# A Girl

this is just a little quote i made about myself.....

Am A GIRL,  
The girl everyone love's to talk about  
The girl everyone seem to be hating on  
The girl everyone dont respect  
Just by one look they think they know me  
But really they dont  
'So what is ther'  
There to hate on  
There to talk about  
Am just a girl with an innocent smile.....

# Best Friends

Do you know the meaning of best friend?

Do you know what a best friend is?

Well let me tell you

Best friends is somebody that you can trust out of all your friends.

Best friend is somebody you tell your secrets too.

Best friend is somebody that you share your things with.

Best friend is somebody that you do everything with.

Best friends is somebody that you tell everything too.

Do you have a best friend?

well i do.

I tell everything to those people and talk to them everyday.

When ever i got a problem they are always there to listen

Not only are they there to listen

I know that i could count on them.

They always got my back

And it doesnt matter what happens we still stay friends till the end

So think about it.

How many best friends do you have?

# Christmas With You

This Christmas i am not alone  
This Christmas i have somebody to hold  
This Christmas doesn't feel like last Christmas  
This Christmas is when I came alive  
Last Christmas I was sad  
Last Christmas I was lonely  
Last Christmas I had nobody to hold  
But then This Christmas came  
I was happy  
I was excited because I had somebody to hold  
This Christmas was better with you then without you.

# Friends

Do you have a friend that you don't trust?  
A friend that's not your friend for no reason?  
A person who call their self friends but don't know what the word friend really means?  
Have that friend talked behind your back with other people?  
well thats how some of the people i call friends are.  
They talk behind my back.  
They do stupid things to get popular.  
They will do anything to get your attention.  
Well think about it  
Is that what the word friend mean  
No that is not what the word friend means  
To tell you the truth that person don't know what the word friend means  
To everyone that feel like that out there  
Don't worry about them let them do whatever that their doing.  
So think about it is that person a true friend?

# Life

This is life

People are sad  
People are mad  
People are happy  
People are grumpy  
People are dancing  
People are singing  
People are banging  
People are rolling

This is the life that we are living in  
Life is what you make it  
You don't have to fake it  
Love it or Hate it  
This is the life.

# My Mom Turned Into A Vampire

It all happened on Friday night  
I was seating home watching tv  
I heard a noise  
it was sort of a screaming noise  
My mom came to the living room  
Then it happened  
She turned into an horrible creature  
Her eyes turned red  
Her tooth was pointy  
she couldn't stay in the light  
she drunk blood  
OMG wat could it be?  
is it what i think it is?  
No it couldn't be  
OH NO  
My mom turned into a vampire.

# Summer Vacation Rocks

Summer vacation Rocks  
Under an umbrella at the beach  
Morning sunshine on a hot summer day  
Meeting friends at the beach is great  
Eating Vanilla ice cream,  
Relaxing in the pool

Vacation is the best  
All day at home, not in school  
Can sleep whenever I want  
All day to rest at home  
The time goes by more quickly.  
It's the hottest day,  
Of summer vacation.  
Nothing is better than

Riding my bike.  
On summer vacation,  
Children come out to play  
Knowing that now vacation's over.  
Sad time it is.

# To Be Proud

To be proud is to have somebody to love

To be proud is to have somebody who loves you

To be proud is to be yourself

So are you proud

Proud that you have somebody to love

Proud that you have somebody who loves you

Proud that you are yourself.

When you first wake up what do you think about?

Do you think about how proud you are?

Do you think about the people you love?

How proud you are that you love those people?

Proud that you have family and friends that loves you.

The light that means stop when you get to it  
Red is a firetruck  
The truck that fire people use when theres a fire
