Love Iz Lost()

A Lonely Girl

When She Walks Out
All She Sees Is Black
When She Turns Around
All She Sees Is Kids
Now These Kids Beat Her Up
These Kids Put Her Down
And It Was These Kids That Hurt Her Bad
That She Did The Unthinkable
She Took Her Life
Because She Was Done
She Didn't Want To Hurt No More
She Had No One To Take Care Of Her
And No One To Watch Out For Her
She Had No One To Call Friend
She Had No One To Call Her Own
She Was Alone In The World
With No One There
Now When The Kids Walk By
And See Her Grave
They Hold Back Their Tears
Because Know What They Did
And Wish That They Were Nicer
And Wish That She Were Back
But What They Don't Relise
Is That She Was Always Dead Inside.

Love Iz Lost

Don'T Leave Me

You Can Not Go
You Can Not Leave
Can't You See
You Are Hurting Me
I'm In The Dark
If You Can't See
Only Light
Can Set Me Free
So Please Don't Go
Please Don't Leave
You Are My Light
Can't You See

Love Iz Lost

I Hate You! ! !

You F***en Lier
You Said That You Loved Me
You Said You Wouldn't Hurt Me
You Are An A**whole
You Knew That I Loved You
And You Still Did It
You Did What I Was Afraid Of
You F***en Lead Me On
You Said That I Was Beautiful
You Said That I Was Gorgeous
Turns Out You Just Wanted Me In Bed
You F***en Dog
But I Have The Upper Hand
Cause One Day Karma Will Get You
One Day Some S**t Will Do The Same
You'll Be Crawling Back
And Try To Get Me Back
And I Will Just Laugh And Say
You Had Your Chance
And Now You've Lost Me
Cause When That Day Comes I'll Be With Someone Who Loves Me
And Wants To Be With
He Will Not Want To Use Me
And He Will Want To Be With Me
No Matter What
So F**k You Mother F***er

Love Iz Lost

I Think.....

I've Got Nothing To Say
You've Left Me Speechless
You Make Me Feel Funny
I Haven't Felt This Way Before
I Hope These Feelings Never Leave
I Want Them With Me Always
You Are The One I Want
And You Are The One I Found
I Don't Ever Want To Lose You
I Don't Ever Want To Forget You
You Have Made A Difference In My Life
I'm Never Sad
I'm Always Happy
These Feelings That I Have
They Don't Come Very Often
Is It What I Think It Is
Is That I Love You
Yes It Is
I'm In Love With You
I Can See It Now
It's As Clear As Day
I'm Glad Our Paths Meet
Cause Of You I Know What Love Feels Like
I Know Now That It's Not Just Butterflies
You Are In My Head 24/7
And I Hope You Stay There
I LOVE YOU
And I Hope You Love Me

Love Is Lost

Life Is Hard

Life Is To Hard To Keep Going
Just Trying To Get By On Completely Nothing
Everyone Making Eveything Harder At School
I Just Want It To Be Easy

But The Only Thing That Keeps Me Going Is
Listenign To Music That Means Someting
I Love How That Music Makes Me Calm Down
And When I Listen I Feel Like No One Is Around

I Sometimes Pretend That I'm Somewere Else
And That Everything Is Easy
And No One Telling Me What To Do
I Just Want To Stay There

But Once It Stops Playing
I Have To Open My Eyes And Go Back To Reality
And I Have To Go To School And Work
But All I Want To Do Is Stay In Bed And Listen

But I Can Never Be Left Alone
Every One Telling Me What To Do
I Hate How They Boss Me Around
But I Can't Complain

I Have To Do As I'm Told Because I'm Only Young
And I Still Have Alot To Learn
I Need Some Space Though
But I Can't Get It Because No One Leaves Me Alone

Love Iz Lost

Love Hurts

It's Hard When The Person You Love
Doesn't Love You Back
And Everytime You Look At Him
He Doesn't Look Back

He Makes You Feel Warm
And Makes You Feel Sad
But Everytime He Does Notice
You Start To Feel Glad

You Sometimes Dream
That He Is Yours
And Everyone Around You
Starts To Fall

But You Have To Wake Up
And Everything Will Go
But The Way You Feel
Will Not Leave You Alone

You Wish Your Heart Would Listen
So Then It Won't Get Hurt
It Wants What It Can't Have
So Now You Have To Flirt

Flirt Until He Understands
And Try To Make Him Yours
And When You Don't Succeed
You Will Know That You Won't Fall

My Guardian Angel

Your My Guardian Angel
Always By My Side
Showing Me The Roads
So i Can Chose Wise
You're Always There
When I Am Hurt
You're Always There
When I Think I'm Alone
You're Always There
When I Need Help
You're Always There
When I'm Down
I Know That When I Go To Sleep
You're There Beside Me
To Chase Away The Bad Dreams
And To Help Me Sleep
I Know That You'll Always Be With Me
And That You'll Never Leave
You'll Always Be Here To Make Sure I'm Safe
Even When I'm Sound Asleep
And Evey Time I Go To Sleep
I Know That You'll Be There Tomorrow
Waiting For Me To Start My Day
For All That You Have Done
I Just Want To Say Thank You
Thank You For Always Being There For Me

