## Lexer Hernandez(September 25,1993)

Lexer started writting poems when he was 14 yrs, but never liked any of them, but after studying about william shakespeare, he was inspired of his sonnets and continiously write sonnets and poems, but as he scans his sonnets and poems he realized that his poems are more lively than he's sonnets, and as he knew this site, and published some of his poems,

# A Distant Love

Don't let the miles between us  
Keep our love apart  
Just listen close and you will hear  
The beating of my heart

No distance, will ever keep  
My heart from loving you  
There are no more tears for it to weep  
For a love that runs so true

I'll be there with you one day soon  
To love you everyday  
And then my heart will sing a tune  
And you will hear it say

I've finally found my one true love  
As true as one can be  
And now your all I'm thinking of  
Forever stay with me

# Argue

I never thought this day would come.  
When arguing will happen and we'll fight.  
I ask to myself why and how this happened.  
I fell your pain, having a hard time to breath.

what could have happened to us.  
why do we have to go through this.  
what must i do for this to end.  
what must we do to end this?

Why do you blame all to me?  
Why am i always being accused  
Why is a hole building in my heart?  
I tell myself, this is not a good sign.

I dont want it to happen this quick.  
After all the challenges we' ve been through.  
After all that had happen, now this!  
Why Pain? Why Love? Why Sorrow?

I cant do this, but i dont want it to end.  
I cant end it, cuz it never started.  
Why am i writing this?  
Why do i love you so much?

AND WHY DID YOU HURT ME THIS MUCH?

# Birthday

What was it that I saw in you  
I still can't explain it clearly too  
But I know my heart when saw you dear  
Said that you're the princess of love and care

You were sent to us seven years ago  
Like a blooming flower that everyone adores  
That spread its fragrance as well as love  
Like blessings of Lord from heaven above

I never really knew the meanings of a bliss  
Till I saw you smiling in the lap of my sis  
And saw a message of hope in your eyes  
That keep me away from all pains and sighs

And now my princess its your birthday  
I wish I was there to share your day  
But now I'm far so only I can send  
Is the gift of my prayers to you till the end

And ask gracious Lord to always keep away  
Every little thing that makes you feel gray  
And marks your life for a brighter spring  
For all the joy for others you bring.

# Broken

now i see the both of you together  
i wish it only to last forever

i love you but you love him  
as i see it my sights turns to dim

and now i see you always happy  
make it last forever for me

with you my heart you took  
now i cant even get a single look

i like this poem cuz its for you  
i wish you liked it too

just smile and i'll be better  
cuz tonight i'll be taken by the Reaper

Now my friend is happy to be with you  
even though my heart said dont let him beat you

i cant beat him thats no lie  
if i try to, i might die

in the end i'll die for you even though you dont want me to

# Contradictory Love

My eyes with passion a burning passion  
Burning for a beautiful like thine.  
From now on my heart have a new mission  
To make you my wife and forever be mine.

Oh! lady, beautiful lady,  
Give me your hand for thee have a confession.  
I love you when you sing so lovely.  
Breaking me would make me take libation.

Give me strength for thou's challenges.  
Forgive me my lady if im gibberish.  
For this is how i speak with faces of sacredness.  
Give me power for i'll love you until my life finish.

# Damn

So now i cried as this school year end  
cuz this might be the last time that i'll see your face again  
as i leave this miserable moment  
my hearts now starts to heat

eager to always see your face  
but time wants this image to fade  
forced me to forget you forever  
and allowed me to see you never

i gaze at the lonely blue sky  
wished that if forgetting you happens  
i'd rather die  
but maybe its right to leave this memory  
and start an new that i'll be happy

by the means of duelling i bet my life  
but i'll kill them and stay alive  
alive to surpass every challenge  
but can never defeat the death, so i'll take revenge

in the right time you'll notice  
that my love for you now is endless

# Expect The Unexpected

When I had a crush on you,  
You acted as if I did not exist.  
You persisted to avoid my advances.  
Some of them were innocently delivered.

When I had a crush on you.  
You wanted to play hard to get.  
At least that is how I interpreted it!  
As you intentionally flirted with others.

When I had a crush on you...  
You toyed with my emotions.  
And put me through the best tests,  
I have ever yet from anyone else I've met.

