## Jessica HernandezDamian(10/04/1994)

My name is Jessica Hernandez Damian and I am 20 years old. I was born in California in the United States. I love weather from California the ocean, trees, and all the nature. I started writing poems when I was in High School. I love writing poems because it is a way to express myself what is happening in my life or my thoughts of life. It is way to share my things to the people I love like family and friends. Poems are part of me because every poem I write is about me or my thoughts of life.

# Faith

Many people have faith in their lives.  
Faith will always be around in our  
lives because we all have faith.  
You just have to believe you have  
faith and you will have faith in your  
life. It all means you just do believe  
of yourself to have faith. We as  
people have faith and faith will be  
with us forever in this world.  
Faith and faith is something to believe on.

# Fearless

Everyone has fear of something  
but do you know fear is our  
weakness If we have fear all  
the time we wouldn't be  
successful It takes no fear  
to survive Fear is our  
weakness so we should be  
fearless to live and  
survive Fearless will  
take us a place we will  
never know If we give it  
a shot to have no fear  
We should all be fearless  
and turn into a strong to  
survive It takes no fear to  
survive in this world

# Happiness

To be happy.  
It is not where  
you are. It is  
what you feel  
inside of your  
heart because you  
feel happy inside  
of your heart.  
You will always  
be happy whatever  
you are because  
you feel it  
inside of  
your heart.

# Not Afraid

Don't be afraid to  
show the real you just  
be yourself Show the  
world who you really  
are Don't be afraid  
they will not like  
you because your  
different You will  
find someone that  
does like you who you  
really are  
Don't be afraid  
to speak up just  
gave it a shot and  
you will be just  
fine Don't be afraid  
to be success just  
do your best  
Don't be afraid to  
do mistakes just  
learn the mistakes  
you have done and  
you will be successful  
Don't be afraid

# Waves Of The Ocean

When I see the ocean  
I see my dreams  
I love watching the  
ocean It like I was  
splash in the ocean  
of my dreams  
every time a wave  
comes it like  
I made one of  
my dreams  
when I see the ocean  
I see my failure  
I have done  
when a small wave comes  
It like I had made a  
mistake of my life  
when a big wave comes  
it like I got up and  
continue living my  
life I just follow  
the waves of the  
ocean to make  
my dreams come  
true Follow the ocean  
of dreams
