Lost. Love.(11-04-1993)

I'm Just A Girl..

I'M Sorry

Yes, i'll always love you.
After everythings said.
I somehow no matter what.
Havn't been able to get you off my mind.
Don't know what i'll do.
So i'm sorry.
After all that i've done.
I didn't mean for this to happen.
And i don't even know.
How it began.

Lost. Love.

Just A Note

Daylight fade so shade,
As life slowly fades away,
Simple plans go unspoken,
The love you felt disappears,
Simple mistakes,
And well earned heartbreaks,
Leave you hanging on for more.

Lost. Love.
