are only one person...but to one person you are the world

When i look at you the world stops spinning and i get lost in your eyes

You do not want somebody who will accept your faults...you want someone that will say that you are faultless....who will hold the hand that strikes her... and someone that will kiss the lips that lie to her

Do not question the heat involved in passion...instead question what more you can do to ignite the flame.

Ah, love

Everyone eventually wallows in it

And although many drown

Some manage to survive

# My Secret(Written On May 5th,2010)

I have a secret  
I've been keeping from you  
What i did was foolish  
now you must know the truth

I dont know why i did it  
I dont know why i lied  
Nothing is gonna save me  
From the guilt i have inside

In a moment of weakness  
I let my world fall apart  
I gave myself to another  
When i thought i lost your heart

Now that you know my secret  
I dont expect you to stay  
But i hope you will forgive me  
For giving my love away

# Nothing(Written On February5,2009)

People treated her like garbage  
And through all their hateful words  
She said nothing

She had only one friend  
But even he couldnt see  
that in her life she saw nothing

he tried and he tried  
To make her forget  
But still in her heart there was nothing

Then one day he left  
Because he loved her so much  
But he knew between them there was nothing

She didnt realize until he was gone  
That her life was more empty than it was before  
And now she had nothing

So she never revealed  
The pain hidden inside  
Until all she could feel was nothing

Elizabeth Burnworth

## Peer Pressure(Written On April 9,2009)

Peer pressure is just another way  
For people to drive me completely insane

Its just a group of people  
That enjoy causing others emotional pain

If youre not like them, theyll hate you  
And make your life complicated

But in my opinion peer pressure  
Is way too overated

Elizabeth Burnworth

## Please Save Me (Written On 2/11/10)

Sometimes i want to be alone  
block myself from the whole world  
Make myself dissapear  
So no longer will i hide in fear  
I want to be alone forever  
just so i can start over

i dont have to have areason why  
so tired of pain

inside of my heart  
im losing my mind  
im falling apart

Please tell me how its supposed to be

# Shut Your Eyes(Written On February 15,2010)

Shut yor eyes

Come with me to a far away place

Where we can lay under the stars at night

Together forever, side by side

Shut your eyes

A place where our love isn't forbidden

Where our feelings and thoughts dont have to be hidden

Shut your eyes

Come hold me in your arms

Your heart close to mine

No truer a love will you ever find

Shut your eyes

# That Someone Wont Be Me(Written On July 28,2008)

I hope you will find someone  
Who will love you till the end  
Wholl stick up for you  
And be your very best friend

I hope you find someone  
That will never make you cry  
Wholl always smile when youre around  
And never say goodbye

I hope you find someone  
Who wont ever hurt you  
someone who will love you  
As much as i do

I hope you find someone  
that will make you happy as can be  
But it makes me sad to think  
That someone wont be me

# That Was All That She Wrote(Written On: June 17,2008)

Together Forever  
Thats what he told her  
But I guess he forgot  
Now their love is over

She found someone else  
The very next day  
But since he forgot her  
All of her love went away

She had boyfriend after boyfriend  
But then  
She couldnt take it anymore  
And that was the end

Next to her cold lifeless body  
On the floor was a note  
Saying Ill love him forever  
And that was all that she wrote

## The Liar(Written On; June 17,2008)

They were so happy together  
Until that sad day  
She gave him her heart  
He gave it away

She couldnt get over  
The fact that he lied  
He used to comfort her  
Now he laughs when she cries

He made her so angry  
Each time that he laughed  
Finally one day  
Something just snapped

She went and got a gun  
Now he dont laugh no more  
They found him at his house  
Lying dead on the floor

# The Magic Of Divorce(Written On January 27,2009)

Seven years old  
I thought that nothing could go wrong  
You told me that you loved me  
And before I knew it...you were gone

You packed up all your stuff  
And then you said goodbye  
I didn't know what else to do  
I felt a part of me had died

It was like being kicked into the dirt  
Rejected and unwanted  
Your heartless words playing over in my head  
As they teased and taunted

There is no pain in the world  
That could possibly be worse  
You almost feel like dying  
But that's the magic of divorce

Elizabeth Burnworth

# The Truth About Life(Written On: July 3,2009)

This world is full of hurt and pain  
Misery and sorrow  
But I get by because I knw  
Theres always tomorrow

Nothing in life is easy  
Thats sometimes sad to say  
But having friends and family  
Keeps me looking forward to another day

Over the years  
I've come to realize  
That although life will knock you down  
Theres always reasons to get by

So when youre feeling lonely  
When you think that lifes not fair  
Just remember someone loves you  
Just remember someone cares

## There Is No Way(Written On February 13,2010)

There is no way  
to beg into tell you how I feel  
There is no way to explain  
But my love for you is real  
There is no way to express  
How much you mean to me  
I'll be your everything  
How can I make you see?  
Words fail me  
There is nothing I can say  
I'd tell you what I'm feeling  
But there is no way

