Hello..! ! Poem.., Is my LifeLine.!

A Short End!

One fine day., I will Die!
You will come., you might Cry.,
Deny all the sorrows and myths,
Towards me., but you
Won't Forget me!

I won't come back., but may
Leave someone back., to take
Care of you., I won't let you feel bad.,
Because of Me..!

It may be a Great turn of Our life.,
But won't be an End., !
Because., it has two 'Supreme Power'
That is., You and Me!
So, come one Raise yourself.,
It is not the end yet., but a Begining of
Short End.! !

Anger...

Anger

anger is anger,
anger is danger,
it makes you scream,
and breaks your dream...

anger is anger,
it takes your control,
wants to hurt,
and makes you mad.....

anger is anger,
makes you suffer,
makes you cry,
turns people against you.....

anger is danger..
anger is danger....

Just A Day Ago!

Just a day ago; I felt Happy
Just a day ago; I finished my Sorrows
Just a day ago; I felt Sad
And today I am very Glad..

Just a day Ago; I surrendered my grievances
Just a day ago; I gave my Restlessness
Just a day ago; I assured my Future
And today I am ready...to survive

Just a day ago; I got a Friend
Just a day ago I had a party Grand
Just a day ago; I had a logic
And today I am Nostalgic...

Life's Definition- A Fact!

Life made me Learn Today,
Something different, Something Unique.
Life made me see, Who I am,
Life made me admire, Who I Am!
Life made me a Part of Foundation, Re-creation and a crucial part of New
Generation.
Life is about; Love and Prosperity,
Life is about; Trust and Turth,
Life is about; being Loyal and Live Royal! .
But, Life, is a Long Journey; and You have to Cross, the hurdles all the Road, but
Think broad and don't stop at all.
Be the person whom people can Love; be the person; who's COol and Classy.
People, People, you say; Do they really mean?
Think Before you finalize Your decision, as it may Hurt and hurt someone more.
Be Adorable, Broadminded one,
Not a Timid, Shy Or Cry Baby.
As its Life; Life to Love;
Life to Learn and keep on Learning ahead and ahead! .

Life's Meaning

Life is about happiness
life is about pain,
for something to gain.....

life is about me-myself,
life is about yourself,
life is about knowledge...

life is about who we are,
life is about what we need,
life is about to live,
a long life.....

Love., , A Defination

I am still mesmerized.,
Energized., , when I.,
Look at that Day.,
Nd get back into
Love., , with You., !

Looking at You,
Smiling at You,
Chatting with You,
Texting to You,
Get's back into
Love., with You!

My Heart was made for you,
You stole it., You kept it,
You made me feel so Special.,
You made me feel High and High.,
Which get's back into
Love., with You! !

Nature

The beauty of Stars,
The softness of Wind,
The fragrance of Flowers,
Speaks.....

The thundering of Sky,
The freshness of Morning,
The music of Birds,
Speaks.....

The strength of Fire,
The trail of Sun,
The life of Nature,
Speaks.....to me...

People from far,

7 Oceans apart,

Lovely Paris., Dear Paris,

Let the Eiffel Shine,

In the melody of Sunshine,

Let the New day appear,

And the past Disappear..!

Pollution

Our world is an institution,
Why environmental pollution? ?
We choose no to care,
For future generations.....

Forests are dying,
Wildlife is crying,
Mother earth is sighing,
Why environmental pollution? ?

Over crowded trains,
Over loaded brains,
Much of pains,
Why environmental pollution? ? ?

That Cruel Day! ! !

That day was worst for me,
I was sad and felling lonely,
I was quite,
In a mood of Fight! !

All made me cry,
I don't know why?
They all had fun of an innocent cry,
I don't know why?

What was my mistake, I don't know.
EVERYONE MADE A LAUGH OF Joy,
I DON'T KNOW why?
I DON'T KNOW why?

I was sad the whole Day,
I didn't find anyway,
I was Quite,
with an intension of fight..

Who was right, Who was wrong,
I don't know,
I pray to god, let it go,
In any flow! !

Those Last Steps

ThrowBack, the Hidden Me.! !

Those steps made me Cry,

Cry with Love, Cry with Tears,

The Care, the Love, the Joy, the Fun..! ! Will be Missed.! !

I know, I cannot go back and sit on the same seat and Learn, even If I could, I
will be known as an 'Ex' anymore!

The virtues, for moving ahead, the rules to be loyal, was taught by Guru's, Idol's
and Dignitaries!

I love my College, because I am a Child of that Association for which I was been
awarded a 'Best Boy' title.!

I pray to god, to take me a Year back, when I became a 'Leader'

To Guide and Awake.!

People knew me, People praised me., all thanks to you, from the depth of heart
with the respct due, sincerely,

I Love you, my college, my life,

A pretty source of Knowledge,

That drops of Love from You.!

Will Be Missed

Twinkling Christmas!

Twinkle Twinkle Tree,
Bliss my Christmas tree,
Stay awake, stay polite,

Christmas Christmas,
the Year we wait for,
has come for a long Hour,

and make people happy.
Santa lovely Santa,

cherishes our lives,
and brings a New Day, in the WORLD.!

Water For Life

Water for living,

Water is crying,

Respect water,

Its dying.....1

Water for cooking,

Water for living,

Water for drinking,

Water for living....2

No life without water,

No relief without water,

No respect of water,

Willful neglect of water.....3

Water is same,

In all to save it,

Or waste your wages.....4

Young Stars

Other very day, we spoke..
Alternate day, We became..

A Family..!

We Won, We Joyed, We Clapped and Honored..
We got the Fame, an awesome Game..
Because, we became...
A TEAM...together! !