When I had a crush on you,  
The last thing I expected...  
Was to hear you say to me, 'YES'.

# Fate, Detiny

Sometimes i hate  
that there is fate

fate that is hard to believe  
in it pain i what i recieve

i recieve a pain that i will suffer  
and maybe that night will be my last supper

i hate what you called destiny  
im nothing, with a rivalry

a rival that i dont stand a chnce  
because of him i cant get even a glance

a glance at yor beautiful face  
without you i feel alone in this maze

i wrote this poem just for you  
if only you love me too.

a love that never dies  
a love that never lies

at the end of this poem i want you to see  
that i wil change my life just for thee.

Lexer Hernandez

## Fix It

When you're crushed by a crush,  
your heart become so crushed. When you

thought you were going to gain,  
instead you got pain. She was so sweet

and so very cute,  
but it seemed like She just put you on mute.

You thought that She might like you too,  
but She doesn't like you because 'YOU ARE YOU'

# Forget You Is What I Must Do

I sit here, waiting for,  
only her, wanting more  
Making me wonder of,  
What is it? , Is it love?  
I can't stop thinking of her, no,  
think of her, I must do so  
Not sure if it leads to demise,  
but I feel so much joy, just to see her eyes  
Wanting to hold, only her,  
Is it love? , I'm still unsure  
Every day since we first met,  
think of her, my mind I let  
Now at last, my mind I let,  
believe it's love I'll never forget

(even though it will took me time to forget i love you)

Lexer Hernandez

# Girl

i think that i shall never see  
a girl who's as beautiful as thee

a girl who's smart and happy  
and a girl who will never be angry

im just a guy who seeks a girl  
that will never treat me as a fool

everytime i see you, i get shy  
and also when you passby

i give you this ring as a sign of my love  
its ok if you will throw it but not in front of me

a heart broken man like me  
would slash just for thee

a heart torn to pieces and thrown  
in my heart you never frown

and if you choose to leave  
let GOD take my sould and heart that never stops to bleed

Lexer Hernandez

# Hard To Explain

i think I have a crush on you  
but I don't think I'm right  
when do crushes stop being crushes,  
is it when you sleep at night?  
If I was crushing on you I would be unhappy  
For the old tale might come true,  
That a crush is called that for a reason  
They end up crushing you.  
If that is true then I don't want to like you  
I don't want you as a crush,  
I like you more than just a friend,  
Are you hearing way too much?  
I don't want the joy I feel with you  
to suddenly disappear  
If it did then i would slowly die,  
of loneliness and fear  
I know I've known you only for a small amount of time  
Though it feels that from the past till now, you were'nt meant to be mine  
I don't want to bug but would it be too much  
I wonder, do I love you, or is it just a crush

# Its Hard To Say I Love You To Someone Like You

I always dream of having you  
i cant take away the thoughts of you  
you make me feel troubled always  
that drives me through this uneasiness

a smile of yours touches my heart  
that makes me restless at night  
i cant take away in my imagination  
feels like un finished mission

how could i overcome?  
if this heart calls you to be my someone  
how could i tell you?  
do you mind if i love you?

i dont know where it start  
i just miss you everytime we part  
each day we talk, each time we smile  
i always give myself a try

to tell you what this heart feels  
takes a lot of time for me to rehearse  
how could i tell you?  
this heart longs for you?

# Life

i give my life to you  
if you only knew that i love you

i made an agreement with a devil  
which broke my heart and capture it with a seal

my heart burns a mile away  
my heart just want you to say

i love you, now until forever  
leaving you is like never

i love the way you smile  
i told it nd its not a lie

for me your the most beautiful  
and also the most graceful

i wish this never last forever  
but no, because its never

if you know that i wrote a song  
but, its really not the long

at the end of this poem you'll see  
tat i will always love thee.

# Meaning Of Love In Time.

Love was.....

When 'if' lay between you and I  
And 'never' seemed forever  
I fell to earth in surrender  
And you became the centre of my eye

Love is.....

When I pass by you accidentally  
I grab a sense of your smile  
When between us is distance measured by the mile  
I grab a sense of our love immeasurably

Love will be.....

When I can no longer see to see  
When I can no longer hear to hear  
I know you will be near  
Simply just you and me

Love eternally.....

