## Kaydian N Kerr()

I am a young, vibrant and energetic person with a personality and character many envy and admire.

I am a Writer/Anthologist by heart. As my passion and desire lies in the Arts. With intentions of having my Anthology published later this year.

I tutor part time to Tertiary students and students of all ages voluntarily. I love what I do as I do what I do to have fun and ensure people are happy.

I'm always in a happy mood despite everything which may be happening in my life.

Just hala @ me, and you will see I'm fun to hang and just communicate with. However, I'm off the market as I'm a proud married woman who enjoys married life to my wonderful and amazing husband.

A fervent believer in Christ Jesus, Our Lord and Savior. Whereby, I'm an Adventist.

Have fun reading my poems! And, feel free to comment.....I won't bite, so hala @ me\*

# A Reminder...

Remember:

God is able!

He will do the impossible which seemeth to you; but its the possible for Him always!

Nothing is impossible for Our Lord and Savior!  
He loves you more than you could possible imagine!

Remember to give Him thanks and call upon Him always!

# Apology And I

I hate apologizing  
Well, why should I?

Should I be a weakling and admit I'm wrong @ times?

Why should I?

After all, I hate apologies!  
They mean nothing to me.  
People just say them-to make you feel sorry for their slimy ass.

Why should I?

I tell people to stuff their apologies.  
You said it-  
Don't bother coming to apologize afterwards.  
You did it-  
So don't even try apologizing to me.

You can stuff em all where the sun aint gonna shine!

- -

You should know better than to try and apologize.

As for me  
I won't!  
Cuz, I'm no weakling!

Or  
Am I a weakling  
For not  
Apologizing?

# Cold Night-Alone

Oh  
Its raining and I'm so darn cold  
Here all alone.

So darn cold  
Need warmth from my baby  
Tonight.

But my hubby aint here.  
Aint here tonight as  
He's away on business.

Oh,  
How I wish he were here.

To be in his strong mighty arms.  
Feel his touch against my bells of love  
His warm breath upon my neck.

Its so darn cold  
Wishing my baby was home.

Home with me tonight  
Is all I long for on such a cold darn night!

Its really a cold night here in JA!

# Death

You ask what is sure in your life  
But I got news for you tonight  
As  
Wealth aint sure in this your lifetime  
Fancy cars, stereos, women and all em pleasures  
They aint sure at all.

But death is!  
Birth aint sure  
But death is.

Once you are alive  
And  
You are right now  
You gotta think about your soul when you cross over  
To the other side of the shore

Will you sleep peacefully  
Or  
In total torment?

You aint know  
So change that nasty attitude of yours

As death is sure!

# Don'T Push Yourself Too Much

Do what you can within the time frame given.

Never underestimate yourself; but never push yourself over the limit.

Our bodies know when to stop; we don't.

When our bodies say 'stop, ' do so!

Remember, the body is not a machine...we have to stop and rest before it affects our health.

# Freedom

If you truly love someone and they aren't willing to love you in return- but mistreat/disrespect you; let them loose and free yourself.

If it's meant, they'll return home to your heart.

As home is where the heart belongs even when it fights to be free.

Loving someone is hard; its even harder when you force yourself to hang on, when that person just wants to be free from you.

Let them be happy by freeing and loosing them from your heart for a moment in time.'

And, trust God to open the way always 4U!

# Happiness

Happiness comes from the Lord- The giver of all.  
He grants us all our needs and desires.  
Greatest of all-Salvation.

We pay not a dime to enjoy the fine primes of receiving and enjoying Salvation  
at no cost.

Let's think of our future happiness on the new paradise with Christ Jesus today!

Kaydian N Kerr

# Happiness (1)

Your very own Happiness lies in your hands.  
But, True Happiness comes from God.  
He alone can grant you that sweet bliss of Happiness.

You gotta open your eyes and see all that.  
As a job, a man/woman won't make u happy;  
You gotta do that for yourself!

Exercise your faith and trust God always to open your gateway to Happiness!

# Happy Father's Day

It takes a real and true man to stand firm and own up to his responsibilities and be a dad.

A dad is not just a role but a honor and a blessing from the Father Above.

You wear the title and crown 'Dad' quite well.

Happy Father's Day!

Continue being the wonderful and true dad you are.

Continue allowing the Lord to lead and direct your steps in the right path on this journey of Fatherhood.

# Her Arrival: Death

Often time  
She aint give out a warning cry  
Not a single sound  
To say she is rounding near  
Coming close  
And  
Will be taking you today/tonight.

