A Gangsta Whispher

did u recal when we first met
you cheered me up i couldnt forget
we started as friends
but yet it somehow grew
now my heart aches
just to hear and see you
you softspoken and true
me a gangsta so go and shue
i will 4ever love you
even though u broke my heart
tonight ill beleive you are here with me
pretend ur lying next to me
ill imagine ill kiss you while your dreaming
but its only a make belive fantansy im seeing
ive been calling out
but ave gotten no reply
i ask if you hear my whispers
you will close ur eyes and i dont even say goodbye
im trying to write a whispher peom
of the way i feel 4 u
yet its so hard to write something happi
when i feel so purple and blue
gangstas role all night
if i had ur love i just might
well it dont matter wat i think wat i need
its u that i need to take me in ur arms and lead
dont let go dont b scared
as simple as we are
we come from two different worlds by far..

DO U MAKE LOVE TO ME IN UR MIND
YOU KNOW I DONT LIKE IT ROUGH BE KIND
I WANT YOU TO KISS HOLD MAKE LOVE
GO INTO MY SOUL RELEASE THE PURPLE DOVE

I KNOW U WANT THIS GREEK GANGSTA THATS ONLY ME

kiki KEYKEY amador

Already Miss Ya

oh my
tonight got the news wanna cry
from being together all the time
to never seeing u no more gangsta rhymes
really never together always apart
i will now live 4 ever with a broken heart
at times theres something deeper than love
spread ur wings my purple dove
it aint fair
i see ur face when u aint there
its ur lips i want to kiss
its only u ill 4 ever miss
for so long i rushed 2 you
you loved me i know that too
you said u wont allow urself 2 go there
but u did
now do u see why i flip my lid
i long 4 u and for more 2 be
is this love pain or purple tears my destiny
please give me a break
tell me theres been a mistake
i never begged before
never knew that love was a chore
so much time lost crawling 2 u laying down
my purple tears r now the only sound
im going insane
my body cries with so much pain
you see loving you was all i wanted
and needed
u wanted it too u did it
you wanted me to love you you really did
i didnt act like a gangsta but more like a little kid
singing dancing playing writtting
all of it i miss
i fonly 2 be held in ur arms i wish
i want to teach u how to love the way i had been taught
i just want to stay up with you and laugh alot
but the laughter have turned to tears
this was my worse fears

loving each other
but must be apart
4 ever this greek gangsta will have a broken heart

Apology

NEVER APOLOGIZE FOR SHOWING FEELING
WHEN U DO SO U APOLOGIZE FOR TRUTH
LOVE HAS ITS OWN MAGICAL WAY
OF FINDING TWO HEARTS THAT BEAT AS ONE
IN UR MIND U MIGHT HEAR A VOICE SAY
LOOK NO FURTHER
I AM UR SOMEONE
MY THOUGHTS GROW LIKE TREES FROM THE BEGINING TO END
MY SPEAK DRIFTS LIKE LEAVES THAT BLOW IN THE WIND
WHO R U AND Y R U HERE
Y CANT U JUST TELL THE TRUTH
Y CANT U BEE SINCERE

Be 4ever Happi

Just like a candle the light is gone
Cant remember if we ever had a favorite song
Death do us part are words are cemented
Our soulds never really connected
Man i was really not a freaak
You never heard my speak
I see good in you but its not for me
Hope u find someone u really love you see
May she be smart funny beautiful ann that u require
Cause i was really never the one that could start ur fire
You were scared to go N ow i really know
True the grass is never greenier on the other side
We all use that as an excuse so we could hide
I love you are words that should sooth
But we shouldnt say them if they aint the truth
Once again i ask what is happiness
Must it always cause so much hurtlessness
No turning back i say
The price is steep but we will all pay
For a simple feeling that was never found
Finally no more wondering why i cant hear that sound
All my life i wanted that love to find me and not let go
No more tears to pour
When the dust has set
N o more looking back to when we meet
Cause even then the feeling wasnt there
Do you call that fair
This is why i get so mad
Why couldnt you love me was i really that bad
Ya ok i wasnt pretty like the others
Maybe a duckling not a swan
You should of turned away and run
O h i forgot you did
I chased you down you wanted to get rid
I wont hear of it
I n my eyes you were the candle that was lit
I twisted my life around too make it better for you
All cause a simple I LOVE YOU

Becuz Of The Purple Rain...

gangsta whispers... becuz of the rain.....

DEAR NBK MESSAGE(notebook message)
YOU SAW ME CRYING IN THE PURPLE RAIN

A GREEK GANGSTA FULL OF PAIN

FROM THAT MOMENT ON A FRIENDSHIP DID START

YOU KISSED AWAY MY PURPLE TEAR AND SHELTERED MY HEART

I BLESS THE DAY GOD SENT U FROM ABOVE

BUT GREW FEARFUL FOR I HAD FALLEN IN LOVE

I TOLD U THIS FEELING AND WAT DID U SAY

YOU SAID YOU WERE SORRY BUT U LIKED OR FRIENDSHIP AND THATS HOW IT
WOULD FOREVER STAY

I CRIED ONCE AGAIN FOR A FRIENDSHIP I THOUGHT I HAD LOST

BUT U REACHED OUT UR HAND

AND YOU DANCED WITH ME IN THE SAND

YOU WHISPERED IN MY EAR

AND SAID BABEE DONT HAVE THE FEAR

I LOVE U AND FOREVER ILL BE NEAR

I SAW THE CLOUDS ROLLING IN AND OH IT LOOKS LIKE PURPLE RAIN

AS IT IS I ALWAYS FIGHT FOR THE WELCOME CHANGE

WHEN IT RAINS IT POURS ON THIS GANGSTA HEART OF MINE

SO I TAKE THE STORMS I FEEL EACH TIME
BUT I KNOW I LIVE UNDER THE PURPLE RAIN
YET THE WATER AND MY HEART DONT CHANGE
I CAN WALK AWAY FROM WATEVER LURKS OVER HEAD
AND AWAY FROM MY STORM AND U WITH ALL WORDS LEFT UNSAID
ITS MY STORM AND ILL ALWAYS FEEL ALONE
I HOPE ONE DAY TO FIND MY WAY BACK HOME
ILL STAND IN THE PURPLE RAIN
AND ILL FOREVER SCREAM OUT UR NAME
U SEE
THIS IS THE REAL ME
I LIVED ALL MY LIFE TO LOVE ANOTHERS HEART
EVEN KNOWING WE WOULD FOREVER BE APART
IF FOR A MOMENT U CAN LOVE ME FOR A DAY
YOU MAKE ALL THESE PURPLE CLOUDS GO AWAY

THE GREEK GANGSTA PRINCESS KIKI

Breathless Ahhhhh

Cannot breath anymore
Staying alive is just a chore
After math so painful
He just smiles and seems so grateful
Words just sing
Actions forever will sting
Push and shove
There is no love
A figure of the immigration
Needing his touch is just a satisfaction
See your face in the mirror
Not knowing which direction to steer you
One day its all good
The next day cant take your mood
Now its me who looks the other way
N ot knowing whats going to happen tommorow or today
No cure for what i have
Maybe im just crazy or going mad
Y ou had me once but not again
I believe your like every other men
Its you i no longer seek
Stop holding on to my every speak

Broken Heart...Xoxoxo

i thought i heard a lulaby
soft spoken helplessly in the dark
it was that the sound of angels
crying somewhere for a broken heeaarrrt
i thought i dreamt about you
but all along u were right here
the muddy windows of my heart
have suddenly become so clear
broken dreams and thick cigars
burn away in a wisp of smoke
i wish you held me tight babee
i can pretend life is not a joke
i thought i heard u laughing
but it was the north wind
if i wish hard on a falling star
maybe you will love me again

Dont U Feel Me At All Xoxoxoxoxoxoxoxoo

In these pages i find write
my heart and mind in a constant fight
knowing right from wrong
singing now alone my favorite song
such a strong woman yes indeed
knowing always to take the lead
using everyday as a stepping stone
u wanted so bad 2 hear my gangsta moan
you saw you heard but never touched
dont u think i know u begged or that so much
if only for one time
na never there wont be no more gangsta ryhems
tell me wats it like to want something
but cant aquire it
does it make u crazy do u desire it
do you fall asleep iwth me on ur mind
d u wishpher to urself i love her please be kind
do u think of me inh the shower
as u watch ur solider become a tower
do u brush ur lips
and tast my sweet sips
you continue to say how good it would be
if u could lay down next to me
you entagled my hair
and cry u want me its not fair
you d hold my hand
and wispher to me you take me to fiji sand
you d dance in our bed all night
there would be nothing to see i was ur sight
you d be free finally to love me completely
embrace dont let go
never want to be away from you it feels so low
love me just once in this lifetime
and ill close the books on these gangsta ryhems.

