# ' I Dare She'

I Dare She Lie To Me  
Dare She Crush My Dream  
Give Me Pain That Never Leaves  
Plays Me Like A Game, And She Has The Joystick  
If She Killed Herself It Would Be Game Over  
You Couldn't Control Her Anymore  
The Child Died A Long Time Ago. She Won't Come Back She Can't,  
Force To Leave Because The Adult Was Here Now  
I Dare Her To Still See Me As A Child  
Look In To Her Beautiful Face So YOU Can See Her, 'Look At Her'  
She Sees You, It Makes Her Said Because At The End Of The Day  
She Sees You Go Home To Your Family  
It Brings Tears To Her Eyes  
All The Times This Lady Lied To Her, Deceived Her,  
Brived Her, And Didn't Believe In Her  
Now She's Gone Nobody Knows Where She Is, She's Gone Never Coming  
Back. She's With Her Best Friend, She's With Her Heart, She's With Her Lover,  
She's Truly Happy Now.....

# ' I Love Him '

I Love Him. I Need Hi In My Life Right Now And Always  
His Shoulder Ill Cry On  
For Him Ill Die For  
Ill Take All His Pain Away And Give It Back To Who Gave It To Him  
He's the Only One Who Understands, The On; y One i Can Give All My Heart To  
He Understands My Pain Because He's Been Down The Pain Lane To Many Times  
Before  
If Everybody In The World Forgot About Me He Would Be The One To Remember  
Me  
When Im Weak He's Strong  
When He's Weak Im Strong  
He's There For Me  
He Supports Me  
I Want Him In My Arms Right Now  
I Wanna Call Him Right Now  
I Miss Waking Up Next To Him  
I Miss All The Attention He Showed Me  
I Know Where Going To Be Together Forever  
I Love Him So Much.....

## ' It's With Her '

It's Here Where She Sleeps

It's Here Where She Awakes

It's In Her Conscious

It Runs Threw Her Veins Just As Blood Does

The Blood Kept Her Alive For So Many Years

But Now It Guilt That Runs Threw Her Veins

It's The Guilt That Keeps Her Awake At Night

With The Night Sweats And Nightmares

It's The Guilt On Her Conscious

When She's Awake It's Still There The Only Thing To Do Is

Slit Her Wrist And Let All The Guilt Out And

Form A Puddle Of Death.....

## "a Walk With You"

A Walk With You  
A Hand In Hand  
A Heart In Heart  
A Mind In Peace  
A Smile On A Face  
A Stress - Free Place  
That Day Was Today  
A Walk With You  
I Hold Your Hand, You Hold Mine  
I Have Your Heart And You Have Mine  
Both Of Our Minds Are At Peace And We Both Speak Freely  
Our Hearts Smile Just Like Our Faces Do  
A Walk With You  
A Hand In Hand  
A Heart In Heart  
A Mind In Peace  
A Smile On A Face  
A Stress - Free Place....

## "because I Didn't Talk To You Today "

Our Love Gets Stronger Each And Everyday  
A Day Went By An I Didn't Talk To You  
That Night When I Went To Sleep I Couldn't Sleep  
The Pillow Tried To Comfort Me  
I Cried On It Then I Fell Asleep  
I Close My Eyes An It's You I See  
Wishing That You Would Whisper In My Ear An Put Me To Sleep  
I'll Wake Up An You'll Be Next To Me  
I Hold You Tight An Never Let Go  
I Let You Know How Much I Love You  
Id Show You How Much I Cared  
I Couldn't Get You Off My Mind  
I Wrote This Because I Didn't Talk To You Today....

# Dialogue

Dialogue

He Looked At Her, She Said To Him You'll Never Be Lost As Long As You With Me.  
He Replied Lookin At She I Feel The Same Way To I Think We Are Ment To Be I'm  
Ready To Settle Down I Want You To Share Your Life With Me. Just The Other  
Night We Held Each Other Like J.T You Cried A River On My Chest Baby Girl Your  
To Beautiful To Cry, Then He Whips The Tears From Eyes. I Love You With All My  
Heart And Can't Nothing Tear Us Apart....

# 'If My Eyez Could Bleed They Would'

If My Eyez Could Bleed They Would  
If All The Pain An Hurt Would Leave  
If He Knew How He Hurts Me, His Eyez Would Bleed Too  
Like A Mime In The Room, Its Silent  
Yet So Bright Out It Feels As Im Trapped In The Dark  
Bloody Tear Drops Swim Down Each Cheek As My Eyez Bleed  
Bloody Tear Drop On The Floor  
Bloody Tear Drop On The Sink  
When Their All Gone And I Leave, They'll Still Be Their  
The Bloody Tear Drops In The Dark That Have An Everlasting Hidden Fluorescent  
Glow

Love He's Such A Beautiful Word  
Love I Miss Him Even Though He's Never Left  
Love Without You Who Would He Give His Love To  
Love She Whips The Tears That Rain Down My Cheeks  
Love Is The Feeling You Give Me Ill Never Let You Go  
Love He's The Fire In My Eyes  
Love He Lives In Me  
Love Lives In Everyone Of Us  
Love Unleashed, Love Given From Me To You

Latasha Dixon

# Lonely

Lonely

Like Akon Im So Lonely  
So Much Going Threw My Mind  
Still Don't Know What Gods Trying To Show Me  
Im Lonely, Your The One I Hold Tight At Night  
Now Im Back To My Teddy Bear  
And Tears On Da Pillow At Night....