Love Iz Lost

My Lost Love

I Saw You Just Siting There
Talking To Your Friends
And I Thought That You Became Friends
And I Was Having Fun
But Then Something Happened
I Couldn't Breath When You Were Nere
And I Felt Like I Was Dying
But Then I Relised That I Was In Love
But Not With Just Anyone
But With You
I Was Falling For You
With You Cute Ways
But Then I Was Hurt The Next Day
I Found Out That You Were Going Out With My Best Friend
I Was Heart Broken
And I Thought That I Was Never Going To Love Again
But I've Never Stop Loving You
Because You Are So Cute
Just To Hear You Voice Makes Me Melt
But I Know That We Cann't Be Together
Because Of Someone We Both Know
Thats In Love With You Too
And Would Stop At Nothing To Have You
So I'll Let Her Win Because I Don't Want To Fight
So We'll Just Stay Friends

Sarah

I Love You
And I Miss You
Your Always At Hospital
And I Can't Go And See You
You Almost Left Me By Myself
You Need Alot Of Help
And I Understand Why
But What I Don't Understand Is Why?
Why Did Someone Try To Take You Away From Me?
Why Would Any One Want To Hurt You?
Why Did They Try To Take You Away?
You Are Something Special To Me
You Are A Lovely Person
Full Of Life And Spirt
Your Such A Great Cousin
But An Even Better Friend
You Were The Kind Of Person I Could Talk To
You Were The Person I Admired Most
I Wish That Night Didn't Happen
I Wish You Had Come To See Me
I Wish You Hadn't Fell
I Wish You Didn't Go Out
I Wish You Were Better
I Wish You Were Just You Again
Because I Miss You Every Day
And I Want You To Feel Better
The People Who Did Nothing Should Rot In Hell
And I Want You Home Because I Love You So

Love Iz Lost

Silence Isn't Golden

I hate being silent
It just isn't healthy
I need to tell you how I feel
And get it off my chest

You make me feel special
You make me feel great
And the thing I feel most
Is the way I feel about you

It's so good to say it
I really need to
I need to say it to your face
The thing is "I LOVE YOU"

I want to be yours
I want you to be mine
I want to be together
For a very long time

I need you
You are my life
You're the one I want
I won't have anyone else

Sxc Boy

Your My Sxc Boy
Your The One I Want
Your So Speacial
Your So Sweet
Your The One
I Want To Keep
The First Time We Spoke
I Thought I Would Die
Your The Kind Of Person
Who Would Make Me Cry
You Make Me Feel Speacial
And That's Why I Say
Your My Sweet
Sxc Boy! ! !

Love Iz Lost

The One I Love

I Can't Stand That Your Not Around
I Need You By My Side
Your The Only One I Want
And The Only One I Need
I Can Not Live Without You
I Can Not Breath Either
I Can't Stand The Fact That We'll Never Be Together
I Hate It That Your Older
I Hate It That I'm Younger
I Hate The Fact That I Can't Live Without You Near
You Make My Heart Beat Fast
You Make Me Feel Alive
When You Kiss My Cheek
I Feel Like Where Alone
I Like It When You Look At Me
It Makes Me Feel Wanted
I Really Want To Tell You
But There Is Just No Way
I Can Not Say It
Because You Mean That Much
I Have To Let You Go

Love Iz Lost

There Is No Easy Way

There's Never An Easy Way
Just To Say
How You Feel
Even To Someone Real

I Hate The Fact
That I Can't Say
Because Your Different
In Every Way

Your Friends With Someone Close To Me
And Your Friends With Me Too
I Haven't Seen You In Years
But Your Still Cute I See

It Doesn't Matter
Cuz These Feelings Stay
No Matter Who I See
I Still Want You

I've Never Stop Thinkin About You
And I Never Will
Your Hard To Forget
And I Never Will

I'll Always Love You
No Matter What
And The Day I Stop
Will Be When I Die

Love Iz Lost

To Sarah

I Wish This Never Happened
I Wish I Could Take Away Your Pain
I Wish You Never Meet
But I Couldn't Stop It
And Now Look At What He's Done To You
You Were Such A Beautiful Girl
And All The Girls Were Jealous Of You
But Now Your Beauty Has Faded Away
Because Of What He Did
I Wish I Could Turn The Clock
I Wish That You Didn't Leave
So Then You Could Be With Me
You Are Still Beautiful To Me
No Matter What You Look Like
But It Hurts Me To Know
That You'll Never Be The Same Again
So I Write This Poem For You
Because I Love You So
I Will Always Love You
Till The Very End!

Love Is Lost

Why?

Why can't you leave?
You're driving me insane
I need to concentrate
I'm running out of space

You take up all the room
And leave no space for me
I need my space
Please leave

I need to do my work
But you're that annoying
And so hard to ignore
I wish you would leave

I guess that's what happens
When you fall in love
You can never stop thinking about them
It shows how much I care

Love Iz Lost

Your The One I Want

You Are My World
You Mean Everything To Me
I Couldn't Imagen Life Without You
I Don't Want To Lose You

Before We Met I Closed My Heart
I Was In Alot Of Pain
But Somehow You Tore The Walls Down
And Let Yourself In

You Make Me Feel Like There Is Love
Love From Another Person
And You Are The Person I Love
You Will Always Be In My Heart

I Wouldn't Care What People Say
Cause They Don't Know You
The Way I Do
And They Never Will

You Mean The World To Me
I Would Give My Life
Just To Save Yours
Because Thats How Much I Love You