Finally I Will Let Go

TONIGHT IS THE NIGHT OF DECISION
I STAND ALONE LOOKING FOR PRECision
through lonely winter nights my soul has cried
1,000 wishes i hadnt meet ya wish id die
ive been dancing round in circles
praying so loud 4 miracles
there are storms in my heart
you continue to cause bitterness, but i still refuse to depart
y i ask myself do i feel this way
y cant i let go i say
i say i stay for you
but in reality i do it for me
am i selfish that way
again i cry and i say
i stay for you
i love you
and all the tears and fears
are just that
in my mind
i lie saying ur so kind
when in reality you hurt me so
dont you see it dont you no
now ur dancing in circles praying so loud 4 miracles
wanting me back
but i wont allow myself to take on that task
goodby for now

HES NOT ABLE TO LOVE

GO AHEAD RELEASE THE PURPLE DOVE

GOD SAYS THAT MY LAD

NBK MESSAGE

GOD I PROMISS 2 PRAY

PLEASE HELP ME TELL HIM EVERYTHING I NEED TO SAY

AS I SIT HERE AND WRITE WITH MY PEN

LAUGHING OVER PASTRAMI

STORIES OVER WHO WILL SQUIRT LIKE A TSUMANI

FANTASIES ALWAYS ARIZE

LOSING THIS FRIENDSHIP MAKES ME PETRIFIED

STILL TOUCHING HIS HAND

ONE WISH ONLY TO ONE DAY DANCE IN THE SAND

HE STILL CALLS ME ON THE PHONE

JUST SO COULD SING A SONG

EVERYDAY FOR A MOMENT

WE CONNECT OR VENT

TRYING TO CONVINCING EACH OTHER IT IS WAT IT IS

AND WHEN IT DONT OCCUR ITS HIM THAT I MISS

MEETINGS AT HOLY PLACE

ACHING TO TELL HIM I LOVE HIM TO HIS FACE

WATS GONA HAPPEN LOOSE OR WIN

GOD TELL ME IS THIS REALLY A SIN

Gangsta Whispher Dam I Am....

DEAR NBK MESSAGE

today was a great day
made up for all those that were sad
and went away
snoop dog on the cd
watching you puff on a stogi
found a penny head up
knew the day was gonna be filled with good luck
made the journey to the dam
you got out and said thank u mam
we spoke and we speak
on how terrible our lives were this week
we peeked at one another
knowing this relationship is gona be like a sister and brother
talking about my knee incision
asking questions about circumsision
5 dollars for a rootbeer
put it on my tab i have no fear
one hot dog down
chili all over you looking like a clown
2 hot dogs put away
ahh can u imigine a romantic gateway
3 dogs yummy
are u full so says ur tummy
twist and turn all the way down
the view breathless i said without a frown
put song on from scaggle place
waiting patiently to see reaction on ur face
and when u recieted the tune
i shot up to the moon
how did u recal after so many years
i glanced at you and shed a purple tear
cant say we were some of the few
that got a 3-d view
it was great
we both know its better than fate
youll dont have to say a word i know you feel
come get me for im the real deal

Gangsta Whispher I Love My Best Friend

DEAR NBK MESSAGE

the turkey says gobble bobble
i say ill make u that peach cobbler
anytime any place
get happi just to see ur face
erotic dances sorry arent for me
trust me u dont want to see this gangstas boooootie
a mometn in time
a memory made
may they stay with u forever and never fade
let me take you down memory lane
for real i aint crazy but truly sane
faith hill and tim mcgraw song u said wat a disgrace
until a memroy was made at scraggle place
zzzz music
tears from the notebook flick
everyday name that tune
trying to always feed u shit with a greek spoon
laughing everyday
knowing in my heart u wont want it any other way
homework 101
go home and give him some
subliminal message all the time
knowing wat the other thinks
holidays spent apart
trying to console 2 broken hearts
it all started with a handshake
knew from start this friendship wasnt fake
from greetings to meetings
here and now luther was so right that night
until thursdays tyson fights
venice beach in the summer
never made it was a bummer
didnt mind to drive
a mile
just to get a glimse of a smile
not so called connections with ur sisters and brothers
but yet connect with ex lovers
cant seem to let go of ur past

ur a man finally at last
the hurt must of been so deep
loving somebody that wasnt fro keeps
why does life have to be that way
i ask u god im good i pray
why cant u love me in that special way
i told u once i told u twice
after a while the heart becomes ice
church is a place of reflection
sharing that time is our dedication
10 years from now dont know
where will be at in our lives
hopefully happy with no strife
knowing i might take the fall
everyday i gave you my all
you wanted the fairytale
your no different than any other male
wanting love and decications
making love pure gratification
maybe one day the door that closed for me
will be the window open for you to see
endless memories continue to make
and one day reach over and see im real not fake..

Gangsta Whispher Wat Imaginations

DEAR NBK MESSAGE

LAYING IN BED LOOKING AT THE CEILING

expeirnce nothing no feeling

my body gets up and gets out of bed

while my mind is still laying there in my head

ill try to make this whipsher no boring

try to follow me cause i dont know where its going

here and there

it aint me i am nowhere

looking at myself in the mirror glass

at all world around me slowly pass

writting whisphers left and right

whilee my heart and mind entagled in a fight

wat is right wat is wrong

still loven that endless love song

one step ahead cautious not to get caught

walking around like i am a robot

still cannot connect anything with emotions

tore between love and devotions

trying to disconnect

still feeling the outhur body experince effect

not so real

not allowing myself to feel

why wont you let me be free

why are u requireming so much from me

i was your forever

remember u said u didnt wanna be together

just like in that funk love song

ya know gone with the wind

you used to hate it when i would sing

that was my out

ahhh the truth always came out of my mouth

needing u like a tree needs water

looking up to ya like my gangsta father

giving you my love and respect

knowing how to open mouth kiss you no funk peck

you see i had ur back im a gangsta

wasnt a ho wasnt a prankster

made you laugh

kept you forever on the right path
made slow love to you all night long
listening to voyage to atlantis fav song
you will never forget my touch
now u beg for it so much
tooo tooo late
this is destiny or maybe fate
now you sit back and watch me walk
your eyes cant even look at me or talk
how sad ull never have me again
ill be in ur mind now and then
let me tell you wat its like
youll feel like ur going crazy phycic
your heart will be bleeding
cuz no beat no feeling
youll lay in bed
comotose almost dead
youll cry out for me
everywhere u look ull see me
youll think of the walks on the beach down south
youll always remember the feeling of my wet mouth
have you ever wanted something so bad
that it makes you crazy maybe mad
im describing you in full force
and no babee i have no remorse

Staying alive is just a chore
After math so painful
He just smiles and seems so grateful
Words just sing
Actions forever will sting
Push and shove
There is no love
A figure of the immigation
Needing his touch is just a satisfaction
See your face in the mirror
Not knowing which direction to steer you
One day its all good
The next day cant take your mood

Gangsta Whispher Neva Eva Happi

GANGSTA WHISPER NEVA EVA HAPPY...

