First Love

First love isnt easy to forget..

Its not as easy as you bet,

When you first met.., you thought it was ment to be..

But love isnt exactly what you'd thought it would be: (

Your First Love will always be the First.

No other can Replace the face of your FIRST LOVE

.: So Dont Forget The First LOVE: .

Replacing You?

Replacing you wont be easy,
You were the love of my life.
I'd thought i'd make it to be the FIRST WIFIE..
.My Love For you Is aS Bright As the Light.
Trying to replace you just isnt right..
Moving on is gonna be hard..
My feelings for you wont be as far, i dont knoe what to do.,
Replacing you juss wont do,
I cant belive we are really thru.,
Tryinq to find a way to replace you just wont do..
Nobodi can replace you