When God granted us our wish finally  
He put in us a throbbing heart  
When it stops from this earth we will depart  
But our Love will live eternally

(For S.....)

# My Special Someone

My Special Someone

Sun of my life that brings me light,  
Don't despair for I shall be your loyal knight,  
I'll do what you ask,  
Just give me your desired task.

Angel of my life, I'd be very happy,  
Just to see your smile and untouched beauty,  
I'll be a servant if you want,  
I'll be anything as long as you feel pleasant.

Raging rivers, unpredictable seas,  
I'm ready to cross it if you please,  
I'll go through dangerous jungles, fend off untamed beast,  
Just to bring you some relief.

As long as my love for you keeps on burning,  
Nothing can tell me, stop me for serving,  
Serving you anytime, any day,  
Just tell me and I will obey.

Have faith in me for my feelings are true,  
They are the purest in the great big blue,  
Search the world and you can never find,  
Someone who loves you like the way I defined.

as long as you say i love you

## Previous Memories

After we met for the last time,  
Sarah,  
You never entered into my dreams

The meanings you found in my words  
Are no more useful to convince  
How divine was my love for you

When words are failed to  
Reveal my heart to you  
And love itself is lost  
How can I say that?  
Once you were my dream!

The reason is not with you  
Not even with me  
It's something to be uncovered  
And it is no more valid

I confess now, my Sarah,  
I cannot bring you any happiness  
Nor I can take you to the heavenly life

I'm filled with sorrows,  
I'm extracted from the world  
A hopeless soul is mine  
And the fault is my life

Oh, Sarah,  
You belongs the noble  
You deserve the finest

After we met for the last time  
Oh Sarah, the kissess I brought to you  
And returned untouched  
Are still kept in my heart

Remember me not anymore;  
The memories also can

Hurt a lot!

Lexer Hernandez

# Regret

a life without you  
can break my heart in two  
each day and night i think about you  
if only you would love me too

as my bad emories left at the past  
i'll make new ones that wll never last  
memories that will nver die  
in your lap i want to ie

as the time passby we became older  
and the paths we take became tougher  
the jokes you say made me burst into laughter  
and realized what i need to do after

i should make you happy as far as i ca  
if i made you sad i feel like i should be thrown in the trash can  
the longer i look at you, you became more beautiful  
in my heart whch belongs to you, your so thoughtful

in the end i will still love you  
i only wish you would love me too

# Scars And Tears

Well, This is for the broken hearted  
I know how you feel  
Empty, betrayed, and no happiness whatsoever  
You dont want to laugh, because you know it's not going to help  
But you dont want to cry, because it will just make you feel worse.

You feel like your heart is falling apart  
But you know soon your life is going to feel like it's falling apart too  
You dont think it will ever end, and no matter what this person has done to you  
It feels impossible to stop loving them.  
That's the confusing part  
You don't know why  
You just do

After a few days, you finally feel a sense of relief  
or, you thought so  
But deep inside, you know that youre just going into a denial

And after days turn into weeks  
you're back into where you were  
an empty soul and teary eyes  
you thought you got over them  
but really you just stopped showing it  
and you cant help to show it again

It leaves deep scars on your heart that are there forever  
And no one understand how you feel and how deep you are hurt  
because it hasnt happened to them  
And even if it has every broken heart is different  
They dont know the true pain you feel and carry each and every day  
So you learn that basically you're alone with all of this  
And the feelings start to overwhelm you, and suddenly you're just breakdown  
right there and then  
because youre up to the point where you dont care who sees

Because you spent so many nights lying awake in bed  
and so many days being haunted by the scars and fear of rejection  
And in the middle of these tears  
you know that its not helping any

and its not going to bring them back

After about a million tears have been cried  
you finally pull yourself back together and keep going  
Your throat start to shake and your eyes burn with the tears youre trying to hold  
back

Everyone says 'It will be okay'  
But you know it wont  
And thats the truth, it wont  
And you look back on all the hurt yu had from this, but you have learned to hide  
it so every one will think youre okay

So now everytime you see this person  
you know you still love them  
and you feel the slight shaking in your throat in you  
wanting for her to love you  
screaming out  
but for some reason they dont hear it

And then you sit back and wonder how one person have caused all of this.....