DEAR NBK MESSAGE

Just like a candle the light is gone
Cant remember if we ever had a favorite song
Death do us part are words are cemented
Our soulds never really connected
Man i was really not a freaak
You never heard my speak
I see good in you but its not for me
Hope u find someone u really love you see
May she be smart funny beautiful ann that u require
Cause i was really never the one that could start ur fire
You were scared to go N ow i really know
True the grass is never greenier on the other side
We all use that as an excuse so we could hide
I love you are words that should sooth
But we shouldnt say them if they aint the truth
Once again i ask what is happiness
Must it always cause so much hurtlessness
No turning back i say
The price is steep but we will all pay
For a simple feeling that was never found
Finally no more wondering why i cant hear that sound
All my life i wanted that love to find me and not let go
No more tears to pour
When the dust has set
N o more looking back to when we meet
Cause even then the feeling wasnt there
Do you call that fair
This is why i get so mad
Why couldnt you love me was i really that bad
Ya ok i wasnt pretty like the others
Maybe a duckling not a swan
You should of turned away and run

O h i forgot you did
I chased you down you wanted to get rid
I wont hear of it
I n my eyes you were the candle that was lit
I twisted my life around too make it better for you
All cause a simple I LOVE YOU

GANGSTA WHISPHER..U KNEW ALL ALONG

DEAR NBK MESSAGE

I GUESS I FINALLY TRUST YOU ENOUGH

TO TELL U ANOTHER GANGSTA SECRET

SOMETHING THAT HAS HURT ME FOR SO LONG

MORE PURPLE TEARS THAN ANY LOVE SONG

LOOKING IN THE MIRROR TALKING

NO ONE TALKS BACK IM SPARRING

LOVE THE WAY I LOOK TODAY

WITH A FACE LIKE THIS I SHOULD GGET PAY

TODAY I DRESSED FOR YOU

DO U EVER THINK WHY I DO IT FOR ONLY YOU

I CANNOT ANSWER

ITS LIKE TAKING A CHANCE U KNOW BEING A CHANCER

I LIKE WHEN THEY SAY STICK AND STONES WILL BREAK MY BONES

BUT NAMES WILL NEVER HURT ME

SO WATZ WITH THE PURPLE TEARS YOU SEE

ARE THEY BECUZ OF THE NAMES

OR OF ALL THE BULLSHIT GAMES

WAT IF THE HAND WAS RAISED AND BUIZED ME

WOULD U RUN TO MY RESCUE YOU SEE

WAT IF YOU SAW THE BLACK AND BLU ON MY ARM

AND U SAID IF MR WONDERFUL DID IT, U KNOW PUT ON THE CHARM

WAT IF EVERYTIME I FELL I WAS PUSHED

WOULD U RUN TO MY RESCUE OR JUST SAY SHHHHHHHHHHHH

WAT IF YOU KNEW I CRACKED MY NOSE IN THE MOUNTAINS

AND BLOOD WAS GUSING LIKE THE BELLAGIO FOUNTAINS

WOULD YOU THEN RUN TO MY RESCUE OR WOULD YOU SAY YOU DESERVE IT
TOO

WAT IF I BROKE MY KNEE

WOULD U HELP ME IF I SAID PLEAZZZZZZZZZZZZZZZZZ

WAT IF MY RIB CRACKED

WOULD U SAY I EARNED IT I SHOULD OF GOTTEN JACKED

WAT IF ONE DAY MY HEART BEAT STOPPED BEATING

WOULD U THEN CALL ME AND SAY UR NEEDING

THEY KEEP SAYING THE STRONG SURVIVE

BUT WAT HAPPENS WHEN THE PURPLE DOVE IS TAKING A DIVE

ITS NO LONGER A TRIP, FALL, A ACCIDENT NOW YOU KNOW

I NO LONGER HAVE TO PUT A ON A SHOW

YOU KNEW ALL ALONG

I TRIED TO PROTECT THE SECREAT WITH A FAVORITE SONG

ITS REALLY OKAY YOU SEE

CUZ I LOVE YOU AND I WANT YOU TO KNOW ALL ABOUT ME

THE PAIN IS SO DEEP

BUT IN MY NBK MESSAGES THE SECRET I WILL KEEP

YOUR FRIENDSHIP IS LIKE A BANDAID TO MY WOUNDS

IT CALMS MY SOUNDS WHEN THE SCREAMS R LIKE A WOLF HOWLING AT THE
MOONS

UR LOVE IS REALLY LIKE A DOSE OF MEDICINE

NEXT TO MY GANGSTA WHISPHERS AND PEN

SO FOREVER I WILL WRITE

MY MIND AND HEART WILL REMAIN IN A BITTER FIGHT

NOW U UNDERSTAND

HE REALLY IS A COWARD NO GANGSTA MAN

SO LET THE BLOOD DRIP OFF ME LIKE WATER

AND YES ONE DAY I WILL JOIN MY GANGSTA FATHER

BUT NOT YET I WILL STAND UP AND STAND TALL

EVEN IF THIS GANGSTA PRINCESS MUST TAKE THE FALL

ALL IS FOREVER GOOD

PROTECT ME LOVE ME MY GANGSTA IN THE HOOD.

ITS LIKE A POOL WITH NO WATER
ITS LIKE THE LOSS OF UR GANGSTA FATHER
ITS LIKE A TRAIN WRECK
EVEN GOD TELLS YOU LET IT GO WAT THE HECK
BUT YOU REFUSE
YOU TELL GOD YOU DONT KNOW HOW TO LOOSE
GOD SAYS YOU HAVENT LOST
YOU WILL PAY THE COST
FOR LOVING SOMEONE YOU CANNOT HAVE
WHO DO YOU THINK IS UPSET EVEN UR DAD
HOW CAN U REALLY EXPLAIN
YOU LOVE HIM CUZ UR HEART IS IN SO MUCH PAIN

NOT GOD BUT HIM TELLS YOU LET IT GO

Gangsta Whispher... Are They The Ones That Are Crazi Or Us

images of you running in the hall
hoping the crazi dont catch u and u fall
trying to eject them with hapi dope
there yelling no doc nope nope
you lock the door behind you
they hit the glass they want you
you see the sadness in there eyes
you almost become mezmerized
cuz you know they used to be once like us
but there life was crazi full of fuss
so the white jackets came along
and told them they take them for a dance and song
the muffled there voices
for they thought there mind were at losses
they hog tied there hands and feet
and told them to sit in there seat
lost souls
no one to love them hearts with holes
oh doc uv been sent there to help them you see
your a angel in disguise kind of like me
ur perfect in the job
for i would have purpe tear sobs
they cry all night
they look at the glass and fight
they want to love
there locked up like the purple dove
they have no where to go
if they goet out its like a freak show
pleaswe help them doc
you have higher power than any man you see
they need you they mirror there face
there hearts are sad full of disgrace
no one says they want to be in that place
they look in the mirror they dont even see a face
for them how sad
but so lucky to have you in there lives ur a good lad
now lock the door

and dont look back
cuz you might get another bite attack

I GRASPED MY HEART AND SAID IT WASNT FAIR

I SAT NEXT TO YOU YOU DIDNT RECAL ME AT FIRST

I SAID REMEMBER CLICK CLICK MENTAL SEARCH

I SAID SURE YOU DID

YOU LOOKED AT ME AND SAID
ALL THOSE FAST FORWARDING MESSAGES
ALL THOSE PICTURES
ALL THESE UNSIGNED LETTERS
ALL THOSE SHOTTING STAR PREDICTIONS
ALL THOSE WHISPHERES
ALL THOSE VISITS
NOT ONE THING WENT UNNOTICED
I WAS CAPUTURED LIKE THE BUG LOTUS
I THOUGHT YOU WERE REAL
I TOLD YOU EVERYDAY IF YOU LFEFT IT WOULD BE NO BIG DEAL
BUT THEN ONEDAY YOU WERE GONE
JUST LIKE A ENDLESS LOVE SONG
AS YOU SPOKE
I GLANCED AT U AND YOU WERE NOW A OLD FOLK
I STOPPED YOU AS U SPOKE
I ACTUALLY GAVE U A A LITTLE POKE
LET ME TELL YOU WAT I REEMMBER
ILL NEVER FORGET HOLY PLACE IN DECEMBER
I RECAL BEACH AND BLUE CAPRI
FINALLY IN MIND SEEING THE PURPLE DOVE U SEEEE

NOT REALIZEING HOW IMPORTANT YOU HAD BECOME
UR WERE NOT A NOBODY BUT U WERE A SOMEONE
AND OVER AND OVER I WANTED YOU TO BE MINE
I TIRED EVERYTHING BUT OVER TIME
REALIZED U DIDNT REALLY LOVE ME
FINALLY REALIZED IT YOU SEE
IT HAPPENED ON JAN 2023
YOU GLANCED AT ME
YOUR GRAPPED MY HAND AND U SAID LOOK AT ME YOU SEE
WE ARE NOW OLD
THE WEATHER IS COLD
OUR LIVES WENT ON A DIFFERENT PATH

I SAID ONE LAST WORD AS I PARTED
2023 I LEFT UR LIFE I DEPARTED
THAT DAY I DIED
AND U SAID U TOOK LIFES JOURNEY FOR A RIDE
YOU KNEW I WAS GOOD

