# Oh! My Garden

Oh! My Garden

I am in Africa now  
in the rock city, floating  
morning fog, in home  
my garden is neglected?

a grass, a tree  
own likes and dislikes  
growing, should be  
and various rock in my garden

I ask a curved tree silently  
a small grass is crying  
I was hurry  
What time? moved it into

I want to adopt  
blue flower  
a profound and peaceful flower  
Where? should I put it