She aint scared of your location, job or avenue  
Once she's ready for you  
She's coming and taking you in full force.

She aint care about no child  
No wife  
She aint care about nothing and no one but you  
To get you out  
Outta this life

When she comes  
Be prepared and don't bother to fight  
As she won't leave you an inch behind.

# Hurting Inside

I wanna hold my head and cry

Cry for what you ask!  
But I'm hurting inside.

Too much crime and violence  
I'm seeing alive.  
It aint new  
It aint strange  
But I'm sick of it all now!

I'm hurting inside  
To see the many relations and marriages failing  
All because of Lies!

Why?  
I often ask myself.

But I'm too hurt inside to even think straight tonight!

Why?

I'm hurting inside!

It's too much!  
How can You say  
You love someone  
And,  
Turn around and stab them to death?  
How can you? ? ?

Why?  
I'm hurting inside!

## In Your Time Of Loss...

There's a huge difference between your Mourning and your Mornings in the face of losing a loved one, dear friend or just something you love.

The difference is 'U'

You need to make your Mornings less of a Mourning because You have hope for a brighter and better tomorrow.

God is able and he knows best.

He knows why your loved one has been taken from you, so cease Mourning so much.

# Life Is A Lesson

'Life is a lesson.

We learn The Good, The Bad and The In Between.

We encounter well-wishers, friends, enemies daily in our lives.

Greatest of all, we are able to overcome and should overcome all the negatives we face in our lives.

God is truly amazing!

If we reach out to him and not shut our doors-our hearts, He will lift us above all obstacle and barriers placed in our way by the enemy.

He will take us above and beyond all our endeavours to make us a success!

\*-\*Reach out to your Heavenly Father today\*-\*

# Love

Love is magical.

Love is supreme.

Love is similar to an ancient degree.

Love makes me happy. Love makes me sad. Love makes you seem irreplaceable to me.

But don't you dare try breaking this heart of hearts of mine.

My love doesn't come easy.

Only It's magical and supreme.

Whilst you may not know it exists for you.

Love makes me a drama QUEEN!

Which makes me happy daily.

Love heals my soul and relieves my pain.

To love you is great.

To care for you is wonderful.

Don't you ever dare try to turn my love into a Mockery!

Love is beautiful and i'm happy to share it with someone like you!

# Love Doesn'T Lie

Love doesn't Lie  
So stop saying You Love me and Lie!

I can't take this anymore;  
I won't!

I won't let You make a mockery of my life with Your lies.

Love doesn't Lie!

Love doesn't lie  
And,  
Would never do anything to jeopardize my life  
And,  
Cause me hurt, shame and my pride!

Love doesn't Lie!

Why can't You see?  
You are blinded by Infatuation.

Love Does Not Lie!

# Love Is In Every Language

Love is English  
Love is French  
Love is Spanish  
And,  
Mandarin.

Love speaks a language we all understand.

But some are too ignorant to make acknowledgement of the language.

It speaks to you daily.  
It keeps you alive.  
It should shine from your inside-  
As love flows from within.

Love is in every language  
And, should be portrayed daily in our lives  
Even to our enemies.

Love is every Language.  
And,  
every Language is Love!

Kaydian N Kerr

# Love Takes Time

We have developed true love  
For each other.  
Like the true blue bird love  
In a story.

Our love took time  
And,  
Is meant for a lifetime.

But are we willing to give our love a chance  
In this time? ? ?

Or, will we continue to allow our  
Love to take time? ? ?

Time to evolve more  
Instead of going at it together?

What shall we do? ? ?

Time alone tells!  
But one thing's for sure.

Love takes time!

And, so art ours.

I love you!

# Love...And I- Tonight

Love can be so darn complicated at times.

I love you!  
But I'm in love with someone else.

Someone who has time.  
Time for me and all the BS I got.  
Time for me with this attitude of mine.  
Time for me entirely.

Why can't you have time for me?  
Why couldn't you try?

Now, I'm caught between a rock and a hard place.

I love you!  
But, I'm in love with another.

What should I do? ? ? ?

Oh, love-  
You are too darn complicated for me  
Tonight!

Goodnight  
Love!

# Marriage

Marriage is a gift  
From the Father Above.  
Let's enjoy and embrace it in love and harmony!

It joins two flesh together and makes it one in unison and comparison.  
Its a true blessing and a wonderful gift from God to us: men and women  
To get marry in love and truth together and enjoy the essence and joy of it all.

Marriage can break down barriers between families.  
As two families join not jus on paper but in hearts and flesh.