HOW COULD GOD SEND U SOMEONE LIKE ME TO BE PAIRED

BUT IT DID OCCUR

I WANTED U IN MY LIFE FOREVER I WAS SURE

YOU SEE YOU KNEW ME INSIDE AND OUT

YOU LOVED ME WHEN ID GET MAD AND POUT

YOU SAID CRAZY THINGS TO ME

I SWORE ONE DAY WED MAKE LOVE ON THE BEACH

I SAID ID BE IN UR LIFE FOREVER

YOU SAY THATS WAT UR MOUTH SAYS IT NEEDS TO BE SEVERED

THAT DAY WAS SAD

I THOUGHT I WAS BEING GOOD TO U TRYING TO MAKE YOU GLAD

ARE YOU HAPPY NOW TELL ME I SAID

YOU LOOKED AT ME DROPPED YOUR EVEEYS AND SAID UR VERY SAD

YOU ACTUALLY THOUGHT I MIGHT HAVE BEEN A ANGEL SENT

U THOUGHT GOD GRANTED ME TO YOU CAUSE YOU HAD REPENT
BUT WHEN I LEFT YOU FOUGHT WITH GOD
U SAID UR HEART FELT AS THOUGHT YOU WERE STUCK BY LIGHTEING ROD
YOU DIDNT TRY TO REACH ME
I GUESS THATS WHY I DIDNT COME BACK YOU SEE
I LIVED MY LIFE WELL
AND THEN THE PURPLE TEARS BEGAN TO SWELL
WE STARTED TO CRY AND LAUGH EXACTLYWHERE WE LEFT OFF 20 YEARS AGO
WE LOOKED AT EACH OTHER AND SIMPLY SAID SOOOOO
WHERE DO WE GO FROM HERE
WE SAID NEVER LET GO FOREVER NEAR
I SAID I HAVE ONE LAST THING TO SAY
YOU KNOW MY NAME AND MY BDAY IS IN MAY
U REPLEID YEP YEP UMMM BANG BANG BOGIIIIIIIIIIIIII
AT THAT TIME I KNEW YOUR MEMEMORY RECALLED
YOU LOVED ME ALL THESE YEARS AFTER ALL
BUT U PUT MY HAPPINESS FIRST AND URS LAST
UR CRIED ONE LAST PURPLE TEAR AND SID LIFE WENT BY US WAY TO FAST
MY LIFE WAS STILL A DRAMATIC MESS
AS I LOOKED AT YOU AND SAID YES YES

Gangsta Whispher...A Birthday Heart

DEAR NBK MESSAGE

this year on my bday in may
im gona make it a breathless day
i will start
by repariring this torn heart
i will get a bowl
and began theclay mold
i will glue the broken heart
by locating the two peices that have part
ahhh no theres 3 peices to this puzzle
how have i lived so long and done this juggle
sit down and please follow
drink some patrone and swallow
yep yep bang bang bogiiii
it all started when i saw him puffing on a stogi
light blue hat, shoes and matching shirt
he winked at me he was a flirt
he was a simple man
very dark very tanned
he said can i have this dance
i fell into his arms as though i was in a trance
he held me tighti knew i was in love that night
he kissed my lips
he tasted my sips
he said dont let me go there
i cant love you its not fair
i told him no way
its the 11th of may
he said wat day
i said my bday
he said i know ur heart has been torn apart
i want to put it together make it a complete heart
a purple tear fell
he embraced me like water and a seashell
he said ill be ur strong wall
i wont let you fall
he said theres no room for me this piece in ur heart
i said its cuz of you its torn apart
he said simple me

i said yes you see
should of been two but its three
i know im in love with you and your in love with me
so as i continue to peice the heart together
cant do it unless ur with me forever
maybe theres only two pieces thats true
but u are the bond the glue
and thats because i love only you

how can i complete you
when im a unfinished gurl
lets start by saying i have long hair w/ a swirl
big hair big legs big eyes
mayb i am a complete surprize
sometimes you look right threw me
i think you think i dont see
but i do
and it happens when its me and you
keep fighting those feelings
and one day theyll stop
i will be gone and u will have forgot
ya know i go back to the start
where we couldnt stand to be apart
everyday together
some how making plans forever
functions spent apart
even with our broken hearts
knowing you want to be part of my life
regardless if it has drama strife
you see with every pup of a call
you were there to catch me fall
with every laughter shared
we were once step closer to being paired
there would always be a callin
for every teardropp that was fallin
recalling holy placesitting in front of god with no disgrace
just a unforgettable moment to steal
god knows how we both feel
ya know its okay
not to love me any longer in that way
i have realized u dont belong with me
not that im not good enough u see
im actually probaly the best
first of all not boring so zest
im breathtaking
maybe even heart breaking
i love oh so hard
i am your lady luckkee card

the next 20 years
i want to approach them with no fears
i want someone that will take my breath away
i want to hear i love you do you hear me say
i want to be held in the arms and never let go
im for real no immation show

GANGSTA WHISPHER IM NOT YOURS...ANYLONGER

DEAR NBK MESSAGE

BY FAR I AINT NO SHOW OFF

JUST TOOK A COUPLE OF DAYS OFF

NEEDED TO REGROUP

TRY TO UNTANGLE MYSELF FROM THIS LOOP

LOOK AROUND WAT DO I SEE

IMAGES OF MAYBE A YOU AND ME

HOW CAN WE REALLY BE ONE

YOUR SOMEONE ELSE'S FATHER AND SON

HOW SELFISH WOULD I BE

IF I WOULD TAKE U AWAY YOU SEE

WHEN YOU ARE THERE

ALL IS BALANCED AND SO FAIR

THEN YOU COME OVER TO MY MANSION

AND THATS WHERE WE ENTAGLE IN PASSION

LAY ALL DAY IN BED

U LEAVE AND U CANT GET ME OUT OF UR HEAD

U DRIVE AWAY AND U CAN STILL SMELL MY SKIN

U KNOW YOU ONCE AGAIN COMMITED SIN

WAT IS IT YOU WANT FROM ME

IS IT CAUSE U REALLY LOVE ME YOU SEE

OR IS IT BECAUSE U DONT

OR U WONT

LOOK AROUND YOU WAT DO U FIND

LET ME GO RELEASE ME FROM UR MIND

STOP THE BULL AND THE RANT

OR IS IT REALLY BECUZ U JUST CANT

kiki KEYKEY amador

Gangsta Whispher...It Just Hurts In The Heart

THE AFTERMATH IS SO PAINFUL
LOSING ME IN UR LIFE REGRETFUL
THE TIME HAS COME FOR CHANGE
I AM NO LONGER AT ARMS RANGE
YOU LET ME SLIP THREW UR FINGERS
JUST LIKE THE FALL OF A FMOUOUS SINGER
MENTAL FILE CLICK CLICK
MISSING YOU SO BAD SICK SICK
I NO LONGER CAN CALL YOU UP AND SAY
YOUR NO LONGER IN MY LIFE THAT WAY
HAVE YOU RED ALL THE LETTERS I HAVE SENT
OR DID YOU THROW THEM AWAY R U CONTENT
SO MANY SUMMERS HAVE PAST
WE WERE SOME HOW JOINED I THOUGHT IT WOULD LAST
WHEN DID YOU KNOW YOU DIDNT LOVE ME ANYMORE
WHEN YOU WOKE IN HER BED AND MORE
DID YOU LOOK AT HERE THE WAY YOU LOOKED AT ME
I REALLY BELIEVED YOU LOVED ME YOU SEE
HOW CAN I BE SO DUMB
I TRULY BELIEVED YOU WHEN YOU SAID GIVE ME SOME
I KNOW WHEN YOU STOPPED
MY HEART HAD BEEN CROPPED
DIDNT WANT TO BELIEVE IT
I CONVINCED MYSELF I HAD TO SEE IT
SHE HAS ALL OF YOU AND SHE IS STILL NOT SATISFIED
I HAD A LITTLE PART OF U AND I WAS GLORIFIED
I REEMBER HOLDING HANDS IN THE DARK
ILL NEVER FORGET THE ENDLESS TALKS
UNPLANNED MEETINGS
SCRAGGLE PLACE SEETINGS
ISLEY BROTHERS ON THE CD
YOU BENDING OVER KISSING ME
LAYING ALONE IN MY BED
YOU NOT THERE FEELING OF BEING DEAD
WANTING SOEMTHING THAT IS SO WRONG
'HERE AND NOW' REMEAINS MY FAVORITE SONG
OF COURSE THERES ALSO IN MY MIND
IMAGES OF U NO LONGER KIND
WORDS RUN THREW MY MIND

