# A True Love

He is like the sun  
And you are like the moon  
He is like the rain  
And you are like the clouds  
He is like the heart  
And you are like the body

Because the sun gives us happiness  
But if there were no clouds we would never have shade  
Because the rain washes away our pain  
But without the clouds there would be nothing to take away tears  
Because the heart is what let us love and live  
But without a body the heart has no purpose

He is yours  
And you are his  
Because without each other there is no purpose  
You complete him and he completes you  
When your together your hole  
But when your apart there are to many pieces  
From a love that fell apart....

# Alone

I try to make you proud  
But you turn from the facts  
You just keep beating me down

You say cause you love me  
Cause you wont something out of me  
You execpt better

Nobody sees my pain  
Cause im locking it up  
Im trying to hold back from everything

If you could undersand  
If you coud feel what im going though  
You might know how i feel for once

You dont want to execpt the facts  
You want to engnore it all  
And i dont get anything

No thanks  
No im sorry  
No i love you

And now i say  
Thanks for....  
NOTHING

Thanks for nothing at all

This life is empty  
And its not easy

And im try in to get through it all  
Get through it all with out you

# Blueberries

I Love You On Monday, Darling,  
And Picked Blueberries For You In My  
Fathers Backyard

On Tuesday, I Paced The Burst Of Fruit  
Inside A Wooden Box,  
Wrapped It 'Round With A Purple Ribbon And  
Wished Upon A Star

Wednesday, We Savored The Berries  
Together On Your Shabby Back Porch,  
Drank Ice Tea And Watched The Frogs  
Hop-a-long Home

We Laughed All The Way To Thursday,  
Dear,  
You Never Looked More Lovely Than You  
Did That Afternoon

I Love You On Friday, But a Storm Had  
Rolled In,  
The Rain Came Down Hard; Your Heart  
Turned Stormy Too

By Saturday, The Fruit Was Rotting In The  
Yard,  
Sky Blue Juice Stains Had Washed From  
Our Fingers

I Love You On Sunday, My Sweet,  
But You Were Already Gone; Now I Pick  
Blueberries Alone

And I Wonder If They Will Ever Taste The As Sweet

# By The Moonlight

She watched him as he fiddled around in his chair. He swiveled back and forth as he talked. She lay on the bed with a goofy, dorky smile on her face, while she stared at him while he spoke. She loved listening to him talk. His voice soothed her and at the same time drew her into his words. His laugh was irresistible and infectious; always making her laugh with him.

She hadn't realized he had stopped speaking until she noticed his captivating hazel-brown eyes staring at her intently. She couldn't help but giggle. She had zoned out and missed what he had said. Luckily, he was easily distracted. He continued to stare at her, making her laugh harder. He began to banteringly mock her, but she didn't mind. She actually kind of liked it.

She loved that he was always silly; it made every conversation more fun. He could always make her genuinely laugh. She missed laughing all the time. She looked back at him. He was still laughing. She took the opportunity to stare at him a moment longer and memorize his features. She was awed by how handsome he looked with his short soft-looking dirty blonde hair, astonishing eyes, deep pink lips, and slim but built figure. His accent could seem to charm her at any moment like a snake charmer playing his flute.

She liked him for more than his dashing good looks, though. She adored his personality. He was very caring; always trying to help other people. She cared what he had to say, but always seemed to get distracted by him. She loved listening to the stories he told of how he had helped someone and made them happy with what he did. He was continuously a gentleman and sweetheart towards her. She couldn't help but blush with each compliment.

She mentally slapped herself for being so silly as to think such crazy things. She blinked and looked back at him, only to see him intently looking at her again. She nodded for him to continue with whichever story he was telling this time. She couldn't deny it when he'd said he was Prince Charming. That was definitely true. She didn't think it was possible, but she wanted to be his Cinderella. Though she wasn't about to tell him that.