Marriage is nice  
Regardless of the ill wills.  
Always, expect the sweet, sour, salty and bitter taste of it.  
You can't give 75,  
It requires 100.  
A hundred not jus from you,  
But your spouse too.  
A hundred shows your dedication, determination, love, trust, honesty and  
friendship to make it work.  
Not jus for a day, but 'til death do you part.  
Not when illness strikes and you run away, leaving your spouse stranded and  
wondering 'where did we go wrong? '  
But through thick and thin.

Marriage is a gift from the Father Above.  
Embrace and enjoy it,  
When you get to that special place with your loved one.  
Treat them right; as you would want to be treated.  
And, show love and be love to them.  
Marriage is so pure and true.  
A beautiful gift from God.

# Morals

It is wrong in all situation for a man to betray his wife.

Worst for a woman to betray another woman via means of getting the woman's husband.

Worst of all, to betray and break the matrimonial vow.

# Mother Sleep: Death

Mother Sleep  
Comes and creep

Creeping alongside you  
Wherever you go

You aint got no escape  
So what are you going to do

Are you going to run and hide  
Or  
Stand and face her as a man/woman

What will you do?

When she comes  
You gotta give up all as she doesn't give an extra minute

So live your life right and to the fullest!

Mother Sleep is creeping on someone  
Tonight!

# Mr. Man

I see you walking downtown  
With a lovely stroll  
A stick in hand  
Like ya a money man.

My heart skips a beat  
I ponder as I look along  
To see your physique in full view  
To steal a glimpse of that oval dark chocolate shaped face of yours.

To my surprise  
You turn a blind eye  
Starts walking again!

Away from my heart  
Away from my direction  
Away from my path!

Why do You do such a thing?  
Am I too ugly to be in Your sight?  
Or  
Am I too beautiful for you to view and look upon?

-

I wish I know-  
But someday I will  
Someday in the newly land  
A land called Paradise  
With my Lord!

You are a handsome man!  
Yet  
Your name is unknown to me  
And  
I am unknown entirely to You.  
Or  
Am I?

# My Darling

My darling is dear  
And, so darn rare.  
He should be near.

Close to me to have his tender touch clasping my face,  
Feel and hold me with his warm embrace.

Have his fresh scented breath upon my face  
And, whisper in my ear a simple 'I love you K! '

My darling is shy  
My darling can be quite sly.  
Would you like to be my darling on this raining night?  
Especially since he's not here tonight.

And, won't be until...  
Tonight!

# My Life...

My life seems all but a mystery and an unsolved puzzle to me.  
Daily I try to search within myself-  
On a quest for all the missing pieces and aspects of it.

What do I find?  
Hatred, Jealousy, Lacklustre towards me.

Why do people hate me so much?  
I wish I knew-  
Well, I do.  
But do I really wanna fit those pieces together?

I wish I could say at this moment in time.  
Except, my life is one big mess.  
I am pissed at myself!

My life is a total mystery and puzzle to me.  
Only God can show me the way to solving this

# My Love

I'm in love with a handsome, chocolate Jamaican man.  
Sometimes, it seems so wrong yet deep down inside, I know it's all right.

All I wanna do most days is have fantasies of us.  
Lying under the moon and stars making sweet passionate love.  
Knowing we are one in unity and strength;  
Acknowledging that nothing can come between us and destroy our love, joy and happiness.

This handsome Jamaican chocolate man is the one in my dreams and the one I lay my head next to at nights-my husband.

## Real Talk...

Behind every Strong Man  
There is a Good Woman  
So don't expect to have a Strong Woman  
And  
You are a Weak Man!

Too often SoMe  
Men expect their women to carry all the load  
Do all the work  
And  
All the BS

What do they do?  
Nothing at all  
Jus sit, watch tv and eat  
They are just a bunch of  
Nyam and Shit!

A Real Man knows the worth of a  
Real Woman  
And  
Values her!  
He desires a Strong Woman  
As  
He's a Strong Man!  
And  
Not a Weakling!

# Showers Of Blessings

It's raining all around  
It's raining all over the beautiful island of Jamaica.

It's just raining  
And, has been raining all day.

What is this?

It's just the Blessings of the Lord  
Raining on us in proximity.  
He loves us and saw where we needed it.

The heat was getting to us  
And, decided to send us showers.

Not just showers of rain  
But showers of Blessings!

He is blessing our land despite all the crap many of us are doing.

# Temmi Why

Why do You wanna hurt me?  
What did I ever do to You?