Latasha Dixon

# 'Lust'

Don't Let Lust Get You  
It Will Betray, The One You Love  
The One You Love Won't Trust If You Let Lust Get You  
Don't Let Lust Get You  
It Will Trick You  
It Will Leave You, The One You Love Won't  
Don't Let Lust Get You  
It Will Tell You That It Loves You. But Really Doesn't  
It ill Hurt You Every Time  
Don't Let Lust Get You  
Because In The End Your The One That Feels Like Shit! ! !

Latasha Dixon

# My Man Malik

He Is Kind,  
He Is Sweet,  
He's The Night Dat Swept Me Off My Feet,  
He Kisses My Neck,  
He Make's Me Weak,  
He Make's It Rush,  
He Make's It Leak,  
I Throw It Back,  
He Push It Deep,

An He Said I Was The Freak.....

Latasha Dixon

# Purple Hearts

Purple Hearts

They Say We Really Bleed Blue  
But Oxygen Makes It Red  
Im Alive But I Feel Dead  
Hears Such A Beautiful Color, "Purple  
My Hearts Purple  
Just Like The Millions Of Soldiers Over Seas  
And Rite Here On American Soil  
That Have Been Wounded Or Hurt Physically Or Emotionally  
We All Have Purple Hearts For The Pain A Misery That We Survive  
You Have A Purple Heart Too  
When You Cry Your Tears Are Purple But When Oxygen Hits Them  
They Turn Clear Even Though The Pain Never Disappears....

Latasha Dixon

# Say That...

Say That You Love Me  
My Heart Says She Loves You Too  
Believe It When I Say It Even Though Things Seem To Good To Be True  
I Had My Guard Up, My Heart Trusted You  
Say That YOU Feel The Same Way Too  
All The Ups And Downs I've Always Loved You  
I Regretted It Before I Did  
I Regretted It After It Had Been Done  
Say That We Were Never Ment To Be  
I Was Wrong To Think That  
If You Truly Love Someone Let It Go And If It  
Comes Back Then Its Truly Yours....

Latasha Dixon

# Senses Of Truth

Senses Of Truth

Senses Of Lies

Senses Of Death

Senses Of Life

Senses Of Love

Senses Of Hate

Senses Of Trust

' A Sense That You've Been Betrayed, When Ain't Nobody  
Else Got Your Back Your Senses Do'

Latasha Dixon

# 'She Won't'

She Won't Love Another  
She Won't Trust Another  
She Won't Hate Herself  
She Won't Blame Herself  
She Won't Feel Pain Again  
She Won't Bleed Inside  
She Won't Be Despised  
She Won't Hide Her Beautiful Eyes  
She Won't Regret Her Life Because He's Just The Beginning.....

Latasha Dixon

# 'The Life You Was Living'

The Life You Was Living  
The Shit You Went Through  
A Lot Of Shit On My Chest  
Whenever We Talk My Words Don't Seem  
To Get Through

Won't Force You To Talk  
I won't Force You To Care  
About Yourself Or Your Children

Tired Of Forcing You To Eat  
You Up All Times Of The Night Looking  
For What You Think You Need  
Instead Of Being In Bed With Your Husband Trying To Get Some Sleep

Your Daughters Got A Fever  
You Ain't Never There When She Need Ya  
She Gave You So Many Chances And All You Ever Did Was Leave Her

Daddy I Wanna See Mommy Before I Leave An Go Up To God.....  
Just Tell Mommy That I Love Her, I Hope She Gets Better Because I Don't Want  
Her To Die. I'll Go Up To Heaven And Mommy Will Probably Go To Hell  
Though I Don't Want To See Her Burn But She Got To Help Herself

Latasha Dixon

# Your Crying Because.....

Your Crying Because You Need Too

Your Crying Because You Have Not Learned To Accept Your Self

Your Crying Because Now You Know The Truth, It's Set Your Tears Free

Your Crying Because Your Looking For A Boy To Like You Instead Of A Man

Your Crying Because You Have Not Learned To Love Yourself

Your Crying Because You Have Never Had Someone To Help You Be Strong

Your Crying Because You Don't Know Anyone Who Feels The Same As You

Your Crying Because No One Knows Your Hurt So How Can They Show That They Care?

You Can't Stop Crying Because You Have Not Healed Yet