&#1414; PAIN and TEARS&#1414;

# Sweet Mistake

Why is it that I wont give up?  
I continue to make the same mistake but this time i went to far  
And now i am hurt more then ever  
Any decision I make I will get hurt  
I am trying to cover my sadness with hate and for now it is working but this  
charade can only last so long  
I wasent expecting to be ignored  
I wasent expevting to be forgotten  
When i made my choice I thought it would make things better  
But I made a mistake.....  
and that was believing that the feelings you had were true

# The Night

Tonight is the night  
I tell myself  
Tonight is the night  
I will break free

Free from a life of sin  
A life not worthy of your love

Tonight is the night  
I tell myself  
Tonight is the night  
all will be made right

Right with myself  
and right with you

Tonight is the night  
I tell myself  
Tonight is the night  
I tell you I love you

I love you with all of my heart  
all of my soul and all of my mind

Tonight is the night  
I tell myself  
Tonight is the night  
When I must say Goodbye

Goodbye to a chance with you  
A chance that I blew

Tonight is the night  
I tell myself  
Tonight is the night  
I die

# Unforgetful Yet Forgetful Memory

I know not where to go, for all the places I know, I've been.  
I have been shown not where to go nor can I remember all I've seen.  
Memory slips as memory fades as shades they flip exposed to flames.

As insects roast upon the embers of the fire,  
A blaze trailed through the void of darkness,  
Breathing destruction upon dry bone leaves,  
Bearing down destruction upon well established trees.

The crown of the forest resides his power  
Biding his time awaiting the shower of inferno  
Gatherings as the elders race forever young towards  
the fountain groves to quench their tongues

A new race has begun, another year of wondering  
Aimlessly it seems trying to find a meaning etched  
Within our dreams. These eyes grow tired each second past,  
I'll try still I fear I'll never last  
I fear I may have lain placid upon the grass too long.

That I may never come to see the day pass in death  
Only to see life breathe anew by the dawn.  
Born of rosy fingered bliss, born wild of the sweetest kiss.  
Of this beauty I was never warned nor could I ever prepare  
For confrontation with the Emerald Goddess of lust loved hair,  
Or of raven queens, black ribbons sisters in distress,  
How could we of know she was the devil's mistress?  
How could we prepare?

# Why Did My World Rotate Around You

O moon of the night you are so cute and kind  
To kiss my sad thoughts and brighten my mind

Those blinking of yours make my heart to feel  
As fresh as you and with that my wounds to heal

I feel your cold, sensible beauty and charms  
I feel thy liking, thy face's ray touch my arms

Tell the cruel autumns not to touch thy face  
Ask the gazing springs to stop your trace

Come to me come to me because my soul calls  
Come to me as soft and calm as snow falls

In the dark when you will go and disappear  
Increase my heart beating and you will hear

# Wrong Feeling

Tonight I can write the saddest lines.

Write, for example, 'The night is shattered  
and the blue stars shiver in the distance.'

The night wind revolves in the sky and sings.

Tonight I can write the saddest lines.  
I loved her, and sometimes she loved me too.

Through nights like this one I held her in my arms  
I kissed her again and again under the endless sky.

She loved me sometimes, and I loved her too.  
How could one not have loved her great still eyes.

Tonight I can write the saddest lines.  
To think that I do not have her. To feel that I have lost her.

To hear the immense night, still more immense without her.  
And the verse falls to the soul like dew to the pasture.

What does it matter that my love could not keep her.  
The night is shattered and she is not with me.

This is all. In the distance someone is singing. In the distance.  
My soul is not satisfied that it has lost her.

My sight searches for her as though to go to her.  
My heart looks for her, and she is not with me.

The same night whitening the same trees.  
We, of that time, are no longer the same.

I no longer love her, that's certain, but how I loved her.  
My voice tried to find the wind to touch her hearing.

Another's. She will be another's. Like my kisses before.  
Her void. Her bright body. Her infinite eyes.

I no longer love her, that's certain, but maybe I love her.  
Love is so short, forgetting is so long.

Because through nights like this one I held her in my arms  
my sould is not satisfied that it has lost her.

Though this be the last pain that she makes me suffer  
and these the last verses that I write for her.