Why do You want me to cry  
All day and night?  
What did I do to You to deserve this?

Have I been such a Cow unknowingly?

Was I? ? ?

Oh, please temmi why!

Why did You do me this?  
Did I deserve such fate?

Temmi why!

Oh

# The Rain And I

How I love the rain!  
To curl in bed beside my Lord, Lover, King and Friend-  
My hubby K.

Just to be close to him in this rainy weather makes me feel warm  
While others maybe cold.

Just his soft touch on my shoulders as I lay in bed  
Warms me all over.

His warm kisses are petals and they grace and warm my soul.

Ever so lovely!  
As he kisses and lights my flare.

How I love this rain?  
To share it with no man and no one Other  
Than my hubby K!

I love the rain and, I love you K!

# Time And I- Tonight

You never seem to got time for me  
Yet  
You are always on my mind.

What is this on me tonight?  
Is this just a flicker of my lime light? ? ?  
Oh, please temmi:  
Why!

You never seem to be able to call  
Yet  
I always wanna speak with you.  
I long to hear your voice speaking in my ear.

You never seem available to see me.  
Yet  
I long to grace your small round face.  
Your short handsome manly frame and physique.

How I long to be in your arms and be in your presence.

But do you care?  
Do you? ? ?

## Women....

'The soul of a woman is fragile.

Dishonorable men refuse to respect the crucial truth.

They toy with a woman's emotion without any semblance of concern or compassion.

Therefore, women must guard their hearts from these cold hearted beasts of males with all their DILIGENCE.....'

Kaydian N Kerr

## Word Of Advice From The Young And Wise....

Do unto others as you would desire to be done unto you.

So Females- if you're with a married man; Leave him. Allow him to return home to the bosom of his wife and children.

Don't expect when you get married to have your hubby all to yourself.

\*-\*Remember, whatever evil you ought done to another will return to haunt you before you close your eyes to sleep.

Males-stop cheat on your female counterparts!

When a woman tells you  
She aint interested anymore

Means supn has been lacking in the relation/marriage.

She no longer feels needed in your space  
No longer comfortable with you anymore.

What do you do  
You ask!

Simple-  
Yet  
Easier said than done.

Allow her to be!

Give her Freedom and Time to enjoy life

Enjoy all she's missing and lacking with You in her life.

If its meant  
She will be back to You  
In no time!

- -

If not  
Give yourself time to heal  
Meditate on God's Words  
And  
Ask Him to show You the way  
And  
To provide you with a wife!

He did it for  
Jacob  
Isaac  
Joseph

He will do it for You too!

## Words Of Encouragement (1) \*

Real Men:

Never let go of the woman you love!

The one whom you can share silence comfortably with.  
The woman that cares unconditionally for you.

Sometimes, all a woman needs is for a man to fight for her and their love.  
Even if she hasn't told you she 'loves you.'

Make her believe that you want this relationship to work more than she does.  
And, be truthful in all that you do!

Love God

Love Yourself;  
Love Her as equally as you do yourself!

## Words Of Encouragement (2) \*\*

When a woman tells you  
She aint interested anymore

Means supn has been lacking in the relation/marriage.

She no longer feels needed in your space  
No longer comfortable with you anymore.

What do you do  
You ask!

Simple-  
Yet  
Easier said than done.

Allow her to be!

Give her Freedom and Time to enjoy life

Enjoy all she's missing and lacking with You in her life.

If its meant  
She will be back to You  
In no time!

If not  
Give yourself time to heal  
Meditate on God's Words  
And  
Ask Him to show You the way  
And

# Words Of Inspiration

As strong vessels on board with Jesus Christ, the devil uses all manner of deception to get us off board from meeting and gracing our Savior's magnificent face.

To be in his glorious manner and sight.

He uses children, friends, relatives, partners/spouses to get us out.

But we have to affirm and stay strong for Jesus Christ.

We have to be strong to continue securing our place on the new paradise.

We have to stay strong to win this battle with the enemy.

Even the strongest at times break and falter;

# You...A Liar And A Cheat

You...

Why can't You be truthful?

Why did You have to lie?

Why did You say You were with another to get me angry

Then try to brush it off by saying

You lied and wanted to surprise me?

Why!

You are a Liar and a Cheat!

How dare You

Come and try to water things down?

How dare You come and turn things around

Making me seem the bad individual

How dare You

Pin the demise of our relation on me?

How dare You?

You are a Liar and a Cheat!

I don't need You!

Go away from me!

You are a Liar and a Cheat!
