☻ ☻ .Violent Lives..☻ ☻

Eye full of anger,

Heart who were,

Hard and hopeless,

Mann with steel heart.

He embraced,

The world with,

no peace, emptiness,

And world fill of despair.

Man with so,

Much pride,

So much egos,

And so much hatred.

They have lacked,

Of concerned,

Lacked of care,

With there families.

People won't understand,

That he lived in,

A violent lives,

With so much anger and pain.

They lived in a,

Place where full,

Of sadness, bitterness,

Mourning and sorrows.

They grew up,

To be rude,

Grew up in a,

Place they think home.

Their heart was unpeaceful,

They want to let others,

Feel their sadness,

and sorrows.

They were mean,

They don't want,

Somebody's controllinf,

Them.

But waht people don't know is,

They want freedom,

They wants appreciation,

And acceptance.

They have Soft Heart,
But Don't want to be hurt,
They Were Losing, if we try to understand,
they don't want to fall.
If we should understand them,
they won't lived back, ,
In Their world full,
Of loneliness and trials.
People with violent lives,
Need a wall, a Heart to love.
Hand to hold, heart to understand,
Ears to listen, a person to trust to.
And a world where they,
can call home,
And a place where they,
Ca n stay without violent lives forever.
people with so much bitterness,
Anger, despair, loneliness,
Are Not like what we think they are,
as we see ruined there lives.

Just wish i could end it,

Why don't you take,
A long sharp knife,

And quickly end up my life.

Life is not worth living for me,

Roof were flying,

cars were floating,

water were raising,

As nature stroked back.

Heavy rains,

Were pouring,

Water everywhere,

Were spLashiNg.

How should we,

Stop this delima,

If We all Knew,

We're the reason for this.

People were crying,

People were praying,

nightmares coming,

Tragedy's hitting.

People wanted to lived,

People wanted to survived,

As forest vomited all,
And as volcano spitted all.
Ashes were there.
Rashes were everywhere,
Roads were cracking,
Winds were Blowing.
Was it the end,
Or it was the beginning,
Heavens were crying,
As they saw people died.
Was there any way,
To stop this?
Was there a way,
to lived long?
When should we realized,
That all these delima,
Was our all,
Stupid choice.