## To This Day I Wonder Why(Written On; July 2,2008)

All the times you told me  
You'd always be there  
Everytime you said it  
I really thought you cared

All the times you told me  
You'd never go away  
Everytime you said it  
I really thought you'd stay

All the times you told me  
'My hearts forever yours'  
Everytime you said it  
I loved you more and more

I believed each thing you told me  
Every single lie  
To this day i ask myself  
To this day I wonder why

And you left her

Stupid boy  
Why'd you leave her alone

## Too Often(Written On April 29th,2010)

Too often I dont realizewhat i have until its gone  
Too often im too stubborn  
To admit when i am wrong  
Too often i have hurt  
The people closest to my heart  
And i let the most foolish things  
Tear my world apart  
Too often i hide my fee; ings  
With a smile upon my face  
Too often i just stand by  
Letting my life go to waste  
Too often i keep secrets  
Pretending everything is wel  
Ive made all of these mistakes  
Now im lying where i fell

## Untitled(Written On March 24,2010)

Loneliness starts creeping in  
and darkness overcomes me  
Fighting the urge to turn my back  
On all those who claim to love me  
Love will be the death of you  
And all those who believe  
It matters not  
For the pain inside is hidden  
By the lies I have begun to weave  
It soon becomes too easy  
To weave this web of lies  
Dont look at me  
Because i fear  
Youll see the truth inside my eyes  
You are not the only one  
That knows the sting of pain  
And of course I welcome death  
Ive got nothing to lose  
And nothing to gain  
All the love that I once had is gone  
So now I grieve  
And each day that passes by  
Makes it harder to believe

# What More Do You Want(Written On January 26,2009)

What more do you want  
I gave you my heart  
Such a long time ago  
And you tore me apart

You took away my confidence  
And made me want to hide  
But the things I wouldn't let you touch  
Were my dignity and pride

And every time you hit me  
I saw the anger in your eyes  
i thought that I deserved it  
And I wanted to die

And now you want forgiveness  
After everything you've done  
I should tell you that my family knows  
So now you better run

# What Were You Thinking(Written On July 17th 2008)

What were you thinking  
When you decided to love someone else  
When you walked away  
And left me by myself

What were you thinking  
When you told me that you cared  
When you said your love for me  
Was beyond all compare

What were you thinking  
When you told me all those lies  
When you laughed  
Each and every time I cried

What were you thinking  
When you said your last goodbye  
Did you think that I would miss you  
Did you think that I would cry

# When You Get Lonely(Written On April 15,2009)

When you get lonely  
Look up at the sky  
And watch as the clouds  
Slowly pass by

When you get lonely  
Get all the bad thoughts off your mind  
And try not to forget  
That I think you're one of a kind

When you get lonely  
Ill always be there  
To love you and hold you  
And to show you that I care

When you get lonely  
Remember that i love you  
So look up at the clouds  
And know this...  
i'm watching them too

# When You Lied To Me(Written On September 8,2008)

When you lied to me  
you lost my trust  
I cant even think  
I hate you so much

When you lied to me  
You broke my heart  
I feel so much pain  
When were apart

When you lied to me  
I cried so long  
How did it end  
What went wrong

I cant believe  
i didnt see  
The jerk you were  
When you lied to me

# When You Say You Love Me(Written Onmarch 25,2009)

When you say you love me  
I can't breath  
And i can't stop smiling

When you say you love me  
I'm lost in the moment  
And I feel like crying

When you say you love me  
My mind goes blank  
And i don't know what to do

But when you say you love me  
I just want you to know  
That I love you too

# You Dont Really Care For Me(Written On; June 26,2008)

I did nothing wrong  
So get out of my face  
You've put me through hell  
In my heart you have no place

You tell me that you love me  
Sometimes I wonder why  
Cuz everytime you say it  
I know it is a lie

I know you dont understand  
Or you just pretend  
I used to care for you  
But that came to an end

You should be begging for forgiveness  
Down here at my feet  
But then again why should you  
You dont really care for me

# You Lied To Me(Written On July 16,2008)

You lied to me  
i felt mistreated  
You lost my trust  
Each time you cheated

You lied to me  
I cried so long  
How did it end  
What went wrong

You lied to me  
You hurt me so  
Why you cause me pain  
Ill never know

I loved you so much  
But we werent meant to be  
I cannot forgive you  
You lied to me

# You Will Never(Written On February 14,2010)

The tears you will never see me cry are for...

Your lies

The pain

My broken heart

The sorrow you'll never see in my eyes is for...

Each day you spent tearing my world apart

The smile you'll never see upon my face is for...

The day I got the courage to walk away

The laughter you hear now is for...

The three words you will never hear me say

# You Won'T Have To Cry(Written On: September 29,2008)

You love someone  
And he loves you too  
He wants to spend  
His life with you

But you turn him down  
With much regret  
But you're not ready  
For a commitment just yet

You go on living your life  
Wondering about  
What would have happened  
If you hadn't walked out

Just goes to show you  
if you give love a try  
You won't have to end it  
You won't have to cry
