# Batman

i love the way you smile  
your eyes are beautiful  
your dark and mysterious  
you see me as a person im not  
your my best friend in the entire world  
you helped me when i need someone  
you stayed beside my side and pick me up through that dark hole i was falling  
through  
im glad your happy with her  
i want you to be happy  
with whatever discion you make  
i dont regret kissing you  
i dont regret annything  
i was happy  
i havent been happy like that in a long time  
batman, i love you  
no one or anything will change that

# My Heart

my heart has been through alot  
it been toren a part  
but i patch it back togher  
it been stabbed  
i swoded it back togher  
now what have you done  
your the one who stabbed my heart  
and left that knife on my white shirt  
your the one who tore my heart  
and left it there on that floor  
you want me back  
only if you can do one thing  
give me your heart  
so i can stabb you with that knife  
you left on my white shrit  
so i can tore your heart  
and leave your heart on that floor  
i want you to feel the way i felt  
i want you to feel the ppain you put me through  
that when you can come up to me and tell  
'i know how you feel'  
CAUSE YOU DONT KNOW HOW I FELT  
when you stabbed my heart  
and left that knife on my white shrit  
when you tore my heart  
and left it there on that floor to remind me the pain you put me through.

# The Love That I Dont Know What Happen To

the love i use to have for you  
it all gone now  
the way i used i used to look at you is no more  
the night that we had togther  
are hunting memories  
the kisses we shared  
i want to take away, from upon my lips  
my heart wasnt hole  
but you broke it in half  
how does that happen  
you did it  
the smile i gave you  
i want them back  
the love i gave you  
i want that back to  
but i wont get them back  
all i have is blood and tears  
i cryed over u  
i want those back to  
i lay here in this bed feeling those warms arms of yours  
while i drift off

\*dis poem is too my ex bf who went gay on me and hurt me so bad\*

# The Way

THE WAY I USED TO LOOK AT YOU  
IS NO MORE.  
THE WAY I LOVED YOU  
IS NO MMORE  
WITH CAUSE YUO DIED ON ME AND  
I HAVE NO ONE ELSE  
TO LOVE  
TO HOLD  
TO TELL THING YOU USED TO  
THE WAY YOUR ARMS FEEL AROUND ME  
THE WAY YOUR FINGER FELT IN BETWEEN MY FINGER  
THE WAY YOUR DARK BROWN EYES LOOK AT ME  
THE WAY YOUR HAIR FELL ACROSS YOUR BEAUTIFUL EYES  
THE WAY YOU TALK  
THE WAY YOU WHISPER NAUGHTY STUFF IN MY EAR  
SO NO ONE ELSE COULD HEAR  
YOU DIDNT GIVE A SHIT IF PEOPLE LOOK AT YOU  
YOU WERE YOU AND NOT ONE ELSE.....  
THOSE STUFF IS ALL GONE  
AND YOUR SIX FEET UNDER MY FEET  
AND ME STANDING HERE CRYING

jalisa curtin

# You

Your brown eyes  
Your perfect smile  
Your snake bites  
Your stupid jokes  
Your sweet voice  
the way you used to hold me  
In your big strong arm  
Are not mine anymore  
Your over me now  
When I see you look in her eyes  
It makes  
Me jealous  
Cause I had you first  
but you never look at me first like that

# You Know

you know that feeling  
no not that feeling  
the other feeling  
that feeling that you have when your fouse to be in  
'love'  
what that mean to you  
you know to me  
it feels im on a wave in a bright blue ocean  
you know to me it means  
my heart beats fast and slow at the same time  
you know to me  
it feels like if that person doesnt  
hold me down im going to float away  
do you have any clue what im saying  
i dont have a clue either  
what im saying  
i keep cant lying to you it doesnt feel right  
i have no clue what love is  
but nethier do you  
you know love  
isnt when you go around and sleep with your 'love one' best friend  
you know  
love isnt when you say it but not mean it  
you know love  
isnt when you hurt that person over and over expecting them to take you back  
that not love at all  
you know you say that you love me  
you know that not true  
you know you say alot of things that are not true  
but.....  
i know they are not true  
your denfation of love isnt love at all.
