## First Amongst Fools()

Lost in the thought that no one reads this stuff... too many look at the profile and I don't know why! ! I would really like to know why people are looking at my profile when I have not had anyone reading my poems (which I have removed) and I have not had a comment perhaps in a very long time! ! Weirdness! ! !

# Waiting

I lose the time I can't spend with you  
Another day gone  
The minutes tick away  
Second by second

The only consolation  
The time is less  
Until I will see you again  
By accident

Or intention  
Or at the place my body rests  
The countdown has begun  
and I can't stop waiting.