# Darkness

It in-capes around me  
There is no escape  
Its with me all the time  
No one but me  
Blue tears falling  
Wetness under my feet  
A very cold surrounding  
A voice i can hear but not see  
A touch i can feel but leaves as it comes  
A kiss as genital as a butterfly  
A laughter as sweet as candy  
A smile so bright but is covered by darkness  
A cut so deep the pain is great  
A love riding into it as it fads  
A song heard a million miles away with nothing holding on  
Something so perfect you never leave

# Did You Really Love Her?

You Said I Love You  
You Said You Don't Lie  
You Said You Won't Leave

You Said A Lot  
But When I Found Out  
You Lied And You Still Do

I Told You Good Bye  
My Little Girl Told You So  
My Little Girl Tried To Help You

And All You Did Was Back Away

My Little Girl Lays Down At Night Asking Why  
My Little Girl Ask You All The Time Do You Still Love  
Her

Our Little Girl Had Been Hurt  
Our Little Girl Blames Herself For Everything  
Our Little Girl Never Gave Up

Your Little Girl Wanted To Ask You  
Did You Really Love Her?

The Question Never Got Answered

# Dragons

It Breaths Fire  
It Go's Every Where

It Can Be Nice  
It Can Be Odd

Its Something Cool To Keep  
But Its Something You Don't Want To  
Make Mad

# Find The Right One

Find a guy who calls you beautiful instead of hot, who calls you back when you hang up on him, who will lie under the stars and listen to your heartbeat, of will stay awake just to watch you sleep... wait for the boy who kisses your forehead, who wants to show you off to the world when you are in track pants, who holds your hand in front of his friends, who thinks you're just as pretty without makeup on. One who is constantly reminding you of how much he cares and how lucky he is to have YOU... The one who turns to his friends and says, 'thats her'...

# He Is Hers

Crying was her weekness.  
Laughing was her strenght.  
Night time was her escape.  
Acting silly was her way of showing shes happy.  
Smileing was her way of saying thank you.

Holding on was her way of showing love.  
Hurting was her way of proveing she had feelings.  
Now he is her love, smiles, laughs, tears, pain, holding on,  
Her night escape and her reason she acts silly.  
It amazing when she fell in love.

# Heros

A Hero Fights For You  
A Hero Stands By Your Side  
A Hero Is Willing To Go An Inch Longer

A Hero Knows What It's Like To Lose Someone  
A Hero Knows What To Do Right Then  
A Hero Never Leaves Someone Behind

A Hero Has Someone To Make Them Who They Are  
A Hero Will Never Risk Someone To Save Himself  
A Hero Always Takes The Risk Just For The Last One

We All Have A Hero In Us

We All Need Are Hero

# I Want Someone

I WANT SOMEONE  
WHO WONT CARE THAT IM INCAPABLE OF SITTING STILL  
THAT I CANT GRASP THE CONCEPT OF CLEANING  
AND I REFUSE TO BE LADYLIKE  
SOMEONE WHO REALIZES  
THAT HALF THE DECISIONS I MAKE  
ARE USUALLY ONES I REGRET  
AN I HAVE THE RIGHT TO OVERREACT AT ANY GIVEN MOMENT  
I WANT SOMEONE WHO KNOWS HOW COMPLETELY INSANE I AM  
AND HE WOULDN'T WANT ME ANY OTHER WAY

# Loved

I Wont Flinch Or Run  
    When Will You Learn, Love  
    That Im Here To Stay  
    Let Me Love You  
    As Freely As You Are

# My Friend

We All Need Someone  
To Talk To In Our Life,  
A Friend To Whom We Run  
In Time Of Stress  
A Friend Who's Always There  
Throughout The Years,  
A Friend We Know Will Care  
And Take Away Our Fears.  
A Friend We Know Will Care  
And Take Away Our Fears.  
A Friend Who's Always Near,  
Waiting For Our Call,  
To Wipe Away All Our Tears,  
And Lift Us When We Fall.  
A Love Friend Indeed  
On Whom We Can Depend  
To Fulfill Our Every Need -  
Thank You, Precious Friend