PLAYED PLAYED PLAYED
YOUR NO LONGER A MEMEORY UR NOW FADE FADE FADE
YOU CAUSE PEOPLE TO HURT
YOU THINK UR RIGHT JUST A BIG FLIRT
ITS SO HARD TO PICK UP FONE AND CALL
I JUST WANT TO GOTO A CORNER AND COVER MYSELF W A SHAWL
THE SPIRIT IS GONE OF WHEN ID PUP THE FONE
JUST TO RECITE YOU A SONG
I KNOW ITS NOT FAIR
BUT I SWEAR ULL MISS ME NOW THAT IM NOT THERE
YOU SEE WE TAKE PEOPLE FOR GRANITE
I HAVE MY PEN PAPER NOW I SIT IT
I COULD TELL BY THE TONE OF UR VOICE
I AM NO LONGER YOUR FIRST CHOICE
YOUR NO LONGER MINE EITHER
I CANT HELP BUT TO ASK MYSELF WAS IT A TEAZER REALLY WAT A SHAME
WHERE YOU TRY TO BE A PLAYER AND PLAY THE LOVE GAME
OR WEHN U ASK ME TO FALL IN LOVE YOU REALLY DID
OH STOP SHOWING SIGNS OF IMMATURITY U R REALLY A KID
IM SCARED IF I LET GO I WILL MOURN
CRY PURPLE TEARS FOR I AM TORN
UR ACTIONS SPEAK LOUDER THAN SPEAK
I THINK U LOVE ME, ESPECIALLY MY CRAZINESS GREEK
IF I STOP THE CALL
NO ONE WILL TAKE THE FALL
SO THERE YOU HAVE IT
YOU GOT WAT U WISHED FOR
ME OUT OF UR LIFE FOREVER AND SO MUCH MORE.

still angry that u dont want to hear a prayer
i guess evn mader that u dont care
you try to be so tough
i swear iv had enough
my time is so valuable
trying to save this friendship is it salvagable
still holding on
connected by one love song
one dance
one magical chance
one night
might just be great might
knowing you still want me
and me wanting you
how does it come together when is it just two
will never occur in this lifetime
and now i close the book on the ryhem

kiki KEYKEY amador

kiki KEYKEY amador

Gangsta Whispher..Did I Hear U Right U Said I Was Crazi

..

DEAR NBK MESSAGE

LET ME TELL YOU WAT ITS LIKE TO LOVE YOU

THE PAIN YOU WISH TO DISSAPEAR

CAUSE IT HURTS SO MUCH ITS INTENSE FEAR

ITS LIKE BEING IN A PSYCHIC WARD POUNDING ON THE GLASS

KNOWING IN UR MIND THAT LIFE PASSES TO FAST

THE STORY IS LIKE THIS AND THAT

YOU COME TO VISIT CUZ YOU MISS THE GREEK KAT

YOU PUT UR FACE TO THE GLASS

HOPING ILL GIVE U A PEEK THE GREEK BOOTY ASS

THE DOCTORS SIT BEHIND THE BEVELED GLASS AND ACT LIKE THERE
EVALUATING CUZ THERE LAZI

THE FINAL DIAGNOISE IS THE GREEK G IS CRAZI

LITTLE DO THEY KNOW

MY HEART IS BROKEN AND TORE

LOCKED UP FOR LIFE IN A CAGE

MY SICKNESS MAD CRAZI RAGE

LET THE STORY BEGIN

I SAID YOU WERE GOD SENT, U INSISTED STILL WAS A SIN

MORE MEDICATION THE NURSE SCREAMS
ME DRIFTING IN AND OUT OF MAGICAL DREAMS
REMINSING OF STROLLING WITH YOU IN THE PARK
DANCING TO LUTHER VANDROSS IN THE MIDDLE OF THE DARK
REMEMBER THAT DREADFUL NIGHT
YOU SAW ME WITH HIM WAT A BIG FIGHT
I TRIED TO EXPLAIN
I NO LONGER LOVED HIM HE WONT LET GO HE WAS IN DEEP PAIN
BUT U ASSUMED I WAS FOREVER HIS
UR HEART DIDNT UNDERSTAND IT WAS PISSED
I RAN AFTER YOU AND RAN IN TO UR CAR
I WANTED YOU TO STOP BUT YOU RAN SO FAR
I WANTED YOU TO HEAR ME
BUT YOU DIDNT SEE ME
I RAN IN THE MIDDLE OF THE STREET
I HAD NO SHOES, JUST SCAPED UP BARE FEET
PURPLE TEARS RUNNING DOWN MY FACE
HANDS WAVING PLEASE STOP THE RACE
YOU ALWAYS HAD TO BE IN THE LEAD
YOUR SUV WAS COMING AT ME AT FULL SPEED
YOU RAN OVER ME ONCE, MAYB IT WAS TWICE

THE POLICE ARRIVED QUICK EVEN THE CRAZI SQUAD VICE
THEY RAN OVER TO ME IN THERE WHITE JACKETS
THEY WERE ON ME LIKE MAGETS
I TOSSED AND TURNED AND TRIED TO BREAK FREE
I WAS YELLING LET ME GO IM KIKI THE GREEK G
U EVEN SCREAMED LET HER GO
BUT BY NOW THE DOCTORS HAD MADE A FREAK SHOW
YOU SAT BY THE SIDE LINE
AS THEY DRAGGED ME AWAY WITHIN TIME
THEY TIED ME WITH WHITE ROPE
THEY INJECTED ME WITH SO CALLED HAPPY DOPE
I WAS LIMP AS THEY DRAGGED ME AWAY
I GOT A GLIMPSE OF YOU AS THEY PULLED AND SWAYED
THE DOCTORS CHUCKLED AS THEY CLOSED THE DOOR
MY PURPLE TEARDROPS BEGAN TO POUR
MY EYES FELT HEAVY I COULDN'T KEEP THEM OPEN U SEE
I JUST CRIED TO HAVE YOU NEXT TO ME
THERE WAS ONLY ONE WAY INTO THE PSYCHIC WARD
MY LIPS BARLEY MOVING HELP ME LORD
ALL AROUND ME THE CLOTHES THE WALLS ALL WHITE
HELP ME MY GOD O MIGHT

BREATHING HAS BECOME A CHORE

WHISPERING TO MYSELF DONT LOVE HIM NOMORE

AS I COLLAPSE TO THE COLD FLOOR

ONLY 2 GET AWAKEN TO POUNDING GLASS

OH SHIT UR IN THE PSCYHIC WARD U FUNK'N ASS

YOU WERE CRAZI FROM DAY ONE

I SAID JUST LOVE ME LETS HAVE SOME FUN

THIS STORY HAS NO END

I REALLY THOUGHT U WERE MY BEST FRIEND

NOW YOU SCREAMING LET ME OUT

HAHAHA LOOK WHOS CRAZI GO AHEAD AND SHOUT

GO AHEAD HIT THE GLASS

UR GOING CRAZI AS I POP LOCK AND DROP THAT ASS

REMEMBER THE NIGHT I WANTED TO MAKE LOVE TO YOU AND JUST REST

NO YOU FOUGHT AND MADE ME WATCH ONE FLEW OVER THE CUCKOOS NEST

YOU GOT PLAYED PLAYER

I SUCKED THE LIFE OUT OF U LIKE BUFFY THE VAMPIRE SLAYER

NOW ON THE GLASS ITS UR PRESSING UR FACE

YOU HAVE FALLEN FROM GRACE

YOU SEE YOU SAID U LOVED ME BUT U DIDNT MEAN IT

I SHOULD OF NOTICED IT I SHOULD OF SEEN IT

BUT LIKE IV SAID LOVE IS BLIND
TRUE LOVE IS SO HAARD TO FIND
BE CAUTIOUS WHO YOU LOVE
OR U MIGHT BE CAGED LIKE THE PURPLE DOVE
DONT GET PISSED
WHEN I SAY TRUE LOVE DONT EXSIST
IT WILL MAKE U HAPPI AND MAD
IT WILL MAKE U PURPLE TEAR SAD
IT WILL MAKE U LAUGH AT LOUD
IT CAN MAKE U SIT IN A CORNER WITH NO SOUND
SO RELY ONLY ON UR INNNER FATE
PRAY EVERYNIGHT U FIND UR SOULMATE..
kiki KEYKEY amador

