# Tell Me Why: The Matthew Sheppard Poem

A guy, so just, didnt do a thing,  
he was kind to folks, very sweet,  
exactly like he seemed.  
Some people just feel uncomfortable,  
so they just do as they please.  
They found him,  
Beat him,  
And threw him around.  
The left him for the dogs,  
They really didnt care,  
As long as the 'Faggot' Was gone.....

doesnt rhyme or anything...but im getting my story out.....so yea....

Faggot was not a Name.....just a word.....did not mean for it to sound  
offensive.....
