# Dari Syria & Palestin; Iraq & Yaman & Beirut & Paris (Malay Language)

Oh anak! Kenapa lelapmu sedalam dilautan  
Oh betapa ianya sekarang membuatkan hatiku tertekan

Kerna mustahil untuk ku melangkaui batasan ilusi maya  
Hatiku tertekan lantaran kematian berterusan

Dan dari kehitaman hati yang tiada berdarah dan tiada salurnya  
Bagaimanakah kami menhubungkan kasih dan sayang untuk dialir

Oh Cinta, moga sembahukanlah keretakan dihati mereka  
Oh wahai anak, harapanku janganlah dikau diam berduka

Hatiku seakan-akan dicengkam oleh tangan tangan kejahanatan  
Dari Syria & Palestin hinggakan ke Iraq & Yaman  
[Oh Dari Beirut hinggakan ke Paris...]

Hatiku dalam kegelisahan dari garis sempadan kematian  
Untuk membebaskanmu dari tangis, untuk mengukirkan senyum diwajahmu

Kuntuman si delima bak kesalan dihati bonda

## Future Phrases

Fire plus men make word: firemen, but not necessarily;

If the men whom burns with fire make 'men in fire' phrase

Or Fire plus women too...

Also, phrase made from clean plus sings,

In our world not related to health or art, when adding Ethnic word

It's terrible and inhuman phrase; Ethnic Cleansing

Now we can make phrases or sentences with four words for future humans again;

FIRE, CHILD, CLEAN, SING;

Selecting human or inhuman things is our responsibility!

# Human, Human (Children's Lyric)

I see him, I see her; I see them on TV  
Barbie and Tweety; Superman and Kitty

They  
Are alive on TV  
They

Are alive on TV  
He likes him, She likes her;  
They like them on TV.

This tells us the following:

Pretty  
Is good person;  
Ugly  
Is bad in facton.

This tells us the following:  
Those thin girls are nice girls;  
Those fat men are bad men

But...

I see me on TV, I see you on TV  
We dislike those judgments  
Thus we all say:  
Human, human; we are all equal  
Human, human; we are all equal  
We don't judge anyone from their face or color  
All people are alike, white, black or other  
Human, human... Equal, equal  
Human, human... Equal, equal

# In The North; In The South(English/Persian)

The world;  
The city,  
In the North,  
Is climbing up from the mountain;  
Is advancing among the jungle;  
Is going forward inside the sea.

\*\*\*

Is going backward inside the pollution;  
Is regressing among the wilderness;  
Is falling down from the bluff;  
In the South,  
The city;  
The world.

# My Heart Is In Torment(Edition: 5 Dec.2015)

Or 'From Syria & Palestine To Iraq & Yemen & To Beirut & Paris'

Oh, child! Why do you sleep deep beneath the waves?  
Oh, how my heart is in torment  
Because Of the impossibility to go beyond these illusory borders.

My Heart is in torment for the continuing deaths  
And for the atrocity of hearts that are only empty vessels  
Through which we cannot hope that love and kindness will more flow.

Oh love, will you not heal the broken pieces of our hearts?  
Oh child, keep hope alive and do not fear life.

My heart is in torment for hands that mimic the hands of the devil -  
From Syria to Palestine and Iraq to Yemen,

My heart is in torment for the victims of terror -  
From Beirut to Paris; from here to everywhere.

My heart is in torment across those deadly borders;  
I long to free you from your tears, to place smiles on your faces,  
To see the regret of mother's hearts cease to bloom  
Like the flowers of the pomegranate.

# North; Center; South

The world;  
The city,  
In the North,  
  
Is climbing up the mountain;  
Is advancing in the forest;  
Is expanding into the sea.  
Far from there;  
In the center;  
Is rich from Humanness;  
Is moderate in Honour;  
Is poor from Heartless;  
In the center;  
Far from there.  
Is contracting into the filth;  
Is regressing in the wilderness;  
Is falling down the crevasse;

In the South,  
The city;  
The world.

Copyright No: 402867

## Notes:

Here, 'North' and 'South' have two meanings: rich & developed countries / rich areas in cities, opposed to poor & undeveloped countries / poor areas in cities.

The form of this poem, in modern Persian Literature, is called 'Loop', as the beginning and the end of the poem have the same words. Moreover this poem has a symmetric structure because of the symmetric arrangement of each sentence in the poem. Finally maybe this poem classifies in the 'Geometric' form poems too.

# Poem Seller Angel

I was six years old; a small and lonesome dream seller  
Girls and boys, my customers: 'I want one of Hafez's poem. Hey you, girl! '  
Sometimes with a smile, sometimes not  
With sorrow about random poems; general and vague repetitive phrases,  
They said together.

In my heart along with every poem I gave,  
I fixed a dandelion with a clamp;  
A dandelion prettier than peacock feathers; brighter than a lantern;  
Each dandelion more fragrant than hundreds of thousands of jasmines  
Those grown in Hemat, Zafar and Gysha neighborhoods;  
Grown outside the Tehran villas, I would clip them scrupulously  
In return, I would pluck paper money one thousand times folded,  
With my little hands, daintily I would pluck...  
As if I had plucked the badness and filth from the hearts of people.  
But at nights, I would see that filth in my dad's doping fire  
And anything that remained from the ashes of his drugs,  
From a piece of bread to a mouth in our dinner share;  
Gently I would see...

\*

Six years of age was I

Nights always drowned in dreams: a field full of flowers

I was a dancer; songster; happy and uproarious...

I picked narcissus, anemone, jasmine to beautify my poems up,

Drowsy in this paradise at nights

On the other end of the fog; diamonds would I pluck...

To forget that my dad sold all of me to golden teeth man in dark night

# Terrorism Movie Maker Company

Many years ago

The people who were convicted to death

Had to choose between death in Hollywood movies or execution,

And they opted for movies in hopes of survival.

Right now,

The people who are convicted to death,

Have to choose between state terrorism or execution,

And they opt for terrorism in the hopes of survival.

But who does actually imprison them, condemn them and save them?

This is a movie from one of the devil's companies called state terrorism.

It makes a difference in anything:

It diverts freedom by creating a fake freedom,

And diverts fighting against oppression

By targeting the oppressed instead of the tyrant,

Then turning its enemy into an enemy of its enemy,

Since it has everything: money, weapons and media...

But at the end of the movie, when the lights turn on,

All the masks fall off

Thus everybody can understand that this is a movie and

The truth is something else...

Knowledge and discernment are the lights of heart and mind,

And that's the end of any state terrorism:

The end of the rule of the devil.

# Your Lovely Face Geography

Every morning  
Front of me  
Rise  
Two bright suns;  
Above of those  
After two longish hills  
There is a wide arena  
Suitable for my presence  
Between two suns  
There is a high mountain range  
And plain are both sides  
Are suitable for my presence again  
But below of these suns, plain and mountain range  
There is confluence of couple presence  
For you and me;  
Your Lips  
\*\*\*  
Never;  
Don't get your lovely face geography from me  
From suns of your eyes,  
To anastomosis of couple presence  
Between me and you
