# Because Of You

Because of your voice,  
I remember you.  
Because of your scent,  
You stay with me forever.

Because I dream of you,  
I can't keep my mind off of you.  
Because of you,  
I miss you,

And because I miss you  
You're everything in my life  
And because you're everything in my life,  
I can't live without you,

And if I can't live without you,  
I rather not live, than to die for you.

# Memories Of You

The memories of you,  
I will keep,  
I'll keep them forever  
Forever, the memories of you

If I knew you weren't gonna stay long,  
I would have never let you leave me one bit,  
Cause I know  
That we'll have not much time to be with.

The love you've given me  
Will be kept in my heart forever  
Even if I die, or you're gone  
I'll still love you

Those memories will be the one,  
The one for me to keep on still loving you  
Even if you're not there  
Those memories will stay with me forever.

# My Love

The love I've given you,  
I hope you'll carry it along  
Not to make it special,  
But to make it last long,

Giving you my trustiness,  
Giving you all my love,  
Giving all that I ever had  
Just so you'll know that I love you.

We made promises,  
Love gave us happiness,  
We'd shared our secrets  
But now, you've done it.

You've broken your promises  
You've broken my heart  
You've broken everything that we have done together,  
But all I ever wanted was for us to love each other.

Now that you're not by my side,  
How can I forget you?  
I cry all night and all day  
Just because I miss you.

But now, I'll have to forget you  
I'll have to leave you,  
Leave you with the memories  
And the happiness you've given me...

# Our Moments Together

Our moments together,  
Will be remembered by me,  
The things we did together,  
Wouldn't be erased,

So if I was to leave you,  
I would rather die  
Than to see you go  
And leave with the pain...

# Painted Love

Looking back to our times  
wondering why you had lied  
making me feel like a fool  
who had nothing better to do.

Making me have this feeling  
to experience this kind of love

that's now killing my heart  
that makes me wanna part.

You made me feel so special  
like I was the only one,  
the only one for you  
and it all felt so true.

To make me feel this way  
you probably had nothing better to do  
than playing with girls  
and breaking their heart too.
