## Haley Legg(May 1,1993)

I am 14 years old.

i was born in Gray, Ga

I've been through a lot of shit I've delt with cutting, depression, ect.

Writing started as just a way for me to vent.

But now its become my passion

I hope you enjoy them! ! !

# Don'T Label Me

you hang this label over me  
a word so sharp  
i feel i could bleed  
you'll never understand the damage you do  
something so intense  
a pain brand new  
so screw your damn label  
watch me walk away  
while I'm still able

# He Laughs

I fell to the ground  
I turned around  
to find him laughing  
I'd hit rock bottom  
my world was crumbling in around me  
I can't breathe  
I can't see  
I reach out for help  
but theres only one person there  
he's laughing at me  
laughing laughing laughing  
i reach out to grab him  
but he pushes me back  
I was sinking not much time left  
he's still laughing  
just laughing  
I try to breathe but I can't  
but it's to late  
he stands there  
laughing

# Light In The Darkness

Hope fades  
and the lights go out  
dreams crushed  
and im falling down  
but theres a light  
and it calls my name  
a step closer  
and cold turns to warm  
he holds the key  
to my barren chains  
he walks away  
and im set free

# My Heart And My Love

It once was broken  
but now its together  
being with you  
makes evrything better  
I love you  
and the way you smile  
to be with you  
I'd walk for miles  
what can I do  
to make you see  
I'd do anything  
to have you with me

# Ode To The Razor Blade

The cold thin blade  
the delicate skin  
the feelings I feel  
the pain within  
Ten seconds of relief  
a life time of regret  
feeling the pain  
I'll never forget  
The reasons were temporary  
but the scars are forever  
you think that it will  
but it never gets better

# Screw Everything

I cry a thousand tears  
everyday of my life  
but hey thats alright

cause i dont care anymore  
I'm leaving this place behind  
going far far away  
leaving yall here to burn

let yall live a tourchered life  
like I lived mine  
and those tears fell like blood from my wrist  
the pain from my heart to my arm

and I'm so sick of these tears  
so screw you  
and screw them  
screw everyone who made them fall

just screw them all

# The Tight Rope

My life is a balancing act  
and I'm still struggling the tight rope without a net  
I tell myself not to look down  
but I couldn't help it  
I had to know what waited below  
and what I saw scared me more than the tight rope itself  
what waited below was worse than anything I could imagine  
for below me waited my mistakes, regrets, and my past  
just waiting silently below for me to slip up and fall  
so that it can take me in its clutches and devour me  
so what can I do to avoid such a cruel fate?  
nothing.  
just hold my head high  
and balance on the tight rope  
taking one small step at a time  
and hoping I don't fall

# To My Gardian Angel

I am loved I know  
my life seems close to perfect  
but I feel as if I'm drowning in a sea of emotions  
I cant breathe  
a storm of my tears is raining down on me hard  
I look up  
I see a light shining brilliantly in the dark  
it glows in the storm  
it calls my name  
it wants to bring me back to safety  
my life boat  
my gardian angel  
my destiny
