Exams

I hate exams
Especially the maths ones

I feel happier once they are finished.

There is the holidays

His Lover May

The man laid in the hay
Who loved a woman called May
He went to his car
And went to the bar
Where he saw his lover May

I Knew A Person

I knew a person
Who hated me so
My self esteem went down low

Because of this
My life went down the drain.
And it started to rain

This person is rude
And hated her too

Life

Life is stupid

I wish it could be better,
For me

My Best Friend

He is always there for me

I could tell him anything i wanted
And he wouldnt care

He is not just my friend,
But a father that cares

So i thank him for helping me
And being there for me

My Soul Mate

He is on my mind
He is a long distance away
He will always be in my heart

He is the kindest male,
I have ever met,
He will always be with me
Wherever i go! !

Sad Lover

He walked away with a sad face
With tears running down
He went to his place
And he slammed the door

He thought of what she said
It kept going through his head
Over and over again
For he didn't know what he would gain
Because he was in such pain

He walked past me the other day
I didn't what to say
I stopped ahead of him
And said 'you poor thing'

He told me everything
And i started to sing
He loved my song
And sang along

He soon fell in love with me
And I started to see
His sad face was gone
A new face was born

He was as happy as can be
When he was with me
We are now in love
When we saw a big dove.

Troubled Cat

There was a cat called Kent
That lived in a tent
Then there was a storm
And his tent was torn
So he had to go to town and rent
