Happy Birth Day

To you happy birth day,
And have a nice day.
If there will be Sunday or Monday,
I will say only today.
Don't be angry with me one day,
Otherwise, I will be boared that day.
God may bless you,
I praise today.
Every one will wish you today,
Happy Birthday! Happy Birthday!

Someone Will Come Into My Life

Someone will come into my Life,
I know this.
Who will be...
How will be?
I don't know.
when will occur this secret?
I don't understand.
Still, I am awaiting...
looking for...
But Where?
I don't realize.
But I am sure,
Someone will come into my Life.

Sometimes I love U,
I know this.
How can I, How it may be?
I don't understand.
As Love Life & Mind
is the trangle of my Life.
But I am sure,
Sometimes I Love U,
I know this.