Gangsta Whispher..Dont Understand Any Longer

so many changes
in ur voices so many ranges
tell me wat do you need
iv given you all i think i can you see
you say that you sit there and think of me
you make love to here but insist you feel me
how is that possible ti say
when your with someone else you lay
let me tell you about me
youll probaly never meet someone like me u see
now to be lucky to have me in ur life
you see im that person that takes away ur strife
im looking back wondering wat was i thinking
all this time were you faking
all those looks
that i thought came from the notebook
were just like empty melodies in my mind
thinking youd be in my life just needed more time
you see when people cross paths
its happy its sad its called the aftermath
being with you was magic
but i am afraid tosay the ending tragic
you are the one that weeds all out
you are the one that whines and pouts
your the one that cannot connect
you see thats all you have to offer are pecks pecks
so much more to life
have u thought thats why u dont have a wife
you see my life is full
its actually pretty cool
i have no drama
i think im a cool grk mama
dont take shit from no one
enjoy every breathless minute as though its my last
have no skeletons in my past
very simple chick
i am the number # 1 pick
tried my hardest ot be the best
have endured emotional test

continue to rise
hate cheaters and lies
you see at the end they destroy lives
dont trust wat anyones mouth says
they will twist and turn to make things soudn rite
they will give u endless breathless sight
they will feed you with love speaks
and promise they will go to the end of the earth to meet
any longer theres no such thing as the truth
yep yep ummm bang bang bogi it hurts
when someone really cares
everything around u is fair
when that stops
the heart pops

kiki KEYKEY amador

Gangsta Whispher..Grass Greener On Other Side

YOU'D STAY UP TOGETHER ALL NIGHT

NOT BECAUSE YOU'RE IN A FIGHT

BUT TO LOVE

FINALLY YOU'D OPEN THE CAGE AND TOGETHER RELEASE THE PURPLE DOVE

CAN I TELL YOU HOW GREAT IT IS TO LOVE ONE

YOU'LL HAVE THE MOST FUN

Goodby Goodby

keep it short and alive
saying goodbye
the friendship has flopped
and no one will catch my rain drop
always had the fear
thats why i cried all last year
need to get my act together
or ill lose everything 4 ever
as though it seems
i have always chased broken dreams
never really had a goal
always wanted cindy crawfords mole
beauty is so deep
he who has my heart to keep
dropp it in the ocean
listen to seashells motion
put it close to ur ear
and you will hear
a love whispber a carefree notion
possible a magic potion
threw ur ear to ur heart
testing the waters saying well never part
you said you loved me good bad even with pain
now its my blood running threw ur vain
be a strong man
stop it if u can
let me go
stop putting on a show
you dont need me
speak it nowyou see
cut the strings take off ur rings
no more fuss
tear the paper that bond us
you wanted more
so go run out the door
time is running on the clock
you wanted to fall on the forbidden rock
let her go says the song
you had her too long

im calling you a liar
just like the song fire and desire
they all knew one the me
being married shoud be a team
cry and hit the wall ur humpty that fell off the wall
lose it all
take the great fall
dont stop
theres plenty licks left on the lollipop

If 2morow Never Comes

IF 2MORROW NEVER COMES

let my heart thank u for not giving me some
all i was able to give u was my friendhsip oh so strong

wat im gonnna tell you comes from by body heart and soul
you were the only one that said my voice remind you of all songs
this friendship is a strong as ur feet on the ground
b thankful for friendship where sure its found
so with the years and much tears
i say this with bliss and fears
i am reaching out
that is no doubt
i accept your thought
never paid for not bought
friendship is legitimate
and how we know at times so intimate
friendship could be a great love
no purple tears forget the doves
friendship is a trust
thats final a mustthe vase can be broken and thrown away
i say a friendship is almosst the same way...

kiki KEYKEY amador

Im Crying Purple Teardrops

wanting a touch thats so invisible
needing a love thats so pleasurable
it might seem so extreme
god help me i just want to scream
so many riddles and rhyems in my mind
trying to go home but the path is no longer to find
so many broken words
too many hurtful moments
cut all ties never get hurt
wont go back in that jar
will run forever so far far far
never loved me never will
now hes standing alone oh so still
now he knows how i felt
its his heart that will melt
a place so magical
that u can only reach threw your mind
is there such a location r u able to find
hold my hand and ill be ur guide
dont b afraid for ill never lie
ill be picasso and show u some art
ill start by mending ur broken heart
le me love you be ur endless aide
i wishphered i promiz dont b afraid
give me wat i want or wat ineed
its so simple come on pleazzzzzzzzzz
ask me over and over again
do i love u that has been said
he says ive changed so drastically
i finally say i now look so magically
i love myself for wat i have become
a beautiful woman a super mom
hell never say it or mean it
but thats okay
ive moved on gone my merrry way
dont need to hear i loved u in a special way
im stronger now
became 40 in may
he clipped my wings so he could keep me down

and thats where i was 4 so long with a sound.

kiki KEYKEY amador

Im Ready 2 Say I Love You

trying to stop all thoughts of you and me
its not healthy you see
knowing wed forever remain apart
why bother why give you my heart
last night i saw a shooting star
i wished and wished that ud be close but u were so far
you kept hinting and giving tips
on wat u wanted to hear from my thick lips
i thought i could say it i thought i just might
and then it ahppened on one cold night
my life was a mess
as i sat next to you in the darkness
you looked right threw my soul
and you caressed my beauty mole
you are a real man
you interwind my hand
you said i didnt have to say it
but as i looked at you i couldnt help it
you held my hand oh so tight
the lights were almost out it was midnight
it was gonna be a memory made
as my lips parted my speak became fade
i tried and tried but nothing came out
my heart was screaming silent whisphers no shout
would i be able to say it
for so long i prayed for it
my heart continued to screamed
the minute id say it wed be forever connected like a team
i know its said often with no meaning
but saying without meaning in my eyes is demeaning
loving someone is the greatest feeling of all
makes a midget 6ft. tall
MAKES U WANNA JUMPEE 1000 FT FALL
having someone love you though
makes u happy when u feel low
gives u the comfort to vent
makes the heart feel content
makes u wanna dance in the street
stepping, breakdancing slowdancing who cares just move ur feet

makes u look in the mirror and stare
lockness monster nowhere now beauty breathtaking so rare
laughing all the time
making gangsta whispers ryhems
big houses fancy cars
give it all up to hold ur hand under a shooting star
louie vutton coach on my wrist
throw it all away hold my hand on the beach
purple rain falling on our head
u can be my re or how bout just fred
insists in the closet or keep it on the down low
laughing so hard when madea said shed call the po po
in my memory they will never fade
all these shared memories we have made
i put my hand over ur lips and said shhhh please
as the words slipped out of my mouth with ease
i no longer whispered
i knew in my heart ud never be my mister
but knew somehow wed always be connected
you see your love got me affected
tried our hardest to let go
it was all just a circus show
how can i let go of something i love
it was like finally somebody released the purple dove
being with you is a feeling of free
i could now whisper scream shout
its just me,
and i
love you so much you see
i love you, i love you
forever you see.....

kiki KEYKEY amador

Im So Scared

a trembling
a fever of immense magnitude
a feeling of falling when i fell for you
though it has faded
i remember it clear
you havent left
and im still right here
hold on hold tight
lets rebuild that fire
rekindle our love
before it expires

kiki KEYKEY amador

In My Mind

MEMORIES flash in my mind
yet i can still only wonder why
why am i so confused about u
why does my heart stop a beat the minute im near you
le me go i scream
all the words u say are mean
sit down here is my poem it must be read
here are my wisphers i have said
a breathless feeling i have felt
as you cured my heart that has melt
no longer do i feel the pain
i admit i am insane
i thought this was the soultion b smart
now i say goodbye as we are apart
no longer i am a statue in the dark
im a swimming in the water with a shark
you kiss me one last time
dont look for me you cannot find
lost i have become
looking round for someone
the touch of the shake means
sometimes like strangers we pass in the night
but part of me longs for you to hold me for one night
when i try to hug you your limp like a rag doll
and im all alone in the hall
old movies
old feelings
that we once shared
in the bedroom we were quite the pair

kiki KEYKEY amador

Its Over

always say im a lecture
last time i checked
i was given no respect
cannot see being a friend
till the rainbows end
ur tears will not be purple but black
and ull never see me come back
the pain will be like i have died
and u will 4 ever have cried
you should of cleared ur slate
cry all u want its too late
look on ur wrist and see a c
you ll tink of me
you know i was a gal way up from a top
sitting under a tree the acorn drops
wanting to scream but no one will listen
its me ull be missing
everytime i said please dont lie
you sat back and said y y y
how can u cope
when u stick around and mope
saying good 14...xxxx on a phone
promissing ur happy when ur so alone
one day ur friend one day ur mother cant have it both one or the other'
maybe i care way 2 much
it goes deeper than a touch
my head is aching with pain
trying to convicne u im saine
you insist im crazy or maybe mad
when i dont hear from u yes i get sad
running the streets cause u can
body and mind u prove ur still a strong man
listen to radio johnny gill my, mymmyyyy
even the strongest though cry cry cry
i gave u my word for years to come
dont ever ask me to give u some some
not a chance
will i ever dance in ur pants
call me anytime on the phone

