# Believe

I believe in me  
I believe life can be good  
I believe life can be bad  
I also believe I have a choice to choose between good and bad!

I believe in Love  
I believe in Hope  
I believe in Trust  
I also believe these three words can be the key to believing

I believe in forgiveness  
I believe in forgetting  
I believe in moving forward  
I also believe letting go of the past is reaching out to the future

I believe in happiness  
I believe in joy  
I believe in laughter  
I also believe that a simple smile speaks a thousand words!

I believe in God  
I believe in Jesus  
I believe in freedom  
I also believe the truth can set you free!

I am free because  
I believe in God.

# Four Powerful Words

Stand by His word in all you do,  
Pray that you may not fall,  
Into any temptations that,  
is being tempted unto you,  
and continue to PRAY!

He promises to cover us,  
with His mighty power,  
and His powerful blood,  
The blood of Jesus is with you,  
continue to BELIEVE!

Don't listen to the voices,  
around you, listen to the,  
shepherd of all time,  
He never leads us astray,  
Continue to have FAITH!

If you did all the above,  
that is if you Prayed,  
Believed and have faith,  
He will always be guiding you,  
Just continue to TRUST!

# Winter

The snow is finally here!  
Its time to get ready for a cheer!

O Lord, You create beauty in nature  
None other is compared to You O Maker

My Savior, You have washed away my sins  
Your forgiveness O Lord truly fills

Though my sins were as scarlet,  
You Lord have made them white as snow!