# Night Angel

I find myself in a field of roses  
It was a warm summer night  
The moon was full and the stars are many  
I find you sitting in the roses  
You are starring at the moon  
There is a warm breeze as i sit next to you  
You look over and smile  
We lie back in the cool grass  
i find myself falling asleep into the darkness with you  
Then the thought comes to mind  
You are my field of roses  
You are my cool summer breeze  
You are my million fireflies that light the night  
You are my moon to go with the stars  
You are what makes me sleep  
You are my eternal hope and love

jamie newcomb

# Pool Of Her Tears

She hides her pain with a fake smile  
She makes a fake smile with her tears  
She tears with her broken heart  
Her broken heart shows that she can love  
And showing that she can feel and also let go

jamie newcomb

# Speeding

Speeding, Talking  
Swollen Tongue  
Dry  
Eyes All Black  
None Of My Souls Blue Left To Show  
Shaky  
Nose Runny  
One Reoccurring Thought  
Next Hit  
Next Line  
Spilling Guts  
Sharing Secrets  
Heart Pounding Faster And Faster,  
Focus  
Taste  
Cigarettes,  
Needing Nicotine  
Needing More Speed  
No Down  
Please No Going Down

jamie newcomb

And I Still Talk to You

I Go Visit You Every Day By Dad

You And Dad Loved Me Very Much

You And Dad Helped Me

So Today I Came to Visit You And Dad  
And I Just Wanted to Say Thank You  
For EVERYTHING

# The One

I asked you if I was PRETTY, u said NO.  
I asked u if I was FAT, u said YES OF COURSE.  
I asked if u WANTED to be w/ me forever, u said NO.  
I asked if u would CRY if I walked away, u said NO.  
I had heard to much, and need to leave and,  
as I walked away...  
U grabbed my are and told me to stay.  
U said...  
Ur not PRETTY, Ur BEAUTIFUL.  
The only thing FAT, of BIG, about u is ur HEART.  
I don't WANT to be w/ u forever i NEED to be w/ u forever.  
And, baby, I wouldnt CRY if u walked away...

# Truth

~\*~

You can make life what you want it to be through belief in yourself

~\*~

What is meant to be will always find a way

~\*~

It is better to be hated for who you are than to be loved for someone you are not

~\*~

Don't let what others think decide who you are

~\*~

Be bold and courageous, when you look back on your life, you will regret the things you didn't do more than the things you did do

~\*~

What appears to be the end is really a new beginning

# Warm Heart

I held out my hand  
You walked away  
Like nothing happened  
As i lye there unsure  
As i look a the ground sadly  
As i feel the warmth of the tears  
You turn back  
I asked why do u always leave when it gets bad  
Then you turned to me held out your hand and said  
You've always been alone but when i turn  
Its to show no matter how many times i do  
I will always turn back  
As i stood i ran to your arms  
I let the tears fall so i can fell your warmth

jamie newcomb

# Way Beyond

The flower petals swaying in the water  
chase after the distant moon  
The fireflies glowing for the moons extra  
light  
The sweet breeze blowing for the mistaken  
love  
The sun shining down on the unbelievable  
moving hope  
The earth turning for all the dreams within  
reach  
The girl sitting at he table as she counts  
the minutes hes gone  
The boy sitting in his room waiting for the  
fallen love to be  
The lies that never reach the ear to  
hear  
The truth that goes far out beyond  
the horizon

jamie newcomb

# What Happened

When We Fight  
We Make Up  
I Cry  
You Cry With Me  
No Matter What  
We Stick Together  
When You Left  
I Kept Strong  
When I Look Up  
I See What Has Been Done  
When I Wake Up  
I See Your Face  
I Try To Forget  
But The Thoughts Never Go Away  
With All Those Memories  
You Took One Thing  
When You Went Away  
You Took My Heart With You  
Now It Will Never Be The Same

# What I See

When I Look I See You In Me