i promise never to leave you alone
i hate the fact u like it so much
withdrawing from everybodys touch
you need to have good people in ur life
i pray every night u get a wife
try to make someone happy
dont be an old tree and become sappy
close ur eyes open ur arms
love will come in golden charms
maybe silver cause thats now the style
prove ur love walk the holy land mile

kiki KEYKEY amador

My Favorite Gangsta Whispher I Ever Wrote....Xoxoxo

YOU SIGHED
WHEN U GOT THE NEWS THAT I HAD DIED
AT FIRST YOU SOBBED AND THEN U JUST CRIED
YOU WALKED UP TO MY CASKET AND YOU SAT DOWN
YOU NO LONGER HAD THE SMILE AND NOW YOU COULDNT EVEN FROWN
YOU REACHED for my hand and held it tight
you said it all started with a handshake ha she was rite
you wanted to take me down memeory lane
but the grief was so deep you felt the pain
this time the loss was so great
are friendship was joined by fate
you cried with every word that came out
i was no longer there to catch it i was sitting in a cloud
you heard me saying
as you sat there praying
you heard my speak saying you laughed at me
you really never needed me
you begged that day for god 2 show you a sign
you were making a deal with him u told him u never even crosssed the line
god tried to help and put thoughts of her in ur mind
the first one that came to you was damn she was so kind
there was only one her and never another to find
god asked why didnt u tell her how you felt
just once it would of made her heart melt
she was so easy to please
she loved mental pictures click click say cheese
not a day went by where she didnt call ur name
ahhh remember now the shame
god paused and said let me take u down memeory lane
without even knowing you gave her heart so much pain
it began like any other day
you knew who it was anyold ways
you answered ur phone
sometimes she would laugh scream moan
and then the times she would try to carry a tune
sounded like wolves howling at the moon
yuou begged her to stop
but you know her she had to carry the note to the top
at the end it was all good

you laughed about it over micky d's food
you were mad at god you said it wasn't fair
you never told her that you really cared
the tears once more came down ur face
you glanced at the back of church that's where she brought
you it was ur place
it was empty and sad
the priest told you it was time to go my lad
you told him please a few more
i have to tell her that my heart is tore
okay he said
but don't forget she's dead
you put so many others before her and she knew
but yet she stuck around and watched this friendship grow
you asked god again please be kind
show me she knows i loved her i need a sign
god made you wait
he tested ur fate
he said it's not too late
bow ur head and clean ur slate
tell her about the first meeting
when you touched her and ur heart stopped beating
tell her about the endless kiss
that u will forever miss
tell her about the magical dance in the sand
it might of never took place but only when she reached
out for ur hand
tell her you dropped a tear with every card poem that came your way
you'll never forget her special day in may
so many memories made so fast
she always told you you'll never forget her they would last
she made u feel her heart beat one night
you said you didn't feel a thing you had to start a fight
she tried to make so many days unforgettable
oh december 4 ever so memorable
she thought you really hated the song from the scrabble place
but now if she could see the smile on ur face
the chance is now gone
no more in my mind tell me the name of that song
the tears are rolling down ur face way 2 fast
she's no longer ur future only part of ur past
you begged god for a sign

he said my child look closely and you will find
you lifted ur head and put her hands back in place the teardrops were rolling
down ur face
you thought u were gonna be sick
it happen so quick
you heard her laughing
you were able to see her dancing
you said i wish i could change the hand of time
i had written a million poems about u and they all rhymed
you had saved them for that special day
it never came any old ways
why couldnt u tell her every nbk message
meant so much to you and more
you couldnt say no more the tears just poured
you bent down to kiss her cheek
and that when u got a peek
you begged god to show u a sign
please show me she heard me be kind
god granted u one last wish
he knew you really loved her and she would be missed
so as you kissed her cheek
god granted u a peek
out of the corner of her eye
you yelled out oh my my my
a purple teardropp rolled out
you wanted to scream but couldnt even shout
you would forever catch it one last time
for she was the one you loved now the poem will be finished and rhyme
remember shes gone a angel in the sky
she only needed to hear you wishpehr to her on last good by
so with that said and done
youll never have a friendship that was so much fun
so you walked to the back of the pew
no one was left you were the last of the few
you sat down in ur spot
the tears once again were trying to be fought
you wanted to scream so loud
to tell her you were so proud
that u knew her for a moment in time the memory was made
out of ur mind she would never fade
it seemed everything round u was turning to stone
as u sat in the back all alone

you tried so hard to hear her voice
but all you could hear was the angels singing rejoice
you prayed and prayed
for one last dance
you prayed and prayed
for one last chance
please god let me tell her how i feel
god repleid ok you were good so i will
close ur eyes and you will find
youll hear her sing in my mind
dont be scared
be very prepared
tell her wat she needed to hear
love is in ur heart dont have the fear
ur her prince shes cinderella one last chance
give her wat she wanted a fairytale romance
you can do it yes you can
picture the two of you dancing in the sand
you closed ur eyes and there it was
a magical moment without the fuss
you could of made her so happy you had the power
now the only thing left was a magical hour
you told her you were hypnotized
she was always a swan in ur eyes
she laughed and said oh sure
as you told her that you lay in bed and think of only her
she said again oh how i wish that was true
you repleid please dont say that it makes me feel so blue
she asked you is this a fairytale dream
you said oh we would of been a great team
she looked magical to you one last time
and one last time you said i wish she was mine
it was very sad
the last exchange of words you both had
ur were leaving for ur trip
you went by plane not by shipshe sent you a text that read like this
i know ur not gone yet but youll be missed
you quickly replied
she knew once again you had lied
you told her that you would miss her too
and you went away
and she called you everyday

you didnt bother to answer you didnt care
this is reality life isnt always fair
you tried to say sorry but it was to late
you once again broke her heart it was destiny not fate
now it will never be the same
move on find another to play the game
just remember to have a best friend
you must respect them till the end
so this fairytale dance finally come to and end
you cried you shouted please dont stop being my friend
the purple teardrops came streaming down her face
she guided you back to ur special place
this time she caught ur tear
and whisphered dont have the fear
my love for you will always be near
you let out a sigh i think even a cheer
she turned and walked away
you saw the candle flicker in a lighted way
she said think of me when u see the light
dream about me every magical nite
dont ever forget my love
it was geniune it came from up above

So Angry

Angry is hate
All fingers point towards my mate
Not happy or content anymore
Can feel the tears pour
Dont know when theyll stop
Waiting for happiness to fall from atop
Trying to shuffle in my mind
Remincincing of pictures memories to find
Your long fone
Look at your glasses hear that song
Have a heart try to mend
Do you hear my whispfers that i send
Everynight in my prayers i have a story to tell
You had to leave now ur a star that fell
S ome stories good some bad
S ome make me so sad
Everynight its a nbk(NOTEBOOK) message i jot down
Trying to smile but only frown
Watch the news they say people always snap
Looking at them i say there full of crap
Push turns into shove
How can they hurt the ones they love
Keeping things on a down low
Trying to balance everything like in a show
One day happy one day sad
Coming back to that word mad
They all see and hear my cry
But they never ask why
Trying eveyday to make all happy
But im so sad i dont have my pappy
Cant forget heard his heart beat one last time
Singing the sad song chime
Everyday he was my outing
Now all you hear is my shouting
I have changed oh so much
Dont care for that simple touch
Dont want no one near me
Trying to run and hide but they see me
Go to a different place when im hearing a song

In my mind snap crackle pop ding dong
So many whistles in my mind go off
Trying to be so strong but its tough
Wanting to open the door and run
Thinking in my heart it will be fun
Reality quickly sinks in
Made 5 kids and leaving them would be a sin.

Stranger Rest In Peace

im here for you my dear
today its u with a purple tear
i wont be far, ill be very near
go ahead and cry on me
thats wat im here for you see
it was you that held my heart and saved
so now im returning the favor as u walk to the grave
you will have memories that will flow threw ur mind
make sure there not sad only kind
remember click click all the pixs u took woith ur eyes
there beauty was hypnotized
true brothers dont always come from the same mothers
sisters as well
if this ryhem is ok, ur eyes will swell
not from feeling so sad
but being glad
if someone has touched ur heart
that feeling will never part
go on move on with ur life
do it right do it with strife
some times people come into ur life 4 a reason
and they leave like the change of a season
so if u know some one today with a purple tear
rush over to them and hold them near

The First Day I Saw U

the day we first met in my mind i still see
you sitting in the lunch room looking for some company
i alone by myself sat down with you that day
neither of us knowing what to really say
you think it doesnt hurt me to see us
back to that looking to my left and right to see there is no you
i thought life was worth living for a moment in time
but the life i wanted could never be mine
threw the years i see its wonderful fate
a fate of laughs greatness and fun
we have only one life to live and this is the one
in a friendship were free to express
parts of ourselves nobody else knows
but the thing that sustabins it and sets it apart
is not something spoken its a bond of the heart
true friends are rare in a lifetime 2 or maybe 3
im so glad it happend between you and me.

