A Broken Heart

This is a story of a broken heart,
A guy who thought she loved him from the start,
Now the girl of his dreams fell all apart,
His heart was like stabbed by a hundred darts.

'Stop wasting your time on me, stupid,
Quit fooling around and start thinking ahead,
You are acting like a little kid.'
Those dreadful words were what she said.

How can you break my heart in two,
After all my love for you is so true,
My mind kept reminding me of you,
But my heart says that i should be cool.

For Mother

Thank you for creating me,
And I will be the best boy as I can be,
So please don't be mad and don't be sad,
For I will be the best boy that you could get.

Even though you scold and punishes me,
I don't mind,
Because its for my own good,
So I could have a good job next time.

Happy Outside, Depressed Inside.

Happy outside, depressed inside,
I'm sorry if I set you aside,
You are not someone that I can just leave behind,
There's just something going on in my mind.

I act so tough and aggressively,
I'm sorry for the attitude I have lately,
I've tried to look over the problem closely,
Too bad all I found was foolishness, sadly.

Happy Valentines Day (A Little Short Poem)

It's Valentines Day,
I can't help but say,
Baby I love you,
And I know you love me too,
So may this be the best day,

Happy Valentines Day!

I Could Of Told Her...

There's this girl I see,
Everyday, sitting beside me,
I like her but don't know how to express,
Don't really know how to impress,
Until one day I tried to call her,
Someone answered, it was her brother,
'I'm sorry she's not home yet',
Try again later, don't be upset,
But I didn't and waited for the next day,
The teacher said 'she didn't come today',
I went home and saw the new's announcement,
'A 13 year old girl in a car accident',
I quickly burst out in tears,
Asking myself, why'd she had to disappear,
I could of called her or tell her earlier,
But I kept it to myself like a liar.

My Love For You

I WANNA BE THE GUY THAT COULD HOLD YOU TIGHT,
I WANNA BE WITH YOU TO SEE THE MOONLIGHT,
IF YOU'RE THE ONE THAT CAN SOOTH MY FRIGHT,
THEN I'LL MAKE SURE I'LL TREAT YOU RIGHT.

AS THE DAYS PASSES BY,
WE WOULD SLOWLY GROW OLD,
BUT I'LL STILL SING YOU THE LULLABY,
CAUSE MY LOVE IS AS SHINY AS GOLD.

I CAN TELL YOU EVERYDAY THAT I LOVE YOU,
I WOULD LOVE YOU LIKE MY WINNIE THE POOH,
NO ONE CAN EVER PASS US THROUGH,
CAUSE OUR LOVE IS SO SO TRUE.

I'LL STAY WITH YOU FOREVER TO BE YOUR MAN,
AND THIS RELATIONSHIP WOULD NEVER EVER END.

Marcus Choy

You Are My Attraction

You are my attraction,
You give me the right satisfaction,
Your eyes drags me into addiction,
You, my wife, that's my prediction.

I don't need no love calculation,
Cause I know you're not an illusion
So this is my final decision
Loving you is no confusion,

Marcus Choy

You Are The One

You are the one that I admire,
You are the one whom I desire,
You are the one that I only love,
Wishing you were mine from the stars above.

I love the feelings where our lips meet,
Smelling you walking by is a real treat,
Holding you tight beside me is just so sweet,
With you by my side, my heart is complete.