The Ignorance Of Money

Xooxxooxxooxxooxxooxxoo

please read this and dont ignore
being rich makes u happy over being poor
happiness love money cant buy
money is important dont deny
some seek happinness with kids and a wife
but a man without laughter has no life
keep things humble
so in life u dont fumble
keep things and loved ones close
losing them hurts the most
dont fear for losing money
purple tears when u lose ur honey
houses cars replaceable
lives lost unbearable
love one another
from ur son to ur mother
all colors black or white
release the predujice fight
rich or poor
love one another thats for sure
we are all here on borrowed time
one day too ill release myself from this gangsta ryhem...

THIS IS HOW I TRULY FEEL

WE ALL HAVE WORDS TO SAY

WE ALL EXPRESS THEM IN A DIFFERENT WAY

THERE BASICALLY THE SAME

SOME MIGHT THINK OF IT AS A GAME

SOME GO BACK TO THE BEGINIG OF MY LIFE

WHEN I WAS THE PERFECT WIFE

OTHERS ARE FROM LESSONS IVE LEARNED

THATS WHEN THESE GANGSTA WHISPHER TWIST AND TURN

WE ALL REALLY KNOW WAT TOOK PLACE

SOME MIGHT SAY THIS PRINCESS FELL FROM GRACE

DIDNT THINK THE EXPLOSION WOULD HAPPEN SO FAST

NO NO RELAX I DONT HAVE ANY SKELTONS IN MY PAST

ACTUALLY ITS PRETTY CLEAN

I WAS RAISED TO BE A HARD WORKING MACHINE

DID THAT FOR MANY YEARS

DIDNT MAKE MILLION LIKE BRITTNEY SPEARS

BUT DID OKAY

FOR FLIPPING ALL THOSE PIES IN A SPECIAL WAY

THE FIRST PIZZA PLACE WAS BY UNLV HAD GOOD FOOD

IT STARTED WITH THAT ONE GOT US IN A WORKING MOOD

2ND PIZZERIA WAS WAY UP IN THE GHETTO

IN THAT PLACE I WORE MY NIKES NO J.. CHOOS SILEHETTOS

THE PLACE WAS A GOLD MINE NOT A DUD

MY NEIGHBORS THE CRIPS AND THE BLOODS

THEY BOTH HAD MY BACK

NEVER DID THIS GREEK GANGSTA GET ATTACKED

IF U WANTED TO KNOW JUST IN CASE

THE 3RD AND FINAL PIZZA PLACE

YA ALL KNOW I AINT LEAN AND TALL

BUT THICKER LIKE A SNIKER AND NOT TOO SHORT

LOCATION RIGHT NEXT TO THE AIRPORT

DONT BE SILLY OF COURSE WE HAD STEAK PHYLLIES

YOU KNOW I LOVE TO SING U BET WE SERVED HOT CHICKEN WING

Ull Never B Alone

Friends will come and friends will go
The seasons will change and it will show
I will age and so will you
When your times are filled with troubles sadness grief or even doubt
When all those things you planned on
Just aren't turning out
Just turn and look behind you
From the place at which you stand
And look at me through the shadows
And reach out for my hand
Not looking back at any what ifs
Closing my eyes as my life shifts
Red is for stop
And that is my heart
Go is green
And I've become a mean machine
Might not be a good choice you see
But it's the choice for you and me

Ur My # 1 Friend...4 Eva

DEAR NBK MESSAGE

FROM THE DAY I MET YOU

I FELT THE CONNECTION

THROUGH UR LOVE AND LAUGHTER CONCERN AND EFFECTION

BEST FRIENDS

WE WERE SOON TO BECOME

SHARING TEARS, SECRETS AND HAVING FUN

A FRIEND LIKE U IS HARD TO FIND

SOMEONE SO ALIKE WE ALMOST SHARE THE SAME MIND

I HOPE FOR US TO NEVER PART

AS CLOSE AS WE BECOME RIGHT FROM THE START

THOUGH LIFE COULD HAVE MUCH BEEN BETTER

ALL IN ALL I DONT FEEL FORSAKEN

I COUNT ALL THE BLESSINGS I HAVE AND CRY NOT OF THE ROAD NOT TAKEN

WAT IF THE PATH CHANGED

AND THIS FRIENDSHIP WAS DERANGED

WAT IF THINGS WERE REALLY DIFFERENT

WOULD U STILL FEEL SHAKEN

IF I WERE A YOUNGER LADY

AND I HAD CHOSEN THE ROAD NOT TAKEN

WOULD MY DAYS BE BRIGHTER
OR MY NITES DARKER THAT THEY ARE
WOULD I LIVE IN OBSCURITY
OR SHINE BRIGHTER THAN A SHOOTING STAR
IT DOES LITTLE TO WONDER OF THINGS MITE HAVE BEEN
FOR WHO AND WAT I BECOME I MUST LIVE IT WITH IT TILL THE END
THERES ALWAYS A CHOICE TO MAKE
WHEN 2 PATHS MERGE AND LIFES TAKES A BREAK
FOR A SPLIT SECOND ALL THINGS ARE ONE
AS FATE AND DESTINY COLLIDE ONCE MORE
WHEN 2 PATHS AGAIN COME TOGETHR AND BREAK
NO ONE WILL WARN YOU ITS ALREADY 2 LATE
TO CHANGE THE PATH U HAVE TAKEN
ITS ALREADY IN THE PROCESS MAKING
SPLIT SECOND ALL THINGS ARE ONE
IN THAT MOMENT REALIZE GOD WILL NOT BE OUTDONE
THIS PLACE AND TIME WILL NO LONGER EXIST
DONT BE ANGRY TO MAKE A FIST
REMEMBER NO ONE WILL WARN U ITS TOO LATE
THE FIRST MAN AND WOMEN SEALED OUR FATE
NOTHING CAN STOP WAT WAS MEANT TO BE

ITS ALL TO LATE CANT U SEE

NO SECOND CHANCES GUARANTEED

SIT BACK AND LOOK FOR LIFES WARRANTY

YOU SEE THE WORLD IS FILLED WITH SO MUCH HATE

ALMOST IMPOSSIBLE TO HAVE THE PERFECT MATE

SO BE CAREFUL IN UR PATH OF LIFE

U MIGHT JUST END UP WITH A GREEK GANGSTA WIFE....

kiki KEYKEY amador

Watz Happiness.....

NO AMOUNT OF MONEY CAN PAY

WAT COMES OUT OF MY SPEAK I MUST SAY

DONT WANT THIS SPEAK 2 BE SAPPY

BUT IN REALITY I AINT HAPPY

THEY ALL CALL ME WHEN THEY WANT SOME FUN

SO TIRED OF BEING THE CHOSEN ONE

JUST WISH I COULD HANG OUT IN THE SOUTH BEACH MIAMI SUN

BUT THAT AINT REALITY U C

MY HEART NEEDS TO FEEL SOMETHING MORE MAYBE THATS JUST ME

Y IASK CANT I FEEL LOVE ANY LONGER

ITS GONE AND HAS LEFT MY INSIDE

I FEEL AS THOUGH AS I HAVE DIED

DID I DIE APRIL 26TH

WAT AM I LOOKING FOR NOW TO GET THAT FIX

DO I HATE REALLY

OR AM I BEING SILLY

IM NOT CRAZY OR SHADY

I AM A 40 YEAR OLD LADY

WANTING THE PHONE TO RING AND RANG

WAITING FOR SOMEONE TO SAY UR MY SPECIAL THANG
BUT THE PHONE NEVER RINGS
AND ALL THE BELLS IN MYU MIND GO DING A DING

I CRY NO I HAVE FEAR
YOU CRY BACK AND SAY GIRL UR SANE
AND I FINISH IT OFF WITH A BANG BOGII BANG
SO MANY LINES OF LETTERS
MAYBE ONE DAY ILL BE A JET SETTERS
MONEY TRUE MAKES THE WORLD SPIN
IF U DONT HAVE IT ULL BE LUNCHING OUT OF A TIN
